CITY SECRETARY

PROFESSIONAL SERVICES CONTRACT

STATE OF TEXAS §

COUNTY OF COLLIN §

THIS CONTRACT is entered into effective the ^{21st} 17th day of January 2017, by and between the **CITY OF MCKINNEY, TEXAS**, a municipal corporation located in Collin County, Texas, (hereinafter referred to as "CITY"), acting by and through its City Manager or his designee, and **PROJECT CONTROL OF TEXAS, INC.** ("hereinafter referred to as "CONSULTANT") whose address is 17300 Henderson Pass, Suite 110, San Antonio, Texas 78232.

WITNESSETH:

WHEREAS, CITY desires to obtain professional services from CONSULTANT for **Owner's Representative Services for the TKI Hangar Project at McKinney National Airport** (hereinafter referred to as "The Project"); and

WHEREAS, CONSULTANT is qualified to performance such services for the CITY in exchange for fees hereinafter specified;

NOW, THEREFORE, THAT IN CONSIDERATION of the covenants and agreements hereinafter contained and subject to the terms and conditions hereinafter stated, the parties hereto do mutually agree as follows:

I.

Employment of Consultant

CONSULTANT will perform as an independent contractor all services under this Contract to the prevailing professional standards consistent with the level of care and skill ordinarily exercised by members of the architectural, engineering and planning professions, both public and private, currently practicing in the same locality under similar conditions including but not limited to the exercise of reasonable, informed judgments and prompt, timely action. If CONSULTANT is representing that it has special expertise in one or more areas to be utilized in this Contract, then CONSULTANT agrees to perform those special expertise services to the appropriate local, regional and national professional standards.

II.

Scope of Services

CONSULTANT shall perform **Owner's Representative Services for the TKI Hangar Project** being developed by Western TKI Leasing, Inc., specifically including, but not necessarily limited to, the tasks enumerated more fully in Exhibit "A", hereto

entitled "Scope of Services" (hereafter referred to as the "Services"). Exhibit "A" is hereby incorporated herein by reference and made a part hereof as if written word for word. However, in case of conflict in the language of Exhibit "A" and the language of this Contract, the terms and conditions of this Contract shall control and be final and binding upon both parties hereto.

Performance by CONSULTANT of CONSULTANT's Services requires that the CITY shall provide in a timely fashion full information regarding requirements for The Project. Further, the CITY shall retain an architect and furnish all legal, accounting, and insurance counseling services as may be necessary at any time for The Project.

CITY understands and agrees that nothing in this CONTRACT shall be construed so as to require CONSULTANT to duplicate or perform, in any fashion whatsoever, any of the services of architects, engineers, contractors, consultants, legal services or other professions (or businesses requiring any license). CITY understands and agrees that CONSULTANT will not directly perform any design or construction duties related to The Project. Neither CITY nor CONSULTANT shall have any obligation, responsibility, or liability for acts or omissions that are the responsibility of any of the other parties who are providing services related to The Project, in any role whatsoever.

CITY and CONSULTANT agree that neither CITY nor CONSULTANT shall have any obligation, responsibility or liability for safety or safety measures of other parties who are providing services at any stage of the design and construction of The Project, and such third parties shall be responsible for establishing and following adequate safety standards and procedures and providing safe work place conditions and equipment.

III. **Payment for Services**

CONSULTANT shall be compensated on a monthly basis. Total payment for services described herein shall be a sum not to exceed **SEVEN THOUSAND DOLLARS AND NO CENTS (\$7,000.00)** per month for a maximum period not to exceed four (4) months. CONSULTANT will also be compensated for the following reimbursable expenses, if any, to the extent such expenses are directly related to CONSULTANT's performance of the Services, and to the extent the total amount of such reimbursable expenses do not exceed a cumulative monthly amount of One Thousand Two Hundred Fifty and No/100 Dollars (\$1,250.00): printing; photocopying; and coach airfare or mileage (at the allowable rate established by the Internal Revenue Service). Additional expenses, which are extraordinary in nature, shall be approved in advance by CITY in writing signed by the parties. Such extraordinary expenses may be paid as incurred and billed to the CITY pursuant to this Contract over and above the total payment amount identified in this provision. Any extraordinary expenses not approved in writing in advance by the CITY shall remain the sole responsibility of the CONSULTANT.

If additional services, trips, or expenses are requested, CONSULTANT will not provide such additional services until authorized by CITY in writing to proceed. The scope of services shall be strictly limited. CITY shall not be required to pay any amount in excess of the amount identified in the preceding paragraph unless CITY shall have approved in writing in advance (prior to the performance of additional work) the payment of additional amounts.

Each month CONSULTANT will submit to CITY an invoice supporting the percentage complete for which payment is sought. Each invoice shall also state the percentage of work completed on the Services through the end of the then submitted billing period, the total of the current invoice amount and a running total balance for the Services to date.

Within thirty (30) days of receipt of each such monthly invoice CITY shall make monthly payments in the amount shown by CONSULTANT's approved monthly statements and other documentation submitted. If CITY fails to make payments within 31 calendar days of receipt of invoice from the CONSULTANT for Services and expenses, CONSULTANT may, upon seven (7) days written notice to CITY, suspend performance of services under this CONTRACT. Unless payment in full is received by CONSULTANT within seven (7) days of the date of the notice, the suspension shall take effect without further notice. In the event of a suspension of services, CONSULTANT shall have no liability to CITY for delay or damage caused to CITY because of such suspension of services.

Nothing contained in this Contract shall require CITY to pay for any work that is unsatisfactory as determined by CITY or which is not submitted in compliance with the terms of this Contract, nor shall failure to withhold payment pursuant to the provisions of this section constitute a waiver of any right, at law or in equity, which CITY may have if CONSULTANT is in default, including the right to bring legal action for damages or for specific performance of this Contract. Waiver of any default under this Contract shall not be deemed a waiver of any subsequent default.

IV. Revisions of the Scope of Services

CITY reserves the right to revise or expand the scope of services after due approval by CITY as CITY may deem necessary, but in such event CITY shall pay CONSULTANT equitable compensation for such services. In any event, when CONSULTANT is directed to revise or expand the scope of services under this Section of the Contract, CONSULTANT shall provide CITY a written proposal for the entire costs involved in performing such additional services. Prior to CONSULTANT undertaking any revised or expanded services as directed by CITY under this Contract, CITY must authorize in writing the nature and scope of the services and accept the method and amount of compensation and the time involved in all phases of the Services.

It is expressly understood and agreed by CONSULTANT that any compensation not specified in Paragraph III herein above may require McKinney City Council approval and is subject to the current budget year limitations.

V.
Term

This Contract shall begin on the date first written above, and shall terminate when CITY has approved the Services as being final or otherwise terminates this Contract as provided herein.

VI.
Contract Termination Provision

This Contract may be terminated at any time by CITY for any cause by providing CONSULTANT thirty (30) days written notice of such termination. Upon receipt of such notice, CONSULTANT shall immediately terminate working on, placing orders or entering into contracts for supplies, assistance, facilities or materials in connection with this Contract and shall proceed to promptly cancel all existing contracts insofar as they are related to this Contract. Any outstanding compensation earned and/or expenses incurred by Manager up to the date of termination shall be due and paid, in full, within 31 calendar days of receipt of a final invoice.

VII.
Ownership of Documents

All materials and documents prepared or assembled by CONSULTANT under this Contract shall become the sole property of CITY and shall be delivered to CITY without restriction on future use.
