McKINNEY BOARD OF ADJUSTMENT

AUGUST 10, 2016

The McKinney Board of Adjustment met in regular session in the Council Chambers, 222 N. Tennessee Street, McKinney, Texas on August 10, 2016 at 5:30 p.m.

Board members Present: Scott Jacoby, Vice-Chair, Randall Wilder, Brad Taylor, Patrick Cloutier, Betty Petkovsek, Alternate and Brian White, Alternate (not voting).

Absent: Kimberly Davison, Chair

Staff Present: Chief Building Official Rick Herzberger and Administrative Assistant Teresa Noble.

Vice-Chair Scott Jacoby called the meeting to order after determining a quorum was present.

16-686 Minutes of the Board of Adjustment Meeting of June 22, 2016

BOA 16-12 Consider/Discuss/Act on the Request by Sunflower Homes, LLC for a Variance to the Minimum Side Yard at the Corner Setbacks for the Property Located at 1102 Railroad Street

Mike Ripperger, 6951 Virginia, addressed the Board. He advised that they were building affordable housing. They are asking for a 5' variance on the side at corner in an effort to save a very large tree. To comply with current setbacks, the tree would have to be removed.

Board members unanimously approved the motion by Board member Taylor, seconded by Board member Cloutier, to approve 5' variance to the side yard on the corner at the property located at 1102 Railroad Street.

BOA 16-13 Consider/Discuss/Act on the Request by Sunflower Homes, LLC for a Variance to the Minimum Side Yard and the Minimum Side Yard at Corner Setbacks for the Property Located at 717 Rike Street

Mike Ripperger, 6951 Virginia, addressed the Board. He stated that this property has an easement on the east side and it is a pie shaped lot.

They plan to put in cantilevering to make rooms large enough. This explains the need for the 2' variance request on the side yard.

Board members unanimously approved the motion by Board member Cloutier, seconded by Board member Petkovsek, to approve a 13' variance to the side yard at corner setback, and a 2' variance to the side yard for the property located at 717 Rike Street.

Board members unanimously approved the motion by Board member Taylor, seconded by Board member Wilder to adjourn. The meeting adjourned at 5:50 p.m.

SCOTT JACOBY
Vice-Chair

For the purposes of this section, porches and patios shall mean covered, open air recreation spaces which may or may not feature railings and/or low walls (approximately 30" to 40" in height as measured from the finished floor level of the space) to create a sense of enclosure. Covered, open air spaces that feature floor to ceiling walls with or without windows or other openings (example: sun rooms, sun porch, solarium, greenhouse) shall not constitute a porch or patio. The placement of sidewalks and/or steps leading to a porch, patio or similar structure shall not be regulated by this section.
- (4) The mean and median lot size for the neighborhood shall be a minimum of 7,200 square feet.

Garages for these lots (< 50' wide) shall be accessed via alleys adjacent to the rear of the lot. A driveway with a minimum depth of 20 feet shall be provided in front of the rear-entry garage door.
- (7) Rear or corner side-entry garages shall adhere to a 20' building setback in order to accommodate a 20' driveway between the garage door and the alley or street right-of-way.
- (8) The maximum building height may be increased to a maximum height of 75 feet if each building setback is increased by two feet for every foot of increased building height. The maximum building height may be increased to a maximum height of 180 feet if each building setback is increased by two feet for every foot of increased building height and a property zoned or used for residential purposes is not located within 1,000 feet of the subject property.
- (9) If detached single family residential uses are constructed within this zoning district, said uses shall adhere to the space limits governing the "SF5" – Single Family Residential District.
- (10) A minimum building separation of ten feet shall be maintained between dwelling units. If a zero-lot line product is to be constructed, the desired zero lot line side of each lot indented to accommodate such a residential product shall be indicated on an approved record plat, minor plat, minor replat, or amending plat which shall be filed for record with the Collin County Clerk's Office.
