NOVEMBER 20, 2018

The McKinney Economic Development Corporation met in regular session in the Council Chambers, 222 N. Tennessee Street, McKinney, Texas, on November 20, 2018 at 8:00 am.

Board members Present: Chairman Jason Burress, Vice Chairman Paul Merritt, Secretary Brian Loughmiller, Patrick Cloutier, Kenneth Sipiora, Joe Minissale and Michael Jones.

Absent: None

Staff Present: President Peter Tokar, Executive Vice President Abby Liu, Director of Business Retention & Expansion and Emerging Technology John Valencia, Director of Business Development Bruce Coleman, Business Development Specialist Madison Clark, Administrative Assistant Deana Smithee, MEDC Temporary Administrative Assistant Joanne Isom, City Secretary Empress Drane, Councilman Scott Elliott, Mayor George C. Fuller, City Manager Paul Grimes, MEDC Attorney Mark Houser, and Assistant to the City Manager Trevor Minyard.

Chairman Burress called the meeting to order at 8:00 am after determining a quorum present.

18-1000 Chairman Burress called for Board and Liaison Updates. Chairman Burress stated it has been a very busy time. We're doing good work and got a few deals done. I look forward to announcing them.

City of McKinney - City Manager Paul Grimes stated the City of McKinney established a Bond Committee comprised of approximately 35 members in the community to begin evaluating various disciplines throughout the City on capital project needs that would be then considered for a bond complacent to a ballot measure for bond election. We are looking at May of 2019, ultimately it will be up to City Council on when to call an election, what items to include on that bond election, and when they would have the election. The Bond Committee's first meeting was on November 14th and the next meeting will be November 27th.

There will be two more meetings, one in December and one in January. The committee will then report their recommendations to City Council. By early February City Council has to act for a May election. The city is growing and we can't serve a city of 184,000 soon to be 250,000 in the coming decade with the existing facilities. The Christmas tree lighting ceremony is this Friday, November 23rd at 8:45 pm at the Performing Arts Center. The 2020 U.S. Census is coming. We are working with the U.S. Census Bureau to ensure we get everyone counted. It is imperative to count how many people are here because that's what avails us to services, grants, representation and all of the above. Mr. Grimes concluded by thanking all of those who will be working on Thanksgiving. Their dedication and service to the community is appreciated.

<u>Chamber of Commerce</u> - Chamber President Lisa Hermes reported we are at the end of our three year strategic plan. Our board has been working diligently on the draft for the next 3 years. We are also gearing up for legislative session that will begin in January. We are finalizing our legislative agenda and will ask our board to approve the joint legislative agenda that City Council recently approved. There will be a Legislative Preview Breakfast with Chris Wallace who is the President of the North Texas Commission. He is very connected in Austin and will provide some valuable information. The Chamber is working with the McKinney Convention and Visitors Bureau and the McKinney ISD preparing to host the NCAA Division II Championship Football Game. Our Holiday Open House will be held at the Chamber office on December 6th, stop by if your schedule permits.

18-1001 Chairman Burress called for the Consideration/Discussion of the MEDC

Staff Monthly Report. MEDC President Peter Tokar added a few announcements outside of his Organizational report that was submitted.

The MEDC Holiday party will be held at the Guitar Sanctuary on

December 6th from 6:00 pm - 9:00 pm. Also, on November 28th the MEDC will host a Community Meet and Greet at 4:00 pm. President Tokar reported the Chamber's last Development Breakfast of the year will be on December 11th from 7:30 am - 9:00 am. I'll be joining Paul Bettner from Playful and giving a development update. Chairman Burress asked President Tokar about his trip to Spain. President Tokar reported, I attended the Smart City World Congress, the world's largest conference on Smart Cities for new technology and how to become a Smart City. I learned best practices from other cities around the world who are implementing new technologies. Smart City is a brand not something you achieve. Smart Cities are those that use technology in the latest infrastructure improvements to enhance the quality of life for citizens, residents, and businesses. I will put a formalized report together and provide it to the board and partners.

Chairman Burress addressed Business Development Specialist Clark and asked her about the Oklahoma University Economic Development Institute training she completed. Clark stated it was 120 hour course in which I received a certificate from the Oklahoma Economic Development Institute. This certificate will allow me to sit for the Certified Economic Development credentials which I plan to do in 2019.

18-1002

Chairman Burress called for the Consideration/Discussion/Action on September Financials. Assistant to the City Manager Trevor Minyard reported on behalf of Chief Financial Officer Mark Holloway. End of year sales tax was up roughly \$850,000 in collections and this trend stayed the same for the rest of the city as well. The city at large received \$3.4 million more sales tax than it did last year. Board members unanimously approved the motion by Vice Chairman Merritt, seconded by Secretary Loughmiller, to approve September Financials.

18-1003 Chairman Burress called for the McKinney Technology Center Update.President & CEO of Vazata Lance Black reported on the progress of the

McKinney Technology Center. Mr. Black stated they are about two weeks away from completion. They plan to have a kickoff party after the holidays and possibly a field trip after the next board meeting to tour the center. Once completed there will be about 35 offices and 100 hotel desk space. The concept is a small business owner/ entrepreneur that is currently working out of their home traveling to Dallas can move in and become a member of the McKinney Technology Center. There are 3 conference rooms, video conference rooms, training areas, a professional reception area, and a kitchen area suitable for events. We have hired a third party vendor to handle social media marketing. Cassidy with Community IMPACT is doing an article in December in timing with the kick off. We've signed 3 new tenants, we're excited about the early success we've had and we think it will continue on. Board Member Cloutier asked about the cost of Membership and if pricing is published. Pricing has not been published and depending on needs pricing may range from \$300 to \$7,500.

Cotton Groves Project

Celeste Cox, CEO of Habitat for Humanity of Collin County provided an update on the project to the MCDC board at the November meeting. The Training Center (model townhome) for the Cotton Groves container home project will be located in the parking lot of Habitat's ReStore at 2050 Couch Drive by mid-January. Habitat released an RFP to identify funding sources for interim construction and financing. Five banks are under consideration by the Habitat board. It is anticipated that infrastructure work will begin at the Cotton Groves site in the spring. Total capital required for the project is \$6 million. As of mid-November 21%, \$1.6 million, has been raised.

The Cotton Groves community will include 35 townhomes, an amenity center and open space features. Units will be a combination of three, four and five bedroom homes. Square footage

will range from 1,280 to 1,500 square feet. The cost to Habitat to construct a unit is approximatley \$130,000 including infrastructure costs.

All units will have a 45-year deed restriction on them to ensure the units remain available as affordable housing long-term.

A floor plan for a three bedroom unit (also the model that will be used for the training center) is attached.

Residents in all 86 units at Merritt were successfully relocated in the fall, which allowed demo of the existing properties and work to begin on infrastructure.

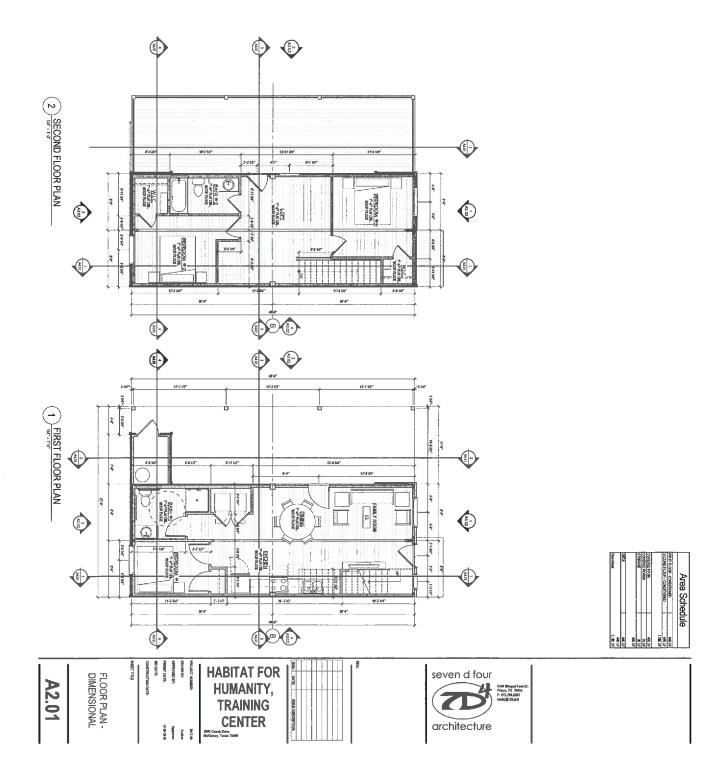

Once complete, the new Merritt Homes Community will include 136 homes, a facility for on-site job training and after-school care for children who reside there.

A schematic of the multi-family townhomes appears below.

McKinney Economic Development Corporation December 2018 Organizational Report

Peter Tokar MEDC President

MEDC Board of Directors,

I want to take a moment to say Happy Holidays to the board. Regardless of the holiday that you celebrate, I wish you all a time of laughter, fun and togetherness with family and friends throughout the entire holiday season and into the New Year!

We are BUSY! Like I mentioned last month, the end of the year has always held twists and surprises for me in my economic development career. The end of 2018 is proving to be no different. We have some interesting projects that have come our way and it is a reality that we will be announcing at least two projects in Q1 of 2019. I have my board lunched scheduled with most of you before the end of the year, but I will be scheduling the remainder of them for January, so if you have not heard from me yet, stay tuned.

As always, please feel free to reach out to me at any time.

-Peter

President's Report:

A. Annual KPI's and Performance Scorecard

 Staff completed our Annual KPI's (attached to board documents) and performance scorecard. While what we submitted met the requirement for reporting. We are redefining our KPI's for the new year to be consistent with traditional KPI's and not just metrics. The way the metrics were determined previously does not reflect actual organizational performance and does not give an accurate representation of the work the MEDC has done. The new KPI's will be more clear and measurable.

B. Staffing

• I plan to have a new staffing chart completed by years end to start looking at filling some positions we need. I have completed the final interviews for the Social Media and Marketing Manager position that will be provided to us in our

Marketing contract and am deliberating on the final selection. The new marketing individual will start the first of the year.

C. Events

- We had a very successful meet and greet with the new MEDC President at the Sheraton hotel on Nov 28. Roughly 50-60 citizens came out to meet the new MEDC President, Chairman Buress gave remarks and the event was a success.
- 50 + people attended the MEDC Annual Holiday celebration held on December 6 at the Guitar Sanctuary. A special THANK YOU to Mayor Fuller for letting us use the facility and to City Attorney Mark Houser for his sponsorship of the event as well.

D. New Business Attraction – Projects (RFP Received: 1, Responded to: 1)

- Project Elsa New project focused on Southgate as a potential site.
- Project Cyber A corporate relocation project lead that is looking at McKinney as a potential destination to relocate their HQ to.
- Project Sunny Hosted a meeting with Assistant City Manager Barry Shelton on November 27 to discuss the drainage issues with Project Sunny's engineering team and broker to facilitate the potential challenges. The sale of MEDC threeacre land to Project Sunny was successfully closed on December 6.
- Project Empire Worked with GIS staff to prepare the competitor city's map and analysis for Project Empire. Will join Project Empire Internal Meeting on December 13.
- Project Todd Followed up with KDC for Project Todd current status on December 12.
 - Project Cloud Continue working with President Tokar and prepared the Executive Session agenda item to be presented at MEDC Board Meeting on December 18.
- Project Switzerland Set a meeting with Project Switzerland executives to introduce President Tokar and explore Project Switzerland's development current interests in McKinney. Project Switzerland's McKinney visit is scheduled in January.

E. Marketing / Communications

• The 2019 BISNOW event is slated to be in the last two weeks of March 2019. The MEDC will be the main sponsor of the event again and we hope to showcase our new marketing initiative and strategy at the event. We will also be features in 2 BISNOW publications called the "Neighborhood Reports" that will focus on the development that is happening in McKinney.

We are underway with our new marketing campaign with Centipede Digital. We
met with CEO Tom Morganelli to discuss layout for the new website which will
be under the URL www.uniquemckinney.com. We are excited at the new
direction and the new website will be a great tool for aiding in business
recruitment and community exposure.

F. Business Retention & Expansion

- Tong Yang Group (TYG) Worked with TYG President and set a private TYG Tour and Lunch to meet/welcome City Council Member and MEDC Board members on January 31.
- Hisun Attended a meeting with President Sun and Finance Manager You to discuss the November Board decision on Hisun Loan Agreement compliance and assisted the executives for the clarification of the Agreement and Compliance on November 30.

- Staff continued to provide tours to various managers and their spouses from
 Project Tahiti during the reporting period. The company is located in Southern
 California and is proposing a relocation of their corporate headquarters, research
 and development, manufacturing and distribution operations to McKinney or a
 city in Tennessee. The local developer for Project Tahiti provided a detailed
 presentation package in early December to the Project Tahiti CEO for their
 Board's decision. This package included information from the MEDC about

 projects in McKinney, I also contacted those office developers to see the status
 of their efforts with this company. No new update.

The 3-acre land has been an undesirable piece in the past MEDC-owned 13-acre potential land sale negotiations. It was successfully sold at \$3.25/psf (market price) to WSD at the total sale price of \$434,000. MEDC provided no incentive for this land transaction. The deal was closed on December 6 and MEDC was funded on the same day.
