#### MCKINNEY COMMUNITY DEVELOPMENT CORPORATION

#### **JULY 25, 2019**

The McKinney Community Development Corporation met in regular session in the Council Chambers, 222 N. Tennessee Street, McKinney, Texas, on July 25, 2019 at 8:00 a.m.

Board members Present: Chairman Kurt Kuehn, Vice Chairman Dave Clarke, Secretary Jackie Brewer, Treasurer Rick Glew and Board members Mary Barnes-Tilley and Kathryn McGill.

Absent: Board member Angela Richardson-Woods.

City Council Members Present: Scott Elliott and Frederick Frazier.

Staff Present: MCDC President Cindy Schneible; Assistant City Manager Barry Shelton; Director of Parks and Recreation Michael Kowski; Assistant Director of Parks and Recreation Ryan Mullins; Chief Financial Officer Mark Holloway; MPAC/Main Street Director Amy Rosenthal; MCVB Sales Manager Vanesa Rhodes; Parks Planning and Development Manager Jenny Baker; Parks Planning Manager Jill Yount; and MCDC Administrative and Marketing Coordinator Linda Jones.

There were several guests present.

Chairman Kuehn called the meeting to order at 8:00 a.m. after determining a quorum of the Board was present.

19-0605 Chairman Kuehn called for action on the minutes of the McKinney Community Development Corporation Meeting of June 27, 2019. Board members unanimously approved a motion by Treasurer Glew, seconded by Secretary Brewer, to approve the minutes of the McKinney Community Development Corporation Meeting of June 27, 2019.

19-0606 Chairman Kuehn called for action on the minutes of the McKinney
Community Development Corporation Promotional and Community
Events Grant Subcommittee Meeting of July 16, 2019. Board members
unanimously approved a motion by Board member Barnes-Tilley,

seconded by Secretary Brewer, to approve the minutes of the McKinney Community Development Corporation Promotional and Community Events Grant Subcommittee Meeting of July 16, 2019.

19-0604

Chairman Kuehn called for the Financial Report. Mark Holloway, City of McKinney Chief Financial Officer, called attention to the June financials. June had revenues of about \$1.3 million with expenses of \$560,000, improving MCDC's net position by about \$730,000 for the month. For the year, MCDC's net position has increased by about \$9 million. He added that there are a number of large outstanding projects to be paid out over time as they come in, but the budget allows for those. The June sales tax report indicates that April tax collections were up about 16% over the same month last year, most of which was due to an audit correction, which does not change the projections going forward. Year-to-date tax collections are up 5.8% over last year's collections, which is higher than the 4.6% goal. Mr. Holloway asked for questions, and there were none. Mr. Holloway added that City of McKinney Financial Analyst Chance Miller's role has changed, and he will be presenting to the Board more often. Chairman Kuehn called for discussion on the Checks Issued report, and there was none.

19-0607

Chairman Kuehn called for Board and Liaison Updates.

City of McKinney. Assistant City Manager Barry Shelton stated that City Manager Paul Grimes is in Washington, DC meeting with Congressional members and federal regulators regarding matters that affect McKinney including issues surrounding the airport. Airport construction is ongoing. The common hanger is complete and being leased out, and the terminal has been delayed but is moving forward. He reported that zoning and subdivision ordinances have not been fully updated since the 1980s, and the City has hired Clarion and Associates who specialize in rewriting municipal codes. The process has been started and will take 18 to 24

months. Mr. Shelton added that construction at the John and Judy Gay Library is underway and includes adding a teen room, a toddler room, more shelf space, and fixing geothermal wells. The estimated completion time for the library is late summer 2020. Mr. Shelton asked for questions, and Chairman Kuehn asked for clarification on changes expected on ordinances. Mr. Shelton clarified that overall the City standards are good, but the ordinances need to be rewritten to provide more clarity and readability. He added that there will be some changes to standards, including likely consolidating some zoning districts and potentially updating the development processes to provide better understanding and address inefficiencies in the current process.

McKinney Convention and Visitors Bureau. MCVB Sales Manager Vanesa Rhodes stated that the MCVB is changing its branding to Visit McKinney. She thanked the MEDC and the Chamber of Commerce for coming alongside the MCVB on joint sales calls. McKinney is currently hosting the Texas AgriLife Extension and will be hosting the Texas Christmas Tree Growers Association at the end of the month. Ms. Rhodes reported that they've now been using the SEM program (Search Engine Marketing) for two months. This program helps boost ratings through Google ads and keywords, and the MCVB is already seeing benefits from the program. Ms. Rhodes announced that during Oktoberfest, they will doing a McKinney to Munich VIP Tour contest in conjunction with Hofbräu beer. She asked the Board to consider volunteering in that booth during Oktoberfest. Ms. Rhodes announced that they have hired a new staff member, Sabine Smith. Ms. Rhodes asked for questions or comments. Treasurer Glew complimented the MCVB on its brand change to Visit McKinney. Chairman Kuehn congratulated Ms. Rhodes on her selection to Leadership McKinney.

McKinney Economic Development Corporation. President Schneible reported that Peter Tokar and Abby Liu are both in Taiwan, but reminded the Board that an MEDC report is attached to the agenda for their review.

McKinney Main Street/MPAC. Main Street/MPAC Amy Rosenthal announced that Elvis Impersonator Kraig Parker's performance will include a costume contest, trivia, and the North Texas Tap Dancing Grannies as ushers. She reported that the valet service is busy with 300 to 350 cars per weekend utilizing the service, and they will be presenting a report to City Council on August 20 which is the next step in determining how to proceed with these services. On August 24, The Peterson Brothers, a blues group from Austin, will be performing at MPAC. Ms. Rosenthal asked for questions, and there were none.

19-0608

Chairman Kuehn called for the President's Report. President Schneible asked the Board to review the attachments. She specifically reminded the Board to make sure their attendance at events funded by a Promotional and Community Event grant is current on the Grant Promotions spreadsheet. She called attention to the new Social Media Metrics report that will show results of our marketing efforts on social media. Ms. Schneible added that the Retail Development Infrastructure Grant deadline is July 31, and she has talked with several downtown businesses about possible grant submissions. Chairman Kuehn complimented Linda Jones on her promotions of our grant recipient events. President Schneible addressed the Board's previous discussions on whether or not the west side of McKinney participates in downtown events, and shared that The Retail Coach cell phone analysis indicates that the west side of McKinney is the strongest participating area for downtown McKinney events.

19-0609

Conduct a Public Hearing and Consider/Discuss/Act on a Request for Funding, Submitted by the City of McKinney Parks and Recreation

Department (#19-10), in the Amount \$5,500,000 for Park and Facility Redevelopment and Improvements; Design and Construction of Various Parks; Facilities, Equipment and Trail Projects. Director of Parks and Recreation Michael Kowski provided an update on projects from this year including the opening of the All-Abilities Playground at Bonnie Wenk Park. George Webb Park includes an interactive water feature and will open this year. The grand opening event will be set once the park is complete. The Courts of McKinney expansion project is a \$9 million project that includes new courts, playground equipment, pavilions, maintenance satellite facility, parking, public restrooms and trails, and the grand opening will be this year. The future park plans include six indoor courts with classrooms and restrooms. With respect to the indoor tennis facility, Mr. Kowski reminded the Board of previously secured funding including the \$700,000 grant from Texas Parks and Wildlife, \$1 million in private equity and \$2 million from developer contributions to the Parkland Dedication Fund. He shared with the Board that the Finch Park project (partially funded by MCDC) will begin this fall and will add more trails and pavilions, improve tennis and pickle ball courts, and add a story walk in partnership with the library. Pickle ball is popular at Finch Park, with players managing all aspects themselves, and the goal is to add more pickle ball courts to the parks system. Mr. Kowski reminded that Board that the bond package approved a new senior recreation center, but that the current center will remain in the parks system so improvements are needed including ADA improvements and additional square footage. They are still considering whether to complete this work in phases keeping the center open or to close the center for a short period of time to complete the work quicker and more cost effectively. Chairman Kuehn inquired about the use of the building once the new facility is built. Mr. Kowski responded that some possibilities include using it as a maintenance facility or for smaller community gatherings.

Mr. Kowski updated the Board on the Cottonwood Park redevelopment (\$2,150,000 MCDC grant) stating that the project is fully designed and should be under construction beginning this year. Located close to Newsome Homes and The Cotton Mill, this is one of the oldest city parks, and the plan for the rebuild is for it to be similar to Klyde Warren Park in Dallas with a hub for food trucks. Estimated opening is Fall 2020. Old Settlers Recreation Center is now a \$4,300,000 project and is currently under construction for a total redesign, expansion and rebrand. Completion for Old Settlers is Summer 2020. The Juanita Maxfield Aquatic Center (JMAC) pool off of Highway 5 has been refreshed and includes a new shade structure and a poolside rock climbing wall. This project was about \$175,000. Upgrades to Oak Hollow Golf Course were \$150,000, improving the first and last impressions. Estimated completion for Oak Hollow improvements is Fall 2019. Mr. Kowski presented plans for projects for this \$5.5 million grant request:

- Cottonwood Park redevelopment (\$875,000);
- Old Settlers architectural consulting and improvements to the aquatics center (\$1,500,000);
- Al Ruschhaupt improvements including additional lighting and new restrooms (\$1,000,000);
- JMAC improvements (\$250,000) including restrooms and office space;
- Parks Master Plan (\$200,000) update;
- Oak Hollow (\$150,000) for ongoing upgrades;
- Finch Park Phase V Renovations (\$150,000) including architectural design for plans of splash pad and playground equipment;
- Community Center Renovations (\$125,000) including outdoor patio;

- Parks Accessibility (\$100,000) including upgrades needed to meet ADA standards with new renovations; and
- Parks Umbrella (\$1,150,000) to hire architects for bond package projects including the Towne Lake legacy project and potentially purchasing a bus for Parks and Rec field trips which would have MCDC branding if paid for by MCDC.

Chairman Kuehn asked about the possibility of redesigning Finch Park to take advantage of the shade trees there for larger festivals, and Mr. Kowski clarified that this is being looked at in addition to parking, signage and trail connections to Towne Lake. He added that Finch Park is designated as a park that allows alcohol, so it has been identified as a festival park. Chairman Kuehn also asked about the partnership with McKinney Garden Club for Finch Park, and Mr. Kowski said that the club will retain their current garden area, and benches and pavilions will be installed near that area. Treasurer Glew asked about the funding and status for the signage project. Mr. Kowski replied that the signage project would include a separate request for funding from MCDC, and before a decision is made to move forward, he would present options to the Board. Secretary Brewer asked about monument signs at the parks, and Mr. Kowski stated they will be doing a video series highlighting the history of those who have parks named for them. He added that they would consider renaming parks not named after individuals like Cottonwood. Chairman Kuehn, Secretary Brewer, Treasurer Glew and Board members Barnes-Tilley and McGill all spoke in support of a new bus. Chairman Kuehn complimented Mr. Kowski and the Parks staff on the quality job they do. Chairman Kuehn asked for public comments. MCVB Director Guerra spoke in favor of the new bus. Main Street Director Amy Rosenthal asked about keeping the trolley for downtown events, and Mr. Kowski clarified that the new bus would be for longer trips and the trolley would stay available for downtown and Chestnut Square tours. Heritage

Guild Director Jaymie Pedigo added that anything larger than the trolley would have trouble maneuvering the turns in the downtown area. Chairman Kuehn stated that the public hearing will remain open until the next MCDC Board meeting on August 22.

19-0610

Conduct a Public Hearing and Consider/Discuss/Act on a Request for Funding, Submitted by McKinney Main Street (#19-11), in an Amount Not to Exceed \$60,000 for Three Neon Signs to Help Identify the Historic Downtown McKinney Cultural District and Highlight Parking. Amount Requested is 60% of Total Estimated Project Cost. MPAC/Main Street Director Amy Rosenthal stated that Main Street has over 120 businesses including a boutique hotel; over 30 restaurants, bars and coffee shops; and 15 arts and cultural venues within the Cultural District. The Cultural District hosts over 700,000 individuals each year. Ms. Rosenthal presented their goal to add some neon signs to the Cultural District, stating that neon signs are unique works of art that serve as a connection to the past, invoke memories, serve as a tribute to locally-owned businesses, and stand out as icons of commerce and entertainment. This grant request would allow for the installation of three neon signs in the Historic Downtown McKinney Cultural District: a roof mounted sign on top of the new parking garage, a directional blade sign pointing the way to parking, and a pole mounted sign as you enter downtown on Louisiana Street. The signs would add nostalgia while identifying the district and serving as photo backdrops. Metrics for measuring the economic benefit of these signs will include custom hashtags and sales tax numbers. The plan is to unveil the signs during the 2019 Home for the Holidays event with marketing through media releases and social media. Ms. Rosenthal credited Aaron Werner for the video presentation. Treasurer Glew complimented Ms. Rosenthal on the idea and historical significance of adding neon to the area. Mr. Glew encouraged Ms. Rosenthal to

investigate the possibility of placing the signs on a building with enough height to make them more visible from Highway 5. Board member McGill praised the design of the signs. Chairman Kuehn and Vice Chairman Clarke both spoke to the issue of making sure the signage is visible and calls direct attention to the parking garage. Board member McGill asked if they are considering additional street signage, and Ms. Rosenthal stated that the City has recently installed more directional signage along downtown streets. Chairman Kuehn asked about maintenance of the signs including lights going out, and Ms. Rosenthal replied that the sign designer addresses these issues as well as hail and other damage. This Public Hearing will remain open until the August Board meeting.

19-0611

Conduct a Public Hearing and Consider/Discuss/Act on a Request for Funding, Submitted by Boys and Girls Club of Collin County (#19-12), in the Amount of \$135,000 for the Replacement of the Gym Floor, Replacement of Gym Padding Panels, and Purchase and Installation of Retractable Bleachers at the McKinney Club, Located at 701 S. Church Street, McKinney, Texas. Amount Requested is 100% of Estimated Project Cost. Boys and Girls Club Chief Development Officer Liliana Rogers stated that this national organization has 4,000 clubs and serves over 4,000,000 kids, and they have been in Collin County for over 50 years. They are strategically located in lower income areas, offering a safe place for school age kids to learn and grow. The three Collin County facilities serve 3,266 kids in the after school program and an additional 6,000+ kids through outreach into the schools and community. Their programs include character and leadership, education and career development, health and lifestyle skills, the arts, sports, fitness and recreation. They are successful with 100% of seniors moving on to twoyear or four-year universities or military service, 100% underclassmen moving to the next grade level, and zero kids in the juvenile justice

system. The McKinney Club specifically has 936 members and has seen a 68% increase in membership from 2010-2018. They pick up from nineteen schools. She stated that McKinney Club is fiscally sound, and 82% of each dollar goes towards programming. CEO Mike Simpson informed the Board that the McKinney building is 45 years old and the gym is more than 20 years old. He thanked the MCDC for grants received in the past making major improvements and additions possible including education rooms, the Teen Center, sports court, playground, new roof and recreational equipment. Mr. Simpson stated that they are requesting \$85,000 to replace the gym floor with hardwood, as the current gym floor has experienced water damage and heavy wear and tear. In addition, they are requesting \$28,000 for the purchase and installation of retractable bleachers to replace old metal seats that are not retractable. The final two pieces of this grant request are for new wall paneling for \$3,500 and a gym divider curtain for \$19,000. He emphasized that the McKinney gym is used for all Collin County league games. They are requesting a total of \$135,500 based on initial estimates, but their goal would be to get the work done for less. He added that the gym is used for big community events and that Cornerstone Christian Academy uses the gym as well. He added that they are hoping to bring in other tournaments and possibly open the gym for pickle ball during the school day. Treasurer Glew commented that he has toured the club and is inspired by all they do to serve the community. Chairman Kuehn inquired as to whether or not they have contacted the Mavericks Basketball team to explore the possibility for funding for the gym floor. Mr. Simpson stated that the Mavericks have helped the Boys and Girls Clubs in the past, and there are some county-wide projects that they may be seeking help from the Mavericks to fund. Chairman Kuehn thanked them for the huge impact they make in our community. Board member McGill encouraged them to investigate the possibility of a matching grant that might multiply some of the funds they receive. Mr. Kuehn added that the Ponder Company installs floors in the PSA facilities as test floors, so there may be an opportunity to receive a test floor at a lower cost. Mr. Simpson added that they will be meeting with other potential funding groups. He added that expansion and improvement must happen and that they are currently only serving 6% of the Collin County students who are on the free or reduced lunch program, so the opportunity for growth is huge. Board member McGill thanked them for their labor of love and added that she recognizes the challenge to sustain the funding required to cover the needs. Mr. Simpson added that they are privileged that their facility overlooks Finch Park, and he appreciates the working relationship they have with McKinney Parks Department. Treasurer Glew asked about the possibility to break up the grant into components such that part of this request could be addressed in a later grant cycle if MCDC doesn't award the full request and other funding sources aren't made available. Mr. Simpson stated that the biggest goal is to get the floor done over the Christmas school break, so they need to start talking with companies and scheduling that piece of the project soon. Chairman Kuehn and Treasurer Glew both acknowledged again the value that Boys and Girls Clubs bring to our community. This Public Hearing will remain open until the August Board meeting.

Chairman Kuehn thanked Vice Chairman Clarke and the Promotional and Community Events Grant subcommittee for their diligence in reviewing the details of the grant applications presented at the Board meeting on June 27. Subcommittee members are Vice Chairman Clarke and Board members Barnes-Tilley and McGill.

19-0612 Vice Chairman Clarke called for consideration/discussion/action on a Promotional and Community Event Grant application submitted by The Heritage Guild of Collin County (PC #19-09) in the amount of \$12,500 for the advertising, marketing and promotion of the Historic McKinney Farmers Market, Legends of McKinney Ghost Walk, Murder Mystery production and the 2019 Holiday Home Tour. # McKinney Economic Development Corporation August 2019 Organizational Report

Peter Tokar MEDC President

#### MEDC Board of Directors,

The "What is Happening on 121" BISNOW event held at the Delta Hotel and Convention center in Allen was a great event. We showcased out new MEDC trade show booth which was a big hit at the event. Our new logo and image was well received as well. Our efforts with rebranding is starting to be noticed out in the market, which is exactly the result we are looking for. As we continue to improve organization wide, we will continue to see an increased impact McKinney will have in the region and nationwide.

-Peter

#### **President's Report:**

#### A. Organizational Updates

- Technology Infrastructure Update: Michael DePaola will be presenting his strategic plan of action at the August meeting. Please reference his presentation in the backup information. In addition, Mike is working in conjunction with the City of McKinney 5G committee to review the submissions for a City 5G consultant.
- **High Performance Organization Training:** I am attending the LEAD program at the University of Virginia as part of our city wide High Performance Organization initiative at the end of the month. All city executive leadership is completing this course as part of the HPO initiative set in place by City Manager Paul Grimes.
- Taiwan Trade Mission: Staff attended Taiwan Business Mission on July 23-25. MEDC has worked with US Commercial Services staff at America Institute in Taiwan (the official US State/Commerce Department agency in Taiwan) to structure the new business attraction prospects in this mission.
- Marketing Automation Training: The entire staff completed trading on our new marketing automation platform with Centipede Digital. The new platform will host all of our outbound marketing campaigns, email campaigns and lead tracking for the organization.

TRAIN DISPLAY

Thank you for your support. Without MCDC funding, the HGCC advertising budget would be half (or less). Not only do the promotions bring people to Chestnut Square (and McKinney), the funding supports local business in the media industry – neighborhood magazines, 2 local newspapers, a print shop and local radio.

McKinney Community Development Corporation c\o: Cindy Schneible 5900 S. Lake Forest Dr., Ste 110 McKinney, TX 75070

Dear Cindy,

On behalf of McKinney Main Street, I would like to take this opportunity to thank you and the McKinney Community Development Board of Directors for granting our request of \$15,000 for promotional support of spring/summer 2019 activities in the Historic Downtown McKinney Cultural District.

The purpose of this document is to submit Cultural District advertising and promotional invoices to MCDC. This investment helps launch branding and recognition of the district to attract visitors and support efforts of our cultural entities and businesses in Downtown McKinney.

Thank you and your board of directors for your continued support with McKinney Main Street. This generous investment is greatly appreciated.

Sincerely,

Amy Rosenthal

#### 2<sup>nd</sup> Annual McKinney Star-Spangled Salsa Fest Final Report

McKinney's 2<sup>nd</sup> Annual Star-Spangled Salsa Fest benefitting the Community Garden Kitchen of Collin County fulfilled it's 2019 Strategic Goals and Objectives. The 2019 Salsa Fest McKinney Committee produced a community-wide event that brought residents and visitors together to celebrate Independence Day while creating an opportunity to share awareness of hunger and nutritional issues directly impacting many members of the McKinney community. Upon arrival, guests were greeted by members of the Community Garden Kitchen of Collin County Team, members of the McKinney Hunger-Free Coalition, and RBFCU, each sharing information and volunteer opportunities regarding hunger and nutritional issues impacting our community. Additionally, each guest was provided with a reusable shopping bag, courtesy of the Texas Department of Agriculture GOTEXAN program. Each bag contained literature sharing information pertaining to hunger/nutritional issues, and summer feeding programs, as well as beneficial community information provided by MCDC, MCVB and the Texas Department of Agriculture. This event created an opportunity for all involved to address and play a significant role in the reduction of food insecurity in our community, aligning to MCDC's goal of meeting citizen needs for quality of life improvements.

By all accounts, the 2019 RBFCU Star-Spangled Salsa Fest presented by Bernard's Gourmet Foods and benefitting Community Garden Kitchen of Collin County was a success. Residents and visitors enjoyed a family-friendly, safe and fun way to celebrate Independence Day. This event took place after the morning downtown parade and prior to the evening fireworks display. Guests, Vendors, Partners and Beneficiary agree that this year's event met and exceeded all expectations. Those who attended last year's successful festival also shared that this year's event was even better.

#### Using the outline below, provide a written narrative no longer than 7 pages in length:

#### I. Applying Organization

The Parks and Recreation Department has over 500 employees which includes full time, seasonal and part time. We are the largest department in the City. We also utilize hundreds of volunteers annually to provide parks and recreation services to our residents.

Our department manages over 2,300 acres of parkland in addition to over 200 acres of several city facilities, streets, medians and public rights of way. With this fiscal year budget request we are requesting an additional four maintenance personnel as needed to upgrade the level of maintenance currently provided. The added staff are part of a 5 year catch up plan. This is the 5<sup>th</sup> year of that plan. All future capital projects will be maintained with general fund budgets. The funding for maintenance and operation of all projects included in the PROS 10 year capital improvement plan have been included in the general fund 10 year financial forecast. We are also requesting two new parks planners to assist with implementing our Parks CIP program.

The Parks Master Plan has been a guiding influence on the preparation of our 10 year CIP. The Plan includes recommendations for growth within our parks and trail system that is based on community input received during the creation of the plan including a statistically valid survey.

These proposed projects that we are requesting funding for will provide much needed renovations and redevelopment in aging areas as well as continued expansion of our current parks system. These projects help to fulfill the vision of the City Council and the Parks, Recreation and Open Space Board.

#### **Parks Board Vision**

Develop a City that is truly "Unique by Nature" that allows development to occur in a manner that is harmonious with the natural environment maximizes the ability to generate revenues for City operations, minimizes the demand on city resources, provides the greatest benefit to the entire community; and results in a balanced community with a high quality of living in a safe and beautiful environment.

#### **Goals and Relationship to Council Goals and Strategies**

#### **Direction for Strategic Growth**

Implement the 2017 Parks, Recreation, Open Space, Trails and Streetscape Master Plan to address the expressed interest of our residents; identify areas of deficit; consider other plans and/or planning activities; and create a strategy for addressing growth in a comprehensive and responsive manner.

Inventory, evaluate and fund needed repairs and upgrades to existing facilities and parks.

Identify trails and implement development of them in a manner that maximizes connectivity both locally and regionally.

#### **Enhance the Quality of Life in McKinney**

Develop parks strategy to preserve green space for future parkland

Create affordable recreational and cultural arts activities for all ages throughout the city.

#### **Operational Excellence**

Provide and keep current rules and regulations that enhance the departmental operations as well as the user experience.

Develop policy and support development of the City in a manner that provides the greatest long term benefit to the entire community.

Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project for which funds are requested.

#### II. Project

- Outline details of the Project for which funds are requested. Include information regarding scope, goals, objectives, end user.
- Describe how the proposed Project fulfills strategic goals and objectives for your organization and benefits the McKinney community.
- Please also include planned support activities, timeframe/schedule, and estimated use and admission fees if applicable.
- Include the location for Project.
- Provide a timeline for the Project from design to completion.
- Will the project be competitively bid?
- Are there plans for growth/expansion in future years?

**Cottonwood Park** – this is a renovation of an outdated neighborhood park and will include a new pavilion, playground equipment, sport court, parking, splash pad and landscaping. The project is under design and construction is anticipated to begin this fall. The requested funds will provide additional construction money needed.

**Old Settler's Aquatic and Park Renovation** – this is a renovation of an outdated park and aquatic center. The renovations include adding a new pavilion, play equipment and covered basketball court, restroom upgrades, addressing ADA issues, etc. The requested funds will provide funds for design and partial construction money.

**Parks Projects Umbrella** – this project will allow staff to utilize funding not designated for a specific project for such things like consultant studies to assist in implementing the newly approved bond program.

**Oak Hollow Upgrades** – this project will provide much needed upgrades to the golf course and includes putting green reconstruction, pavilion enclosure, replacement of irrigation heads, etc. The requested funds will cover these upgrades.

**JMAC Improvements** – the requested funds will allow the construction of a sand volleyball court, rock climbing wall and upgrades to the existing restrooms.

**Parks Accessibility** – this funding will allow for continuous monitoring and addressing ADA issues across the City.

**Al Ruschhaupt Renovation** – this renovation will include complete restroom replacements, field upgrades, new sports lighting and playground equipment. The requested funds will allow for design and partial construction funding.

**Community Center Renovation** – this includes constructing a storage room and digital signage. The requested funding will cover this renovation.

**Finch Park Phase V** – trails, court improvements and pavilions are currently being added to Finch. The existing play equipment and splash pad are outdated and undersized. This project will allow for complete replacement of the outdated play equipment and splash pad that will be more appropriate in size and scope for this community park. The funds will be for design only.

**Parks Master Plan** – an update is needed to be consistent with the parkland dedication ordinance that is currently being amended.

**DEPARTMENT:** McKinney Community Development Corporation

**CONTACT:** Cindy Schneible, President

#### **ITEM SUMMARY:**

- McKinney Main Street is requesting a grant, in an amount not to exceed \$60,000 for the three neon signs to help identify the Historic Downtown McKinney Cultural District and highlight public parking.
- The proposed signs will take inspiration from original signs hanging in the district in the 1940's and 1950's.
- McKinney's Cultural District neon signs will reinforce the district as a destination with vibrant night life, help establish sense of place, and provide a unique attraction for visitors.

#### **BACKGROUND INFORMATION:**

- The Historic Downtown Cultural District has been the heart of the community since 1848.
- The District attracts citizens and visitors for shopping, dining and arts through a variety of independently-owned shops and restaurants; events like McKinney Oktoberfest, Arts in Bloom and the July 4<sup>th</sup> Hometown Parade; and through strong support and preservation of the historic features that influence economic vitality.
- The District is home to more than 120 independently owned businesses; a creative community that helps shape the look and feel of the area; and

acclaimed chefs and restaurants that have created a food destination.

#### **FINANCIAL SUMMARY:**

• Total project cost is estimated at \$100,000. If approved, the MCDC funds will provide a match to a grant from Texas Commission on the Arts.

### MCDC PROJECT GRANT APPLICATION – JUNE 2019 DOWNTOWN NEON SIGNS

The Historic Downtown McKinney Cultural District (HDMCD) has been the heart of the community since 1848. It is lovable, durable, walkable, adaptable - and thus it is sustainable.

### **Economically Vital:**

The HDMCD attracts citizens and visitors for shopping, dining and arts through a variety of independently-owned shops and

restaurants; through events like McKinney Oktoberfest, Arts in Bloom and the July 4th Hometown Parade; and through strong support and preservation of the historic features that influence economic vitality.

### The HDMCD is McKinney's Identity:

This emphasis on authentic form, activities and character cannot be reproduced. HDMCD is McKinney's identity, and it is the city's primary attraction. The HDMCD is a nexus where the community gathers for inspiration, celebration and commemoration.

### A Unique Destination for Visitors:

The HDMCD is a vibrant district with over 120 independently-owned businesses. Generations have shopped, worked, lived and celebrated life's milestones in the same buildings that today make up the lively downtown. It's still a place to gather, with its sophisticated charm, eclectic shopping and rising culinary scene.

Visitor accommodations include The Grand, a boutique hotel located in the heart of downtown, or there is a variety of B&Bs in the neighboring residential historic district.

### **Dining- and Entertainment-Friendly:**

The HDMCD continues to develop its reputation as a food destination with acclaimed chefs and restaurants. Guests have many options from wineries, to pubs to coffee shops where they can experience the welcoming environment and congenial companionship. City ordinances have recently been modified to extend late night hours for restaurants and bars. This 'entertainment friendly' decision helps keep guests in the district to expand economic impact - encouraging theater and gallery patrons to continue enjoying the area - and encourage overnight stays at local hotels.

### Thriving artist population:

HDMCD is home to a creative community that helps shape the look and feel of the district.

### **NEON SIGNS - PROJECT OVERVIEW:**

Vintage neon signs delight with designs and connections to the past. These signs were unique works of art and craftsmenship. They evoke memories and are a tribute to locally-owned businesses. From the 1920's-1970's, American streets by night were magical wonderlands of light, color and movement. Today, many downtowns have been stripped of their original signs. – Vintage Signs of America by Debra Jane Seltzer

Historic Downtown McKinney Cultural District will install three new neon signs to help identify the district and highlight parking. The neon signs will take inspiration from original signs hanging in the district in the 1940's - 1950's.

McKinney's downtown neon project is patterned after the success of Deep Ellum's iconic sign and Austin's Red River

Cultural District sign. Both signs are highly photographed and help distinguish these entertainment districts. Other examples can be found in Memphis, Nashville, San Antonio and Portland.

McKinney's Cultural District neons will reinforce the district as a destination with vibrant night life, help establish sense of place, and provide a unique attraction for visitors.

The three signs have been designed as companion pieces and are based on actual signs hanging in downtown McKinney during the 1940's - 1950's.

- A pole mounted sign will be installed at the west entrance of the district welcoming visitors to Downtown McKinney Cultural District.
- A rooftop sign will be installed on the east side of the district on top of a four story parking garage adjacent to Highway 5.
- The third blade sign will also be installed on the parking garage, a replica of the traditional parking with an arrow sign.

McKinney Main Street staff are working in coordination with the Historic Preservation Officer and neon artist for sign design and installation.

### Timeline:

- August 2019 Finalize designs
- September 2019 Approval process
- October 2019 Electrical preparation and sign creation
- November 2019 Sign placement and unveiling

### ATTRACT CULTURAL TOURISTS & MARKETING/OUTREACH

Neon signs are true examples of American folk art, and neon continues to hold a firm place in the heart of today's culture. Enthusiasts capture neon signs through photography and art. Instagrams are filled with examples of neon signs from across the country.

Installation of landmark neon signs in McKinney help guests know the district is 'open' for business. The highly visible signs will enchant tourists and offer something special to greet visitors at district entrances.

The pole sign will be installed in a manner that allows for 'selfies.' A small plaque will be attached to the pole with a customizable hashtag to help track interaction.

A comprehensive marketing campaign will be deployed in conjunction with the installation of the neon signs. The signs will be captured in ads for the district and included in the promotional materials for 'Home for the Holidays....A

McKinney Christmas,' a 39 year old festival attracting visitors from across North Texas and beyond.

At the time of sign installation, the district sparkles with thousands of Christmas lights added to trees and buildings. As well, the neons will complement the glow of the old water tour that was retrofitted with LED lights in 2018.

### TRACKING ECONOMIC IMPACT & METRICS FOR SUCCESS

Historic Downtown McKinney Cultural District neon sign locations have been carefully selected to ensure highest visibility.

Traffic engineer reports document:

- Pole Sign 5,000 vehicles daily on Louisiana Street
- Roof Top Sign 50,000 vehicles daily / north and south bound on Highway 5
- Blade Parking Sign 2,000 vehicles daily on Virginia Street

Exposure to this number of vehicles informs visitors of the district. The parking sign specifically identifies where visitors can park to enjoy the district. The intent of the neon signs is also to develop nighttime activity at our entertainments venues and restaurants.

Economic impact will be measured through sales tax and property values. HDMCD has the ability to track sales tax on a monthly basis and property values on an annual basis within the district.

Management consistently seeks to measure impact through monthly reports of Key Performance Indicators – including number of attendees at programs, activities, new businesses, and employees. All data is readily available.

Management will also track percentage of businesses open past 9pm and number of nighttime entertainment events.

### **QUALITY OF PROJECT**

Historic Downtown McKinney Cultural District is located in an area that overlaps commercial and residential districts on the National Register of Historic Places. With this designation, there are specific guidelines that shape the aesthetics of the district. Guidelines reference use of certain materials to help protect and preserve the distinct feel and environment of Downtown McKinney. These guidelines also support an artistic and craftsman approach to area.

The neon signs will be created to reflect signs hanging in the district from days gone by. Old photographs of the district have been accessed to help inform neon sign shape, size, color and style. McKinney's historic preservation officer has been involved with the project to ensure project integrity. Initial designs have been crafted by a top neon sign maker in North Texas.

The glow of neon light has a particular magic. It harkens back to an age of 'mom-and-pop' stores yet elicits a modern and fresh feel. The three neon signs for Historic Downtown McKinney Cultural District offer an artistic, unique and authentic welcome to visitors.

TITLE: Conduct a Public Hearing and Consider/Discuss/Act on a Request for Funding, Submitted by Boys and Girls Club of Collin County (#19-12), in the Amount of \$135,000 for the Replacement of the Gym Floor, Replacement of Gym Padding Panels, and Purchase and Installation of Retractable Bleachers at the McKinney Club, Located at 701 S. Church Street, McKinney, Texas. Amount Requested is 100% of Estimated Project Cost.

**COUNCIL GOAL:** Enhance Quality of Life in McKinney

MEETING DATE: August 22, 2019

**DEPARTMENT:** McKinney Community Development Corporation

**CONTACT:** Cindy Schneible, President

### **ITEM SUMMARY:**

- Boys and Girls Clubs of Collin County is requesting a grant in the amount of \$135,000 for replacement of the gym floor, replacement of gym padding panels and purchase and installation of retractable bleachers at the McKinney Club.
- Roof leaks (now repaired) caused wear and tear on the gym floor making it uneven and unsafe.
- The McKinney Club gym walls need 2" padding panels to prevent injuries. Current padding is insufficient to provide a safe sporting experience.
- The current McKinney Club bleachers are designed for outdoor use, not retractable and are inappropriate for indoor sports activities.
- The grant requested will provide funds to cover the cost of labor, materials and supplies.

### **BACKGROUND INFORMATION:**

- Boys and Girls Clubs of Collin County has a 50-year history in North Texas.
- Strategically located in low-income neighborhoods, BGCCC provides a safe, positive environment during after-school hours.
- The BGCCC serves 3,266 members, ages 5-18, and works with other local nonprofit organizations to identify youth that are in need of assistance.
- The McKinney club serves 936 youth. 65% qualify for free/reduced lunch.

 Programs offered through the McKinney Club include education about healthy lifestyle habits, tools for academic success, qualities to build character and leadership skills and recreational activities.

### **FINANCIAL SUMMARY:**

- MCDC's allocation for Project Grants for FY 19 is \$1,364,926
- In previous years, MCDC awarded grants to Boys and Girls Club for a gym renovation (\$23,600 in 2006); gym, kitchen and other building improvements (\$500,000 in 2009); roof repairs (\$ 40,000 in 2018); and club refurbishment and equipment replacement (\$30,000 in 2018).

The mission of the Boys & Girls Clubs of Collin County is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Boys & Girls Clubs of Collin County (BGCCC) has a 50-year history of creating great futures in North Texas. Strategically located in low-income neighborhoods, BGCCC provides a safe, positive environment during the most vulnerable hours of the day, the after-school hours. We convert these hours into time that helps youth reach their full potential. As the largest youth serving non-profit organization in Collin County, BGCCC serves youth in Frisco, Plano, McKinney and outlying areas. Our services are vital in helping create and sustain a healthy, safe, educated community.

BGCCC serves 3,266 members, ages 5-18, giving them a safe place to learn and grow into productive and caring citizens. Club youth demographics include: 45% female and 55% male, 52% African-American, 15% Hispanic, 18% Caucasian, 5% Asian, 1% American Indian/Native Alaskan and 9% are multi-ethnic. BGCCC serves children from all levels of household income: 59% of members are eligible for free/reduced lunch, 43% of members live in a household with a single caregiver.

McKinney club branch serves 936 youth, 65% of which qualify for free/reduced lunch. With the assistance of the staff and volunteers, the youth completed 48,870 homework hours and were served 213,996 snacks and meals!

We offer daily programming in five core program areas: Character and Leadership Development; Education and Career Development; Health and Life Skills; The Arts; and Sports, Fitness and Recreation; and several specialized initiatives. All programs are designed to drive positive outcomes for youth and reinforce necessary life skills.

At the Boys & Girls Clubs of Collin County, we encourage our youth to the set expectations and goals for themselves through the activities and programs we offer. Our belief is that youth who enter the world with strong, positive characteristics can become responsible citizens and leaders who are able to support themselves and live successful lives.

These life-long lessons are learned through club programs focusing on Positive Self-Identity, Competencies, Community and Civic Involvement, Health and Well-Being and Moral Compass. We look to the community, our donors and our Board of Directors to ensure that we continue to promote our youth potential by creating opportunity every day.

Through calculated partnerships, our programs help members connect with their community. We partner with other local non-profit agencies to help identify youth in need of assistance:

- The Samaritan Inn -BGCCC provides transportation and scholarships for families that are living at the facility.
- McKinney Housing Authority -we provide transportation and scholarships for residing families.
- McKinney ISD –BGCCC's long partnership with the school district has many benefits. Our SMART Moves program helps students with behavioral issues at the Alternative Campus. Our staff collaborates with teachers and counselors to identify students in need of support.

With over 6,000 volunteer mentors and tutors, we recruit through partnerships with corporations such as Capital One, Raytheon and Toyota. All volunteers complete extensive background checks and training.

Our Board of Directors consists of 24 members that reside and take pride in our three communities. Chief Executive Officer, E. Michael Simpson, is responsible for the strategic planning and operation of the Clubs in support of its mission and goals. The Executive Vice President, Chief Development Officer, Chief Financial Officer, and Chief Operations Officer oversee the remainder of the 45 staff and administrative positions.

The outstanding academic results and lifestyle accomplishments of the BGCCC youth participating in the many programs should be noted.

- 100% of high school seniors who were actively involved in the clubs graduated and moved on to higher education or enlisted in the military;
- · 100% of the club members were promoted to the next grade level;
- 100% targeted youth became more knowledgeable of STEM based jobs and career opportunities;
- · No members were affiliated with gangs or involved in the juvenile justice system.

BGCCC is an excellent steward of public trust and community resources. We pride ourselves on being one of the leanest nonprofit organizations in the region with 81% of expenses going directly to programming for our members with only 8% going to administrative expenses and 11% to fundraising expenses as reflected in our 990 report for 2018.

#### Project description, purpose and outcome.

The McKinney Boys & Girls Club's main purpose is to provide a safe place to grow and learn for the youth of McKinney. Repairs to flooring, improved safety padding and bleacher installation are needed for the club to be a better resource for the youth in the community.

Since 2011, leaking from the damaged roof has caused wear and tear on the floors making them uneven and unsafe. The roof was repaired in 2018, along with the equipment but not the flooring, which is still in need of repair. The club gym floor is not safe for basketball, volleyball and running. Replacing the gym floor at the McKinney Club will provide a safe recreational and meeting area for the youth of McKinney.

The McKinney Club gym walls need of 2" padding panels to prevent injuries. Currently the padding we offer is insufficient to provide a safe sporting experience due to age and inferior quality. BGCCC would like to purchase improved padding to protect youth athletes at the club.

The McKinney Club bleachers are designed for outdoor use, are not retractable, and are inappropriate for indoor sports and activities. We would like to invest in retractable indoor bleachers to increase room for activities and provide improved safety in the McKinney gym.

These improvements will allow us to serve club youth and share the facilities with partner organizations from McKinney to practice basketball, volleyball and other sports and enrich the community. BGCCC respectfully requests \$135,500 for McKinney Club improvements to flooring, wall padding and bleachers to better serve our youth.

#### Promote the City of McKinney.

Boys & Girls Clubs of Collin County would like to acknowledge the McKinney Community Development Corporation for their support of the club repair in appropriate communications. This media acknowledgment includes, but is not limited to, our e-newsletter, Facebook, Twitter and the BGCCC website.

#### Specific goals and objectives fulfilled by the project.

With repairs and safety improvements at the McKinney Club, our members can fully utilize that space to participate in the value-added programs that are necessary to their success: academically and physically. We continue to serve children to further their education to become more prepared as future citizens in their community while giving them a solid foundation of skills and tools for their tomorrow.

This Project aligns with three of the goals and strategies adopted by McKinney City Council and McKinney Community Development:

- Eligible for MCDC consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDC Grant Guidelines and/or page 1 of this application)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue
- Meet citizen needs for quality of life improvements, business development and sustainable economic growth for residents in the City of McKinney

#### Time frame to completion. Location of the project.

Ideally, the repairs will take place during the holiday break and be completed by January 6<sup>th</sup>, 2020:

November 1st, 2019 request for bids

November 15th, 2019 secure equipment and repair materials

December 20th, 2019 - repair work commences

December 20th, 2019 - purchase equipment

January 6th, 2020 – repair work completed

Location: The Boys & Girls Clubs of Collin County, McKinney Branch, 701 S. Church Street, McKinney, Texas 75069

#### Future plans.

Our vision is to provide a world-class Club experience that assures success is within reach of every young person who walks through our doors, with all members on track to graduate from high school with a plan for their future, demonstrating good character and citizenship, and living a healthy lifestyle.

#### **Marketing and Outreach**

BGCCC's 50-year history of creating great futures for low-income and at-risk youth in the North Texas area will further drive our passion to provide beneficial programs to local youth. In addition to securing funds through grant writing, we fundraise with annual events including the following: gala, golf tournament, poker tournament and a cycling event: The Collin County Classic. We procure funds through government grants as well. Support for programs are derived from individual and corporate donors, as well.

Our sustainability stems from a diverse revenue structure and strategy. Some of our major contributors include Capital One, Bank of America, Alliance Data, Dallas Women's Foundation, Bob & Joy Darling, Sean Lee, United Way of Metropolitan Dallas, Texas Health Presbyterian Hospital Plano, Toyota Financial Services, the City of Frisco, the City of McKinney, the City of Plano and the Andrea-Mennen Foundation.

#### **Metrics to Evaluate Success**

With the installation of new flooring, improved gym wall padding and facility appropriate bleachers, BGCCC service to the community will be enhanced. Refurbishment of the McKinney club will allow club members and community partners full access to the club to provide educational programming and athletic activities.

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Boys & Girls Clubs of Collin County, Inc.

We have audited the accompanying financial statements of Boys & Girls Clubs of Collin County, Inc. (the Organization) which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys & Girls Clubs of Collin County, Inc. as of December 31, 2018 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

#### Report on Summarized Comparative Information

We have previously audited the Boys & Girls Clubs of Collin County, Inc.'s 2017 financial statements, and our report dated May 17, 2018 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2017, is consistent, in all material respects, with the audited financial statement from which it has been derived.

#### 1. Summary of Significant Accounting Policies

#### (a) Organization and Operations

The Boys & Girls Clubs of Collin County, Inc. (the "Organization") is a Texas nonprofit corporation incorporated in 1968 under the laws of the State of Texas for the purpose of enhancing the quality of life for the youth of Collin County by providing a diversity of quality programs in the areas of character and leadership development, education and career development, health and life skills, sport fitness, recreation and the arts.

#### (b) <u>Financial Statement Presentation</u>

For financial reporting purposes, the Organization's net assets are grouped and reported by the following three classifications:

*Unrestricted* - includes funds that represent resources over which the Board of Directors has discretionary control to carry out operations of the Organization in accordance with its bylaws.

Temporarily Restricted - includes funds that represent resources expendable only for those operating purposes specified by the donor. Resources of this classification originate principally from grants and gifts.

Permanently Restricted - includes funds that have been accepted with donor stipulations that the principal be maintained intact in perpetuity with only the income to be utilized.

#### (c) Accounts Receivable

The Organization charges fees for certain services/activities. Income from these services/activities is recorded when earned. All services/activities must be paid for by the time the services/activities occur. Any payments deemed to be insufficient funds ("NSF" checks) are recorded as receivables. The organization automatically debits customer's bank accounts for NSF checks. Any NSF checks that cannot be collected through this process after 30 days are charged against an allowance for uncollectible accounts. At December 31, 2018 the Organization had no material accounts receivable that were deemed to be uncollectible.

#### (d) Income Taxes

The Organization is exempt from federal income taxes under provisions of Section 501(c)(3) of the Internal Revenue Code and qualifies as a publicly supported Organization under Section 509(a)(1) of the Internal Revenue Code.

#### (e) Fixed Assets

Expenditures for furniture and equipment are stated at cost. Donated assets are recorded at their estimated fair market value at the date of contribution. Such donations are recorded as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit instructions regarding their use are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expiration of donor restrictions when the assets are placed into service. The Organization capitalized fixed assets over \$2,500 and with a useful life in excess of one year. Fixed assets are evaluated periodically to determine if an impairment of their value has occurred. It is the opinion of management that no such impairment has occurred.

Depreciation of fixed assets is calculated on the straight-line method over the following useful lives:

Equipment 3-8 years Buildings 35-40 years

#### (f) Functional Expenses Allocation

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

#### (g) Contributions and Grants

Contributions and Grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. If the restrictions are met in the year of contribution, the amounts of temporarily restricted gifts are listed as unrestricted contributions.

#### (h) Contributed Materials and Services

A substantial number of volunteers have donated significant amounts of time to the Organization's activities. However, the Organization only recognizes donated services that create or enhance nonfinancial assets, or that require specialized skills, provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. No amounts have been presented in the financial statements for contributed services, as these amounts are immaterial. The Organization recorded a total of \$144,000 in in-kind contributions related to facility rental and \$212,588 for assets that were donated in 2018.

#### (i) Cash and Cash Equivalents

The Organization considers all highly liquid instruments purchased with maturity of three months or less to be cash equivalents. The Organization places its cash with quality financial institutions and limits its exposure by controlling the cash balances it maintains in any one financial institution. The Organization has never experienced losses from credit risk associated with its cash balances.

#### (j) Investments

Investments are carried at their value, as determined by quoted market prices. Investment income is included in unrestricted income, unless restricted by a donor.

#### (k) <u>Use of Estimates</u>

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### (I) Comparative Prior Year Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2017, from which the summarized information was derived.

#### (m) Subsequent Events

Management evaluates subsequent events through the date of the report, which is the date the financial statements were available to be issued.

#### (n) Accounting Pronouncements

In January 2016, the Financial Accounting Standards Board issued a pronouncement related to accounting for leases. The effect of this change will require that Organizations who enter into leases of more than twelve months record those leases as assets and liabilities. The standard is effective for the Organization's year that ends December 31, 2020. The Organization has not yet assessed the impact of this new accounting standard.

#### 2. Fixed Assets

The composition of fixed assets at December 31, 2018 is as follows:

Land	\$ 510,435
Buildings and improvements Equipment	4,256,574 <u>1,659,326</u>
	6,426,335
Less accumulated depreciation	2,602,448
	<u>\$3,823,887</u>

#### 3. Commitments and Contingencies

Grants and bequests require the fulfillment of certain conditions as set forth in the grant instrument. Failure to fulfill the conditions could result in the return of funds to the grantor. Although that remains a possibility, the Board deems such contingency remote since by accepting the gifts and their terms, the Organization has, in essence, accommodated the provisions of the gift.

#### 4. Note Payable

\$250,000 line of credit with a local bank. The note is due on demand, but if no demand is made it is due September 19, 2019. The note bears interest at The Wall Street Journal prime rate plus 1.25% (6.75% at December 31, 2018) and is secured by real estate.

Note payable to a local bank. The note is due in monthly installments through maturity at October 1, 2023. The note bears interest at 5.0% and is payable in monthly installments of \$510. The note is secured by automotive equipment. 25,806

Note payable to a local bank. The note is due in monthly installments through October 2024. The note bears interest at 4.819% and is payable in monthly installments of \$4,882 with a balloon payment at the end of the note of \$629,672. The note is secured by the Organization's real estate.

769,304 \$ 795,110

Maturities of the debt above are as follows:

2019	26,926
2020	28,262
	•
2021	29,664
2022	31,136
2023	31,657
Thereafter	647,465

#### 5. Retirement Plan

In December, 2002, the organization adopted a pension plan for its employees to be known as the Boys and Girls Clubs of Collin County, Inc. Pension Plan. Employees that are 21 and have completed one year of employment are eligible for coverage. Employees become 100% vested after five years of participation. Only employer contributions to the plan are allowed which are calculated at 5% of eligible employee's compensation. In July 2018, the assets of the plan were transferred into a 401 (k) plan with a safe harbor provision. Under this provision, the employer contributes 3% per month into the plan with an elective deferral optional by the employer as long as the total does not exceed allowable limits

Total amounts contributed by the Organization to the plans above was \$59,141 for the year ended December 31, 2018.

#### 6. Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are comprised of \$737,052 which is restricted for the construction of a camp site. During 2016, the Organization received a bequest, which is included in the restricted balance above along with income that has been earned on the balance. The amount is shown as restricted cash and restricted investments on the Statement of Financial Position. The Will of the donor requires that the balance be expended within ten years or the funds are to be returned to the other heirs. The Organization is attempting to have the living heirs waive their claims to the funds so that they can be expended as the as unrestricted resources. There were no assets released from restriction during 2018.

Permanently restricted net assets were comprised of funds donated for a permanent endowment fund.

#### 7. Value of Restricted Investments

In accordance with FASB Accounting Standards Codification Section 820, the Organization classifies its financial assets and liabilities into Level 1, which refers to assets and liabilities with quoted prices in an active market; Level 2, which refers to assets and liabilities not traded on an open market but for which other observable inputs are available; and Level 3, which refers to assets and liabilities not traded in active markets which require significant unobservable inputs to value. Currently, all of the Organization's financial assets are classified as Level 1.

Long-term investments consisted of the following as of December 31, 2018:

	COST	FAIR VALUE
Equity securities	\$544,972	\$492,482

Dear Taxpayer:

We're responding to your request dated Feb. 26, 2019, about your tax-exempt status.

We issued you a determination letter in MAY 1970, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c) (03).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Section 509(a)(2).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM~(800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific
