Comments: Kaley called on the chip on 03-08-2022 not registered with owner information Tri City Animal Shelter implant facility they transferred the dog to Plano AS reached out to see any owner information I could get. Plano has adopter as Donna Smith 469-525-9014 912 Circle Cove in Allen I called and asked if this was her and she denied it. Told Plano he would be euthanized they still want the dog back if the owner does not come told them we could not transport and would notify them if the owner does not come. Allen AS spoke to the owner on the chip she adopted the dog for her son the owners are Richard and Rachel 469-525-9014 LM telling them they have till the end of day today to pick the dog up or he will be euthanized or transported back to Plano AS.
