JOIN US FOR A COMMUNITY CHARRETTE!

What is a Charrette?

A charrette is a design workshop where citizen volunteers, design professionals, city staff and others interactively explore issues and collaborate on a shared vision for development patterns. The goal of the workshop is to **generate ideas, make decisions** and **solve problems**.

Why are We Doing This?

The Community Charrette is part of the ONE McKinney 2040 Comprehensive Plan Update. It is designed to be driven by public input, so we need your ideas!
