1. Mixed-Use land uses reflect those parcels for which zoning allows for residential and/or non-residential horizontal or vertically-integrated uses .

Citywide and ETJ

- 2. Agricultural/Undetermined land uses reflect those parcels with agricultural zoning for which no future use is currently defined.
- 3. Properties located in the ETJ are not included in the Land Use Summary and the Tax Base Summary because they fall outside of the city's land use and taxing jurisdiction.
- 4. Zoning, site plan and record plat cases approved after the certified tax roll of January 1, 2015 and change land use and/or vacancy status. These cases are not included in the Land Use Summary or the Tax Base Summary.
- 5. Institutional (non-taxable) properties are not included in the Tax Base Summary because these properties do not generate taxes. Estimated tax revenues do not include any property exemptions, delinquencies, etc. and; therefore, may not reflect actual collection amounts.
