City desires to acquire certain real property as right-of-way for the roadway project known as Stacy Road Improvements from State Highway No. 121 to future Collin-McKinney Parkway in the City of McKinney. STACY desires to convey to the City that portion of the Stacy Road right-of-way which falls within its property and corresponding temporary construction easements in exchange for certain calculated Roadway Impact Fee Credits as such are described in Section 3.09(A) and Section 3.09(B) of Ordinance No. 2003-05-055.

NOW THEREFORE, in consideration of these premises, the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which both Parties acknowledge, the City and STACY agree as follows:

City shall have thirty (30) days after receipt of a title commitment on the Right-of-Way Parcel to object to any title defects. If any written objections are not cured by STACY within ten (10) days of receipt thereof, upon written notice given by the City to STACY within fifteen (15) days thereafter, this agreement shall terminate.

Section B. Value of the Right-of-Way Parcel

STACY and City agree that the combined value of the Right-of-Way Parcel (2.334 acres) to be conveyed under Article II, Section A is Four Hundred Fifty Seven Thousand Five Hundred Ten and 68/100 Dollars (\$457,510.68). The City agrees to purchase the Right-of-Way Parcel through the grant hereunder of Roadway Impact Fee Credits as are more fully described hereinafter.

Section C. Roadway Impact Fee Credits as Consideration

Upon acceptance by the City of the Right-of-Way Special Warranty Deed, the City grants to STACY Roadway Impact Fee Credits as consideration for the conveyance of the Right-of-Way Parcel described in Article II, Section A. The Roadway Impact Fee Credits shall immediately vest and attach to the remainder of the STACY Tract, from which the Right-of-Way Parcel was conveyed, and which Tract shall be called the "Development Tract," more fully described in Exhibit C attached hereto.

The Roadway Impact Fee Credits shall be calculated at Four and 50/100 Dollars (\$4.50) per square foot contained within the Right-of-Way Parcel.

05901 03016

No credits shall accrue for the conveyance of temporary easements conveyed incident to the right-of-way.

ARTICLE III

IMPACT FEE CREDITS

Section A. Assignment and Expiration of Roadway Impact Fee Credits

The credits granted under this agreement shall only be assigned with the City's consent pursuant to the provision of Section 3.09(B) (2) of Ordinance No. 2003-05-055, except to subsequent owners of the Development Tract or portions thereof. The credits shall have no expiration date. Any reimbursement for unused credits shall be governed by Section 3.09(B)(4) unless otherwise specifically outlined herein.

Section B. Use of Roadway Impact Fee Credits

Roadway Impact Fee Credits shall be used as development occurs on the Development Tract and only for non-residential uses. Service Unit calculations for proposed uses on the Development Tract shall be in accordance with then existing tables of the Roadway Impact Fee Ordinance, or its successor ordinance. Unused credits shall not be transferable or applied to fees owed on other tracts, unless otherwise consented to in writing by City. Upon the exhaustion of the Roadway Impact Fee Credits by STACY, or its assigns, on the Development Tract, any additional development shall pay then existing Roadway Impact Fees or receive credits for construction of roadway improvements under then existing ordinances.

Section C. Reimbursement of Unused Roadway Impact Fee Credits

1. STACY may apply for and execute a reimbursement agreement reimbursing STACY for unused credits either (i) upon completion of all development in the Development Tract, or (ii) ten (10) years after the execution of this Agreement.
2. The amount reimbursed shall be equal to the number of unused Roadway Impact Fee Credits times \$112.50 (the average value of service unit costs within Service Area I). No reimbursement obligation shall arise unless the entirety of the Development Tract develops as non-residential uses.
3. Payment shall be made, without interest, in equal annual installments, from roadway impact fees collected within Service Area I, subject to availability of said fees/funds.

05901 03017

4. Any termination or reduction of the City's authority under state law to impose impact fees in Service Area I shall terminate or correspondingly reduce any obligation to reimburse under the reimbursement agreement.
5. This Agreement shall terminate upon execution of a reimbursement agreement.

Section D. Developer Responsibilities under Development Ordinances

Nothing herein shall relieve STACY from its responsibilities for construction of public improvements under applicable development ordinances, save and except the obligation to construct its applicable portion of Stacy Road, or any appurtenant section thereof, upon development of the Development Tracts.

Section E. Credits Subject to Partial Termination

If, prior to commencement of construction of Stacy Road, STACY undertakes and receives approval for a final or record plat which (absent this Agreement) would otherwise require the dedication of right of way (not including boundary plats) under then existing subdivision regulations for Stacy Road, the City may, in the City's discretion, terminate a portion of the Roadway Impact Fee Credits granted hereunder. The portion subject to termination shall be that amount attributable to the segment of right-of-way adjacent to the lot or lots created by the final or record plat. The values established by this Agreement shall be used to ascertain the correlative amount of credits which were originally granted for that portion of the Right-of-Way Parcel.

Further, the City may terminate a portion of the Roadway Impact Fee Credits granted hereunder if the Stacy Road improvements are constructed by STACY, rather than by others, prior to June 1, 2006. The number of credits terminated shall be equal to amount of credits granted hereunder for conveyance of the area of the right-of-way containing the segment of roadway constructed by STACY as such credits are calculated in this Agreement.

No credits shall be subject to termination by the City after the commencement of construction by others than STACY of Stacy Road within the Right-of-Way Parcel or after June 1, 2006, whichever is sooner.

ARTICLE IV

AGREEMENT MAY NOT BE PLEDGED AS COLLATERAL

STACY may not pledge this Agreement as collateral for purposes of securing financing for development of the property.

05901 03018

ARTICLE V
McKINNEY RANCH DEVELOPMENT AGREEMENT

City shall give the party designated as the "Owner" in the McKinney Ranch Development Agreement notice of the City's acquisition of the Stacy Road right-of-way provided for in this Agreement within ten (10) days from receipt and acceptance of the Right-of-Way Special Warranty Deed.. City agrees that it will not modify or amend the provisions of the McKinney Ranch Development Agreement with regard to the obligation or timing of construction of Stacy Road without prior notice to, and consent of, Stacy Joint Venture.

ARTICLE VI
GENERAL PROVISIONS

Section A. *Notice of Default; Opportunity to Cure; Remedies; and Mediation.*
