RE: REQUEST FOR EXTENSION OF TIRZ GRANT FOR \$25,000.00
REIMBURSEMENT FOR 205 W. LOUISIANA, MCKINNEY TX.

Dear Matt:

Please accept this letter as my request to extend the completion date of the 28,700 square foot mixed use building under construction at 205 W Louisiana Street in downtown McKinney until December 31, 2018. The project was delayed due to rock discovered in the excavation of the underground garage, weather delays and other construction related problems.

Thank you for your help.

Sincerely

Don Day
