I. Applying Organization: Collin County History Museum

Mission

The mission of the Collin County History Museum (CCHM) is to preserve and honor the past, connect with the present and embrace the future. We are committed to the collection and preservation of the rich heritage and history of the people and events that helped shape the place we proudly call home, McKinney and Collin County.

Strategic Goals and Objectives

We fulfill the mission of the organization through the following goals: 1) To preserve and protect our cultural history for future generations 2) To disseminate historical information through our museum collections, archives, research library, and publications 3) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation 4) To improve intellectual and physical access to our information and museum collections 5) To leverage new technology resources to engage visitors in a meaningful way

Scope of Services

CCHM is an archival museum with historical artifacts, photographs, documents, diaries, manuscripts, historical maps, archival newspapers, and land records that provide valuable research information for genealogists, historians, authors, teachers and students. The museum has a library collection of books dedicated to Collin County and Texas History. Docents also provide interactive educational programming for students across Collin County.

Day to Day Operations

The museum is open to the public on Thursday, Friday, and Saturday from 10am-4pm. Special tours and interactive school tours can be scheduled Monday through Friday from 8am-3pm. Special events are held throughout the year.

Through contracted services, the museum pays a curator to help archive and catalog historical artifacts, documents and photographs. The Museum Director, Events and Educational Program Coordinator, Membership and Volunteer Coordinator, and Facilities Manager are currently volunteer staff.

II. Promotional Grant

Project Overview

The CCHM is seeking grant funding from MCDC for advertising and marketing to promote attendance for the *McKinney Then and Now* exhibit for 2019. The exhibit will launch in February 2019 and will continue through December 2020. The exhibit will give visitors the opportunity to step back in time and experience what life was like in the early days of McKinney. Historic photos, artifacts and set designs of historic buildings will help tell the stories of diverse businesses that made up the downtown from the late 1800's through 1950. Historic images will be paired with the views of the same scenes as they appear today or a similar business that is currently in McKinney. Visitors to the exhibit will hear the stories about early McKinney told from historical newspaper articles from Bill Haynes and through the Historical Vignettes of historians Roy and Helen Hall. The vignettes were published in the *McKinney Examiner* and *Courier Gazette* telling the stories of the places, people and events that helped shape McKinney.

Scope of Project

Through the years, McKinney has been transformed from a pioneer town, to a thriving farming community, to the vibrant downtown we enjoy today. Every year thousands of people visit downtown McKinney and enjoy the vintage charm and intrigue of the historical buildings that make up the downtown square. Through our exhibit, visitors will be able to compare for themselves *McKinney Then and Now.*

The Collin County History Museum will use the promotional grant money to purchase advertising in newspapers and magazines, in both digital and print format. We will purchase (5) ¼ page print ads, promoting the *McKinney Then and Now* exhibit, in *Celebration Magazine* which distributes approximately 35,000 printed copies of each edition of the magazine in Collin, Dallas, and Southern Denton counties. *Celebration Magazine* will also distribute advertising for the event through (5) dedicated email blasts, with information about our exhibit, to their 7,500 subscribers and 3,500 Facebook followers. The magazine features a partnership listing of the museum on their website. A digital copy of the magazine is also available online on the *Celebration* website. Our history museum wrote feature articles in each of the editions of the magazine where advertising was purchased in 2018. So, we were able to have extra coverage for the exhibit through the article as well as the purchased advertising. We will submit articles again for 2019 publications.

Another way we will promote our museum exhibit is through a newspaper booklet called *Historic Downtown McKinney Sketched* which is printed quarterly. We would like to purchase a two-page color ad that will be published in each of the four editions with 75,000 copies distributed around the metroplex area.

We are scheduled to attend marketing events through Collin College, McKinney Chamber of Commerce, and Celebration Magazine. The funding for printed materials requested are to be distributed during those events. We will also distribute printed materials through the MPAC center, MCVB and area hotels.

We would also like to purchase a 5-ft. wide by 10 ft. tall coroplast vinyl color sign that will be mounted to the west side of the museum. The sign will have a historic photo with graphics and lettering to promote the hours and information about the exhibit. This sign can easily be seen from traffic passing by on Chestnut Street and visitors walking on Virginia or Chestnut in downtown McKinney.

We purchased a sandwich board sidewalk sign during our WWI exhibit and this grant budget reflects a cost for sign inserts that can be changed out to spotlight events for our *McKinney Then and Now* exhibit.

We have taken 3-D images of downtown McKinney that we will use in the exhibit that visitors will view through 3-D glasses and stereoscopes. We will use some of our promotional grant funding to print the cards of those images.

We would also like for the graphic artist that helped us with the design of the museum display panels for our new exhibit to create the digital graphics for the *McKinney Then and Now* logo that we will use on our website. The logo will be the branding we use for the *McKinney Then and Now* exhibit and will be on all of our advertising brochures.

Promotional Goals of the Exhibit

- Promote heritage tourism in McKinney
- Collaborate and form partnerships with downtown businesses to attract visitors to the museum exhibits and to other businesses in the downtown
- Collaborate with Main Street McKinney and the McKinney Convention and Visitor Bureau for advertising opportunities and correlate downtown events with the McKinney Then and Now exhibit
- Host lectures, events, and promote activities to attract patrons and promote the rich heritage of McKinney
- Utilize technology tools to create and promote engaging and interactive exhibits that tell the history of McKinney

Promotional Objectives

Describe how the proposed project fulfills the strategic goals for your organization.

- Promote heritage tourism in McKinney
 - Strategic Goal 1) To preserve and protect our cultural history for future generations
- Utilize technology tools to create and promote engaging and interactive exhibits that tell the history of McKinney
 - Strategic Goal 5) To leverage new technology resources to engage visitors in a meaningful way

- Strategic Goal 2) To disseminate historical information through our museum collections, archives, research library and publications
- Host lectures, events, and promote activities to attract patrons and promote the rich heritage of McKinney
 - Strategic Goal 3) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation
 - Strategic Goal 4) To improve intellectual and physical access to our information and museum collections

Target Audience: The exhibit is open to the general public and to all age groups and organizations.

Attendance: During the 2019 *McKinney Then and Now* exhibit the museum would like to set a goal to attract 8,000 visitors.

Every week hundreds of visitors walk through the doors of the Collin County History Museum. They come from all across Collin County, Texas, the United States and even from other countries. The museum offers visitors a unique place to learn and explore. Many people visit the museum after they have eaten breakfast on the square. Some see the museum sign and walk in off the streets to explore. Other groups come to the museum as their primary destination for a scheduled tour. After the tour, they spend the afternoon eating and shopping in the downtown. It is important that a town, the size of McKinney, offers tourists a variety of opportunities for enjoyment and entertainment. The funding from the MCDC promotional grant will provide promotional materials and advertising to help attract people to McKinney.

Promotional Schedule: To help attract visitors, the museum has established a schedule of monthly promotional events.

(See McKinney Then and Now Calendar of Events attachment)

Exhibit Expansion: We plan to extend the *McKinney Then and Now* exhibit through December 2020. We have outlined a two-year calendar of programs and events. We hope that through the current promotional advertising we will establish a reputation of offering quality exhibits and that people will return to the museum for future exhibits and visit and shop in our downtown.

McKinney City Council and McKinney Community Development Goals supported by the proposed Project:

- Eligible for MCDC consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDC Grant Guidelines)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike

Overview of Alignment with goals and strategies adopted by McKinney City Council and McKinney Community Development by the proposed Project:

The CCHM is a 501(c) 3 and is eligible for MCDC consideration for grant funding. The *McKinney Then and Now* exhibit meets the goals and strategies adopted by the McKinney City Council and MCDC in the following ways:

- Because the museum is located just one block east of the historic downtown square, hundreds of visitors attending the exhibit contribute to the growth of the McKinney sales tax revenue by shopping and eating in the downtown square.
- The museum is a Texas Historic Landmark and offers a unique destination not only for the enjoyment of the museum exhibit but visitors also enjoy the unique architecture and historical features of the building.

II. Financial

Overview of CCHM Financial Status

The CCHM has been able to continue to increase our financial resources for our monthly budget expenditures. We have also set up a reserve account from our monthly positive cash flow. The board of directors has focused on building collaborative relationships and partnerships with historical organizations, McKinney organizations and businesses and the Collin County Historical Commission. Through these collaborative relationships and partnerships, we have seen an increase in donations, memberships and financial support

for the museum. We have organized a committee to seek grant funding through various community and historical organizations to continue to fund projects that keep us connected to and involved in the community.

Our financials are not audited, but are professionally prepared and reviewed by: Nabors CPA Services, Wayne Nabors, Certified Public Accountant.

IV. Marketing and Outreach

The CCHM will utilize the following marketing plans and outreach strategies:

- Submit advertising to newspapers and magazines in both print and digital formats as outlined in the grant essay
- Post promotional events on the Collin County History Museum website
- Utilize Google Analytics Statistics for redesign of museum webpage
- Create a Channel on HP Reveal network.
- Create a YouTube Channel to post *McKinney Then and Now* Videos
- Distribute email communication to schools and colleges in Collin County
- Utilize social media by postings on Twitter and Facebook accounts
- Post event dates on the McKinney Convention and Visitors Bureau and Chamber of Commerce calendars
- Submit articles for publication in newspapers and magazines
- Attend Marketing Events through Celebration Magazine, Collin College, and McKinney Chamber of Commerce

The museum is also a member of the following organizations that provide promotional opportunities.

- Main Street McKinney
 - 1. Promotion on the Downtown McKinney website
 - 2. Directional signs
 - 3. Inclusion on the Historic Downtown Shopping Guide and Map
 - 4. Exposure on the Historic Downtown McKinney social media platforms
- McKinney Chamber of Commerce
 - 1. Listing of Events on McKinneyonline.com Community Calendar
 - 2. Share products and services at LINKS (Learn Inform Network Know Share)

V. Metrics to Evaluate Success

The museum collects attendance data for our exhibits through Google Forms. When visitors come to the museum they scan a QR code that takes them to a custom designed Google Form. They sign in through the form which collects information and statistics about our visitors. We track the number of adults and children that visit, along with their city and state. There is also a place to submit visitor feedback and comments. All statistics will be shared in the final report.

We just started using Google Analytics for our Collin County History Museum website. This tool has a number of features that generate detailed statistics that allows us to review how well users are interacting with our website and content. This tool helps us know how visitors find our website, what pages they click on while on the site and how they click through the site. We can track the demographics of the visitors to the website as well as what device they use to access our museum website.

We feel like the promotion of our exhibit has been a success when we continue to see the number of visitors increase. We also evaluate our success when we continue to see visitors come from all around the county, state and nation.

We also feel successful as we see an increase in the number of museum partnerships that are established. We have established a relationship with Collin College History Professor Joe Jaynes, a former Collin County Commissioner. For the past two years he has encouraged his students to attend the museum exhibits by incorporating it into a class project. We have had hundreds of students bring their families from all around Collin, Denton and Dallas counties as part of this history project.
