# I. Applying Organization

 Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

**OUR MISSION:** At ManeGait Therapeutic Horsemanship, children and adults with disabilities move beyond their boundaries through the healing power of the horse and the dedication of a professional and caring community.

Guided by this mission, ManeGait believes in the mind and body benefits of therapeutic riding and its ability to improve the quality of life for special needs riders and their families.

Founded in 2007 by community leaders Bill and Priscilla Darling and their daughter, Landon Darling Schneider, ManeGait Therapeutic Horsemanship is a 501(c)(3) nonprofit organization located on 14 acres of rolling pasture land in McKinney, Texas. Through ManeGait therapy programs, we have witnessed riders take their first steps, speak their first words, and achieve milestones once thought impossible.

**MANEGAIT PROGRAM OVERVIEW:** ManeGait provides weekly therapeutic horsemanship programs to 150 adults and children with physical, emotional, cognitive and behavioral disabilities, delivering more than 4,000 hours of services each year. Our staff is made up of 12 full-time and 5 part-time employees. Certified instructors lead our programs with the assistance of 25 skilled therapy horses and a team of over 275 volunteers each week.

- **Therapeutic Horseback Riding** ManeGait's core riding program consists of weekly private or small group riding lessons tailored to the needs of each rider. Individual goals are established and monitored throughout the session to help our special needs riders receive the physical, mental, and emotional benefits of therapeutic riding.
- **Therapeutic Carriage Driving** This is a form of equine-assisted therapy where participants drive a horse-drawn carriage or cart. The program promotes coordination, fine and gross motor skills, visual perception, spatial awareness, communication skills, and independence.
- GaitWay to the Brain Program Developed at ManeGait, the GaitWay to the Brain program
  improves outcomes for our riders by incorporating brain-building exercises into the framework of
  riding lessons and reinforcing these outcomes with at-home activities. Supported by evidence-based
  neurological research, this methodology is designed to increase brain and body integration for
  participants. Success of this program has led to a university research study and replication at riding
  centers across the U.S. and Canada.
- ManeGait to Freedom' Veteran Program This program is specifically designed to support the needs of injured and disabled military veterans.

**WHO WE SERVE:** ManeGait riders range from 4 to 71 years of age, with more than 77% are under the age of 21. Participants come from five North Texas counties. Disabilities served include: Autism Spectrum Disorder, Cerebral Palsy, Intellectual Disability, Developmental Delay, Down Syndrome, Attention Deficit Disorder / ADHD, Traumatic Brain Injury, Post-Traumatic Stress Disorder, among many other disabilities.

• Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project/Promotional/Community Event for which funds are requested.

Proceeds from the ManeGait Country Fair will support ManeGait's 2019 program goals to increase our program capacity (reducing our rider waitlist) and ensuring rider fees remain affordable for families (not to exceed 15% of operating budget).

# **II.** Promotional/Community Event

• Outline details of the Promotional/Community Event for which funds are requested. Include information regarding scope, goals, objectives, target audience.

The **target audience** for this event includes friends of ManeGait and families from Dallas, Denton, Collin, Grayson and Rockwall counties.

## **Goals & Objectives of ManeGait Country Fair**

- 2. To raise awareness of ManeGait programs and increase community involvement as clients, volunteers, donors, and sponsors
- 3. To support the local community by promoting local businesses and providing a family-friendly activity for residents of McKinney and surrounding areas

 Describe how this event will <u>showcase McKinney and promote the City for the purpose of</u> <u>business development and/or tourism.</u>

ManeGait Country Fair is an opportunity to promote local business development and tourism by bringing families from surrounding communities to McKinney. ManeGait is the perfect setting to feature the beauty of our city and the impact McKinney businesses and MCDC are having on the quality of life of our residence and the North Texas community.

 Describe how the proposed Promotional/Community Event fulfills strategic goals and objectives for your organization.

To support ManeGait's strategic goals and objectives, the 2019 ManeGait Country Fair is expected to raise \$60,000 in net funding for ManeGait's equine-assisted therapy programs.

Provide information regarding planned activities in support of the event, timeframe/schedule, estimated attendance and admission/registration fees, if planned. (Please note: if admission/registration fees are charged, they must be limited to \$35 or less; event must be open to the public.)

- Provide a timeline for the production of the event.
  - Present March 2019: Secure event sponsors, vendors, and volunteer support
  - March 15 April 27: Promote event via press coverage, email, social media and event calendars
  - April 1 April 26: Online ticket sales open
  - April 27: ManeGait Country Fair
  - April 30 May 4: Post event promotion and acknowledgements
- Detail goals for growth/expansion in future years.

ManeGait Country Fair is an annual event that will be held at ManeGait each spring. Our goal is to grow attendance and sponsorship support year over year. This event is an excellent way to create awareness about our programs, build partnerships with local businesses, and give the residents of McKinney (and surrounding areas) an opportunity to experience the fun of ManeGait's riding center.

 Attract resident and visitor participation and contribute to business development, tourism and growth of McKinney sales tax revenue.

ManeGait has been improving the quality of life of McKinney residents and their families for 11 years. Funding from the ManeGait Country Fair will help us continue to grow our programs and to serve more members of our community. ManeGait also invites local businesses to take part in the Country Fair to promote their company and to introduce visitors to all that McKinney has to offer. As a thank you for sponsorship and support, we look forward to promoting our business sponsors, vendors and, MCDC with onsite and pre/post event media coverage.

Highlight and promote McKinney as a unique destination for residents and visitors alike.

ManeGait is a perfect example of how McKinney is "unique by nature". It is a beautiful, peaceful property, which gives visitors the opportunity to experience nature in a personal way. Volunteers tell us that just being at ManeGait is a therapeutic experience in and of itself. Visiting during special events often inspires people to become regular weekly volunteers. Resulting in over 1,400 active ManeGait volunteers who come to McKinney from all over the metroplex.

• Demonstrate informed budgeting/financial planning – addressing revenue generation, costs and use of net revenue.

This is the third year for the ManeGait Country Fair, and our team is committed to optimizing the impact of this event through careful budget planning. This includes leveraging opportunities to increase sponsorships and in-kind donations and to minimize expenditures when possible. Our goal is to ensure that expenses are allocated to areas which drive attendance, improve the guest experience, ensure safety and security at the event, and promote ManeGait and the City of McKinney. Net revenue generated from Country Fair directly supports ManeGait's therapeutic riding programs and helps us keep costs affordable for rider families.

Indirect Financial Benefits: The impact of Country Fair extends beyond net proceeds. It can be a catalyst for new donor development. For example, this past April an executive for a large corporation headquartered in Plano attended Country Fair with his family. When he learned of our mission, he coordinated two employee volunteer groups to help with facility improvements at ManeGait. Later this year, the company sponsored an employee fundraiser for ManeGait which generated \$40,000 in general operating funds for our programs. This partnership would not have happened without the Country Fair.

## Independent Auditor's Report

To the Board of Directors ManeGait

We have audited the accompanying financial statements of ManeGait (the "Organization"), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ManeGait as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Business

ManeGait (the "Organization") is incorporated under the laws of the State of Texas as a nonprofit organization and is located in McKinney, Texas. The Organization is a therapeutic horsemanship center offering therapeutic equestrian activities and therapy in a caring, high-integrity environment. The Organization serves children and adults with disabilities so that they can move beyond their boundaries through the healing power of the horse and the dedication of a professional, caring community. The focus of therapeutic riding lessons is skill development and progression while improving the rider's physical, cognitive, emotional and social skills. The Organization derives most of their revenues from free-will donations, fundraising events, grants and rider fees.

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

For reporting purposes, resources are classified into three net asset categories according to the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> - net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

<u>Temporarily restricted net assets</u> - net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor imposed restrictions that are met in the same year as received are reported as revenues of the unrestricted net asset class.

<u>Permanently restricted net assets</u> - net assets subject to donor-imposed stipulations that they be maintained in perpetuity by the Organization. There were no permanently restricted net assets at December 31, 2017 and 2016.

#### Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and all highly liquid investments purchased with an initial maturity of three months or less. The FDIC deposit insurance insures deposits up to \$250,000 per deposit, per insured bank for each ownership category. There was no uninsured cash at December 31, 2017 and 2016.

#### Accounts Receivables

Trade accounts receivable consist of rider fees. Management evaluates accounts receivable and writes off account when they are deemed uncollectible. The results of using the method are not materially different from using the reserve method.

# 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Property, Plant and Equipment

Property, plant and equipment are recorded at cost if purchased, or at estimated fair value as of the date of donation. The Organization capitalizes expenditures for these assets in excess of \$1,000 and with an estimated useful life greater than one year. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed on a straight-line basis over estimated useful lives as follows:

	Estimated Lives
Leasehold improvements	10 - 20 years
Farm equipment	5 - 7 years
Program equipment	5 years
Vehicles	5 - 7 years
Admin equipment	5 years
Horses	5 years
Arena	19 - 20 years

#### Accrued Liabilities

Various expenses of the Organization that were incurred before December 31, 2017 and 2016, respectively, but paid afterward, have been accrued and reported as accrued liabilities.

## Contributions

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Contributions are recorded as revenue at the time an unassailable right to the gift has been established and the proceeds are measurable in the amount. Conditional promises to give are not included as support until the conditions are substantially met.

#### Insurance Proceeds

During 2017, the Organization sustained roof damages which was covered by insurance. Insurance proceeds for the year ended December 31, 2017 was \$184,605.

# Contributed Assets and Services

Contributed assets are reflected as contributions in the accompanying financial statements at their estimated values on the dates of receipt. Contributed services are reflected in the financial statements at the fair value of the services received if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Contributed assets and services are donated to the Organization by various individuals, corporations, and other organizations. In-kind goods and services for the year ended December 31, 2017 was \$15,250. In-kind goods and services for the year ended December 31, 2016 was \$1,248.

Approximately 490 individuals volunteered approximately 19,900 hours of service with an estimated value of approximately \$480,000 for the year ended December 31, 2017. Approximately 465 individuals volunteered approximately 18,200 hours of service with an estimated value of approximately \$440,000 for the year ended December 31, 2016. The value of this contributed time is not reflected in the accompanying financial statements because it does not meet the above criteria.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Deferred Revenue

Deferred revenue arise from advance billing of rider fees for the subsequent riding sessions and special event revenue received in the current period, which relate to the following year's special event. Rider fees and special event revenue are reflected as revenue as services are provided and when the special event occurs.

#### Functional Allocation of Expenses

The costs of providing the Organization's various programs and supporting services have been summarized on a functional basis in the statement of activities and change in net assets for the years ended December 31, 2017 and 2016. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Income Taxes

The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code, except to the extent it has unrelated business income. For the years ended December 31, 2017 and 2016, the Organization had no material net unrelated business income. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The Organization is not recognized as a private foundation.

The Organization has concluded that it does not have any unrecognized tax benefits resulting from the current or prior period tax positions. Accordingly, no additional disclosures have been made on the financial statements regarding ASC 740, *Income Taxes*. The Organization does not have any outstanding interest or penalties, and none have been recorded in the statement of activities and change in net assets for the years ended December 31, 2017 and 2016. The Organization's informational returns filed are generally subject to examination for three years after the later of the due date or date of filing. As a result, the Foundation is no longer subject to income tax examination by tax authorities for years prior to 2014.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported and disclosures. Actual results could differ from those estimates.
