The image shows a map of the McKinney Cultural Arts District. A popup window for the Collin County History Museum is open, displaying a photograph of the building and descriptive text. Below the map, a horizontal bar contains numbered thumbnails for various locations in the district.

Collin County History Museum
300 E Virginia St Ste 104

Located in the Historic McKinney Downtown District, the Museum occupies the old 1911 Texas Landmark - Post Office. The Collin County Historical Society & Museum (CCHS) mission is to serve the general public and offer educational opportunities for the North Texas community by revealing our past through collecting, preserving and exhibiting our cultural resources, thereby nurturing the understanding of our diverse human experience. Our holdings cover three centuries of

DRUG STORE

Fuji Film Acuity High Speed X-2, 5' x 10' flatbed digital printing press
Xerox J-75 digital imaging press

Photo Boards 1 and 2: The two display areas for the photo boards at the east end of the front foyer will incorporate historic photos of the Post Office and tell the story of the changes made over the years to preserve this Texas Historic Landmark building.

Photo Board 3: The display board on the west end of the foyer will incorporate images and information to tell the story of Collin McKinney and his contributions to McKinney, Collin County, and Texas.

Photo Board 4: To the right and left of the main gallery entrance there are two window areas that will have photo boards to introduce our new 2019 exhibit, *McKinney Then and Now*.

Photo Boards 5 and 6: Inside the main gallery, the window areas on the north gallery wall will contain photo boards with images of historic downtown McKinney that will integrate into the set designs for the *McKinney Then and Now* exhibit.
