^{1.} Mixed-Use land uses reflect those parcels for which zoning allows for residential and/or non-residential horizontal or vertically-integrated uses .

^{2.} Agricultural/Undetermined land uses reflect those parcels with agricultural zoning for which no future use is currently defined.

^{3.} Properties located in the ETJ are not included in the Land Use Summary and the Tax Base Summary because they fall outside of the city's land use and taxing jurisdiction.

^{4.} Zoning, site plan and record plat cases approved after the certified tax roll of January 1, 2018 and change land use and/or vacancy status. These cases are not included in the Land Use Summary or the Tax Base Summary.

^{5.} Institutional (non-taxable) properties are not included in the Tax Base Summary because these properties do not generate taxes. Estimated tax revenues do not include any property exemptions, delinquencies, etc. and; therefore, may not reflect actual collection amounts.
