Project Mission

MISSION

Create a medical home for McKinney's vulnerable population

METHOD

Build a Federally Qualified Health Center that is...

- welcoming & dignified
- a social service hub & approaches health holistically
- flexible & expandable

IMPACT

- Improved user experience
- Better health outcomes (wellness measure exam, physicals, immunizations)
- Increase access to care: # unduplicated patients
- Financially viable in 3 years
- Synergistic partnerships with other social services (successfully completed referrals)

SYSTEM CHANGE

- Leaders in the McKinney business community undertake similar corporate social responsibility initiatives
- Collin County builds more FQHCs
- North Texas communities replicate the model

City of McKinney

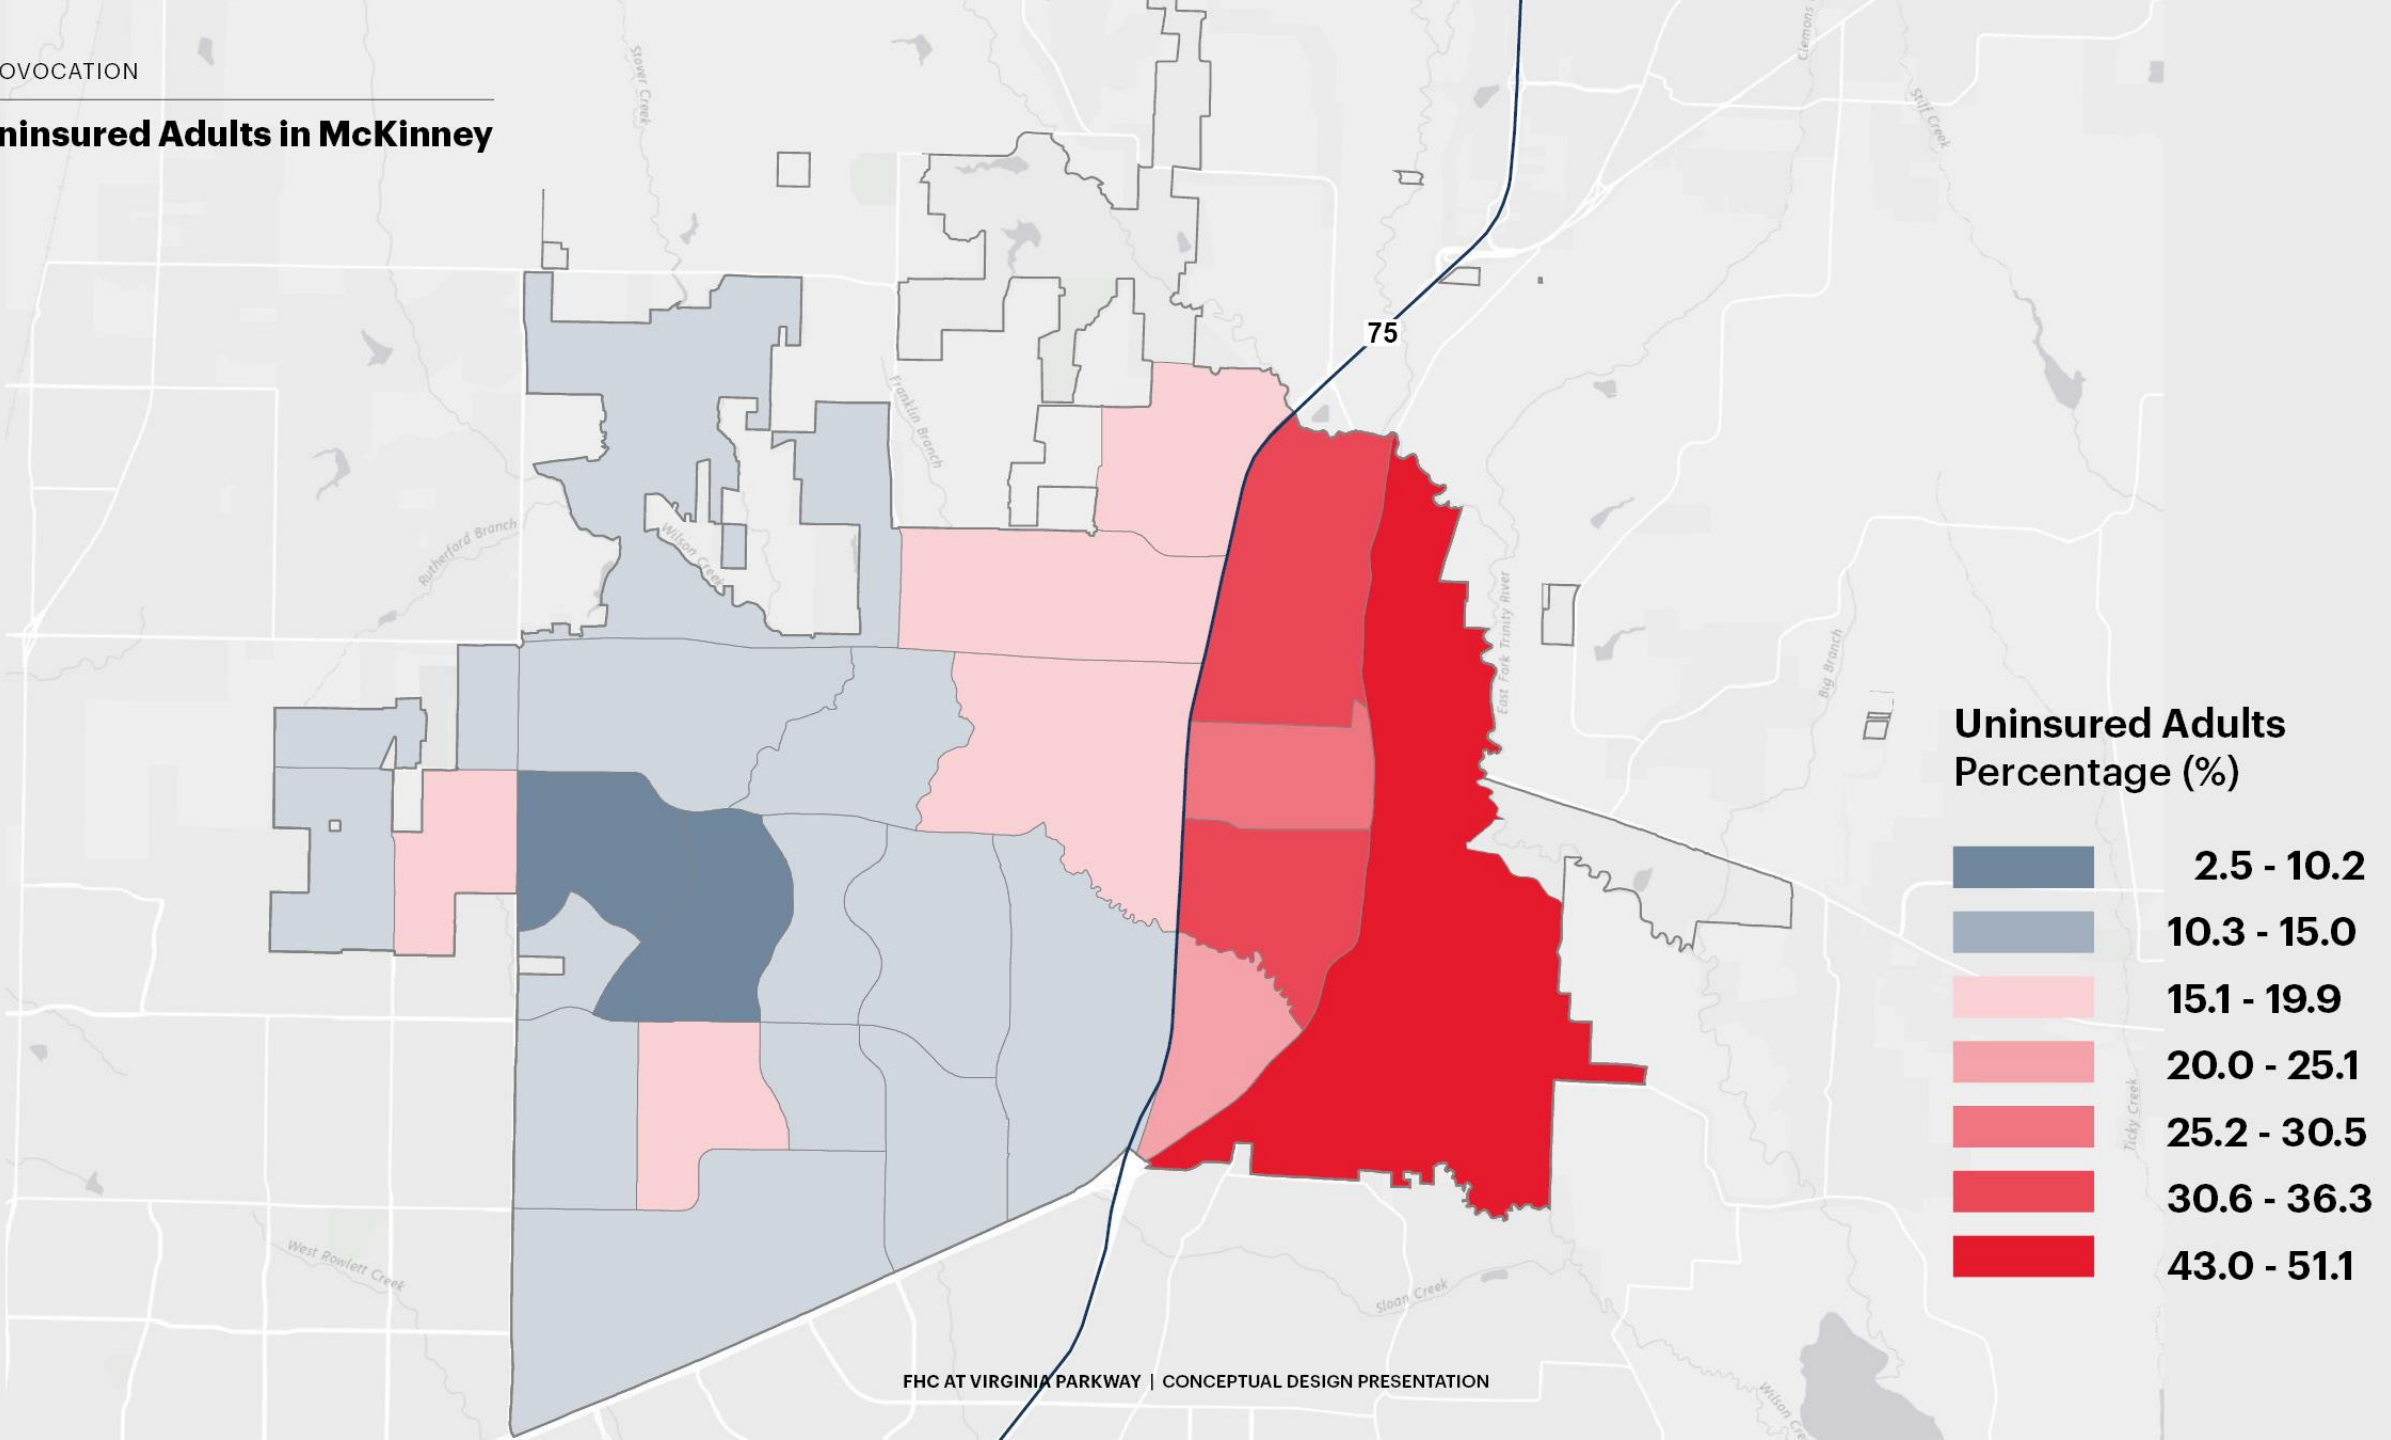

McKinney's population has grown 365% over the last 20 years, primarily west of I-75
