

OUR MISSION

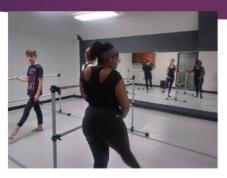

Our mission is to provide a home for artists to pursue their passions through professional training in performing arts. Ovation Academy provides the technique, life-skills, experiences and connections necessary to succeed in education and in the performing arts industry. Ovation Academy strives to produce knowledgeable, respectful, original, professional, empathetic and impactful artists who will positively contribute to their communities and to the performing arts industry.

OUR PHILOSOPHY

At Ovation Academy we believe in a "whole-istic" approach to learning. This means that in order to become the best ARTIST a student can be they must also be the best PERSON they can be. We have high expectations for our students in their art and in their personal conduct. Students at Ovation Academy should be passionate, self-motivated, self-disciplined, engaged, humble and supportive at all times. We are here to guide young artists through their journey into the professional world. The culture at Ovation Academy is vastly different than most traditional schooling experiences in that Ovation has an atmosphere of family, support and positivity. Students are held accountable for their actions and in return are allowed to make choices in regards to their training. We work as a team with the student, parents and staff to ensure a unique and individualized path that is beneficial to the student and their educational and career goals. Our students are not entitled to anything but quality training and opportunities for success. At Ovation Academy of Performing Arts we value diversity and inclusivity. We will accept students will passion and potential over raw talent and an ego every time!

Our mission is to provide a HOME for artists to pursue their passions through PROFESSIONAL training in the performing arts.
