RECOMMENDED CITY COUNCIL ACTION:

- Receive presentation and discuss issues related to the development and planning of the Capital Improvements Program specifically related to future infrastructure.

ITEM SUMMARY:

- The Engineering Department is currently developing the five-year Capital Improvement Program for FY20-24 relating to the City’s infrastructure needs.

BACKGROUND INFORMATION:

- The Capital Improvement Program is a five-year plan for major capital projects, including all probable funding sources for the period.
- The plan provides a working blueprint for sustaining and improving the community’s infrastructure while supporting the strategic goal of Direction for Strategic & Economic Growth

and Financially Sound Government.

- Each year the City Council reviews the five-year capital project plan and funds the first year of the plan as part of the annual budget process.
- The Engineering Department is currently developing the five-year Capital Improvement Program for FY20-24 relating to the City's infrastructure needs.
