RECOMMENDED CITY COUNCIL ACTION:

- Approval of the proposed facilities agreement.

ITEM SUMMARY:

- The applicant is proposing to subdivide approximately 10.822 acres of land into three lots, located approximately 4,900 feet south of FM 546 and on the west side of County Road 318 within the City of McKinney’s Extraterritorial Jurisdiction (ETJ).
- Under State Law, before a property can be subdivided in the City of McKinney ETJ, it must be platted and filed for record with the Collin County Clerk, in accordance with the City of McKinney’s subdivision regulations.
- The applicant has indicated to Staff the desire to not construct or escrow for the typical required improvements, such as water, sanitary sewer, and roads; however, the applicant has agreed to provide the easements for said infrastructure, and to enter into a facilities agreement

with the City of McKinney. As such, the applicant is requesting multiple variances from the City Council.

- The proposed facilities agreement limits the use on the properties to a single family detached home on each lot.
- Additionally, the agreement would relieve or defer the public improvements that exceed the amount that is roughly proportional to the proposed development on the subject property, including:
 - Construction of a minimum 24' concrete curb and gutter roadway with underground drainage, sidewalk, street lighting, and other appurtenances.
 - Construction of a 12-inch water line capable of supplying domestic water supply and adequate fire flow to the property.
 - Construction of an 8-inch sewer line through their property and offsite lines capable of serving the site and upstream areas.
- If, in the future, the property is further subdivided or replatted, or the use changes or enlarges from the allowed uses listed in the agreement, the agreement shall be terminated.
- At the December 19, 2017 City Council meeting this item was tabled to the January 2, 2018 City Council meeting.
