**RECOMMENDED CITY COUNCIL ACTION:** Staff recommends approval of the proposed site plan with the following condition:

1. The applicant satisfy the conditions as shown on the Standard Conditions for Site Plan Approval Checklist, attached.

**APPLICATION SUBMITTAL DATE:** June 13, 2019 (Original Application)  
August 9, 2019 (Revised Submittal)  
October 10, 2019 (Revised Submittal)  
December 6, 2019 (Revised Submittal)

**ITEM SUMMARY:** The applicant is proposing to construct an expansion of the MISD Transportation facility. The expansion includes additional bus parking stalls and a fueling area on approximately 3.09

acres. Site plans can typically be approved by Staff; however, the current zoning requires that the site plan be approved by City Council.

As part of the request, the applicant was originally seeking a variance to the screening requirements of the Zoning Ordinance which would have required a Public Hearing as part of the public approval process. Subsequent to the issuance of property owner notifications for the Public Hearing, Staff was able to work with the applicant and a variance is no longer necessary. However, because the item was noticed for a Public Hearing, Staff recommends that the Hearing still be opened for members of the public to speak on this item.
