RECOMMENDED CITY COUNCIL ACTION:

- Approval of the proposed facilities agreement.

ITEM SUMMARY:

- The applicant is proposing to plat approximately 10 acres of land, located approximately 1,350 Feet East of FM 2933 and on the North Side of County Road 341 within the City of McKinney’s Extraterritorial Jurisdiction (ETJ) to construct a single family residence.
- Under State Law, before a property can be subdivided in the City of McKinney ETJ, it must be platted and filed for record with the Collin County Clerk, in accordance with the City of McKinney’s subdivision regulations.
- The applicant has indicated to Staff the desire to not construct or escrow for the typical required improvements, such as water, sanitary sewer, and roads, however, the applicant has agreed to provide the easements for said infrastructure. As such, the applicant is requesting multiple variances from the City Council.

- The proposed facilities agreement limits the use on the property to one single family detached home.
- Additionally, the agreement would relieve or defer the public improvements that exceed the amount that is roughly proportional to the proposed development on the subject property, including:
 - Construction of public streets, sidewalks, and lighting;
 - Construction of master-planned 12-inch sewer line and 1 mile of offsite sewer lines to the subject property; and
 - Construction of a master-planned 8-inch water line and 4 miles of offsite water lines to serve the subject property.
- If in the future the property is further subdivided or replatted, or the use changes or enlarges from the allowed uses listed in the agreement, the agreement shall be terminated.
