|--------------------------------------------------------------------------------------------------------------------------------|

COUNCIL GOAL: Fiscally Sound Government

MEETING DATE: October 1, 2019

DEPARTMENT: Housing and Community Development

CONTACT: Shirletta Best, Community Services Administrator
Camille Smith, Community Services Coordinator

RECOMMENDED CITY COUNCIL ACTION: Approve Resolution

ITEM SUMMARY:

- City Council established the Community Support Grant program to establish a process for evaluating requests from non-profit agencies that provide activities, programs, and services to residents of McKinney. Organizations, which can be reasonably categorized under the heading of providing a public service that promotes the health, safety and welfare of McKinney residents, are eligible for funding. The Consolidated Grants Application process afforded applicants to submit funding requests for FY 2019-20, whereby the Community Grants Advisory Commission determined recommendations under the Community Support Grant (CSG) and Community Development Block Grant (CDBG).
- The Consolidated Grant Application Process closed April, 2019. The Community Grants Advisory Commission conducted two public hearings May 8, 2019 and May 9, 2019 to consider requests under the Community Support Grant funding from non-profit agencies. Applicants were able to submit a maximum of two application requests. The Commission deliberated May 30, 2019 to determine City Council recommendations for approval.
- The Community Support Grant budget allocation, under the City of McKinney's General Fund was approved September 17, 2019. Program year begins October 1.

BACKGROUND INFORMATION:

- In May 2006, City Council approved Resolution No. 2006-05-086 establishing a policy for prioritizing Community Support Grants for qualified entities serving the City of McKinney and its residents. In April 2010, City Council approved Resolution No. 2010-04-041 further defining the grant application prioritization.
- With Resolution No. 2010-04-041, City Council also approved a minimum grant request to an organization to be \$3,000. This amount is the minimum amount that can be recommended from the Community Grants Advisory Commission. There shall be no maximum grant award amount, however, the funding pool is limited. Grant priorities include: *Basic Needs*: food and clothing, housing and shelter, and non-financial assistance; *Health and Medical Treatment*, including Mental Health; *Housing Financial Assistance* and *Transportation*, the sole service being provided.

FINANCIAL SUMMARY:

- Funding is under the City of McKinney General Fund. The FY 2019-2020 budget of \$159,700 was approved by City Council September 17, 2019. Grant allocations will be paid from account number 001-9999-403-8559. Each funded organization will sign a grant agreement that details funding and performance expectations. Two programs are city administered. Agencies and city administered programs provide quarterly and annual reports to the city.
