### RECOMMENDED CITY COUNCIL ACTION:

- Approval of this Resolution

### ITEM SUMMARY:

- This Resolution authorizes the City Manager to enter into an Interlocal Agreement with Allen Independent School District (AISD) to provide school crossing guards at AISD school campuses within the City of McKinney.

### BACKGROUND INFORMATION:

- In 2002, a Crossing Guard Program was developed to establish paid crossing guards at intersections determined by the City of McKinney for McKinney ISD school campuses. An Interlocal Agreement was developed between the City of McKinney and McKinney ISD to provide the terms and conditions.
- In 2013, Allen ISD opened Lindsey Elementary, located in the Village Park neighborhood, and requested implementation of the same City of McKinney Crossing Guard Program for its school campuses located in McKinney.

- In this cooperative agreement, Allen ISD will hire, equip, and train the crossing guards, while the City of McKinney will reimburse Allen ISD for associated costs for placement of the crossing guards at intersections designated by the McKinney Engineering Department.
- This Interlocal Agreement is a one year agreement renewed annually with no action necessary by either governing body for a total of five (5) years. The number and location of crossing guards may change annually as new school campuses or neighborhoods are added.
- This Interlocal Agreement is similar to the previous agreement developed in 2013. However, entering into a new agreement with two (2) years left on the previous agreement allows the execution of all the Interlocal Agreements with every school district within the same year.
- The City of McKinney has a similar agreement with McKinney ISD, Prosper ISD and Frisco ISD.

**FINANCIAL SUMMARY:**

- The City of McKinney will reimburse Allen ISD for costs related to the services provided through the Program. Any equipment provided by the City of McKinney is not subject to reimbursement such as, but not limited to, stop signs and traffic cones.
- The total reimbursable cost to Allen ISD for the school year beginning August 22, 2016 to June 2, 2017 is \$17,802.39.
- The Funding for this Agreement will be provided in the Engineering Operating Budget.
