**RECOMMENDED CITY COUNCIL ACTION:**

- Approval of this Resolution

**ITEM SUMMARY:**

- This Resolution supports a submittal for the Regional Traffic Signal Retiming Program (RTSRP) and Minor Improvement Program Call for Projects and accepts funding, if awarded, from the North Central Texas Council of Governments (NCTCOG).
- The proposed project submittal for the Regional Traffic Signal Retiming Program Call for Projects for McKinney is the retiming of the traffic signals along the Eldorado Parkway corridor.
- The proposed project submittal for the Minor Improvements Program Call for Projects for McKinney is the replacement of traffic signal controllers at all of the City's 82 traffic signals.

**BACKGROUND INFORMATION:**

- The RTSRP is a regional program that is implemented by NCTCOG in partnership with local agencies.
- The goal of the RTSRP is to maximize the capacity of the existing roadway system by improving traffic operations through signal retiming along selected corridors.
- The Minor Improvement Program is a regional program that is implemented by NCTCOG in partnership with local agencies that improves the capacity of the existing roadway system by implementing low-cost operational improvements, thereby enhancing mobility and improving air quality.
- The deadline for submitting proposals for the Regional Traffic Signal Retiming Program (RTSRP) and Minor Improvement Program Call for Projects is October 13, 2017.
- The maximum funding for each project is \$50,000.

**FINANCIAL SUMMARY:**

- The local match requirement of 20% of the total cost for the Regional Traffic Signal Retiming Program (RTSRP) and Minor Improvement Program will come from Fund 21 - Street Construction.
- The City currently has \$500,000 in funding for the City-wide traffic signal controllers replacement project in TR4235. This will serve as an overmatch for the grant.
