STAFF RECOMMENDATION: Staff recommends approval of the proposed preliminary-final replat with the following conditions, which must be satisfied prior to filing the plat for record:

1. The applicant satisfy the conditions as shown on the Standard Conditions for Preliminary-Final Plat/Replat Approval Checklist, attached.
2. The applicant revise the plat to add the standard plat note per Section 142-76(7)(e)1 of the Subdivision Ordinance on Sheet 2.

3. The applicant revise the plat to include the replat information in the Owner's Dedication.
4. The applicant receive approval of a Flood Study, as determined by the Engineering Department.
5. The applicant receive approval of proposed street names, as determined by the GIS Department.

ITEM SUMMARY: The applicant is proposing to replat one existing lot (7.04 acres) and 25.48 acres of unplatted property into 25 single family residential lots, 4 common areas, and 1 non-residential lot. The applicant has indicated that the residential lots will be used to construct a single family subdivision and the existing church on the non-residential lot will remain.

PLATTING STATUS: A portion of the subject property is currently platted as Lot 1, Block A of the LDS McKinney Addition. The remaining portion of the subject property is currently unplatted. Subsequent to the approval of the preliminary-final replat, a record plat or plats, subject to review and approval by the Director of Planning, must be filed for recordation with the Collin County Clerk, prior to issuance of a certificate of occupancy/building permit.
