Prestwyck Park Workshop Session

COUNCIL GOAL: Enhance the Quality of Life in McKinney
(5A: Create affordable recreational and cultural arts activities for all ages throughout the city)
(5C: Continue to market and highlight McKinney as a unique destination for residents and visitors alike)

MEETING DATE: March 14, 2019

DEPARTMENT: Parks & Recreation

CONTACT: Michael Kowski, Director of Parks & Recreation

ITEM SUMMARY:

- Parks and Recreation staff will lead a discussion and workshop session related to the various design options for a new neighborhood park in the Prestwyck neighborhood. Feedback from this session will be forwarded to the design team for incorporation into their planning efforts.

BACKGROUND INFORMATION:

- This 10-acre unimproved park site is situated within the Prestwyck subdivision which is generally located south of 380 and east of Coit Road. It is adjacent to a Prosper ISD elementary school (Hughes).
- In August of 2018, the City hired DCBA Landscape Architecture to design this project.
- The City posted an online survey in the fall of 2018 to gather citizen feedback, and hosted a public open house meeting on February 2, 2019.

- Based on this information DCBA has sketched some design schemes for review and comment by the City in anticipation of hosting another public open house in the near future.
- The Prestwyck Neighborhood Park Project (PK1643) is a FY17-18 Capital Improvements Program Project funded by Parkland Dedication Monies and MCDC funds in a total budget amount of \$2,000,000.
- Exhibits from DCBA will be presented and thoroughly discussed at the meeting.
