CONTACT: Nick Ataie, PE, Engineering CIP Manager
Joshua Cotton, PE, Senior CIP Engineer

RECOMMENDED CITY COUNCIL ACTION:

- Approval of Resolution

ITEM SUMMARY:

- This Resolution authorizes the City Manager to execute a Standard Utility Agreement and any necessary supplemental agreements with TxDOT for reimbursement of expenses for the WA1630 Custer Road Utility Relocations Project from US 380 to FM 1461.

BACKGROUND INFORMATION:

- The design of Custer Road from US 380 to FM 1461 is nearly complete for TxDOT, and TxDOT's project is currently scheduled to let September 2020.
- TxDOT construction of Custer Road is anticipated to begin in December 2020.

- The relocation of the City's water lines is needed to address conflicts with TxDOT's proposed Custer Road improvements.
- This Standard Utility Agreement will establish the reimbursement percentage that the City will receive from TxDOT for the cost of the water relocations.
- Associated with the Standard Utility Agreement, the City will quit claim to TxDOT the existing water line easements within TxDOT's proposed ROW in order to receive the reimbursement funds.
- The City's utility relocation construction plans have been completed.
- This agreement must be fully executed before the City's relocation work begins in order for the City relocation work to be eligible for reimbursement from TxDOT.

FINANCIAL SUMMARY:

- The total cost of the City's utility relocation project, including design, construction, project management, construction inspection, and land acquisition is approximately \$10,000,000.
- The estimated reimbursement percentage from TxDOT is anticipated to be over 50 percent of the City's costs, or \$5,000,000, and is anticipated to be paid by TxDOT in 2021 after the completion of the City's utility relocation project.

BOARD OR COMMISSION RECOMMENDATION:

- N/A
