Consider/Discuss/Act on a Conveyance Plat for Lots 1 - 4, Block A, of Custer Silverado Addition, Located at the Northeast Corner of Silverado Trail and Custer Road

**COUNCIL GOAL:** Direction for Strategic and Economic Growth  
(1C: Provide a strong city economy by facilitating a balance between industrial, commercial, residential, and open space)

**MEETING DATE:** February 18, 2020

**DEPARTMENT:** Development Services - Planning Department

**CONTACT:** Jennifer Arnold, AICP, Director of Planning  
David Soto, Planner I

**RECOMMENDED CITY COUNCIL ACTION:** Staff recommends approval of the proposed conveyance plat with the following conditions:

1. The items currently marked as "not met" on the attached Conditions of Approval Summary be satisfied prior to issuing final plat approval.

In order to receive final approval of the plat, the applicant has the opportunity to make one resubmittal which corrects the items currently not in conformance.

**ITEM SUMMARY:** The applicant is proposing to subdivide approximately 13.601 acres into 4 lots.

The approval of the conveyance plat authorizes the recordation and conveyance of the parcel(s) created thereon, but does not authorize any type of development on the property. The applicant and future owner(s) of the property remain obligated to comply with all provisions of the Subdivision Ordinance upon future development of the property including, but not limited to, all platting requirements, required public improvements, utility extensions, street improvements, right-of-way and

easement dedications, and all other applicable requirements of the Subdivision Ordinance. The submission and approval of a conveyance plat does not vest any rights in the property.

Because Conveyance Plats are not for development purposes, a standard conditions checklist is not required.

**APPLICATION SUBMITTAL DATE:** January 28, 2020 (Original Application)

**APPROVAL PROCESS:** The City Council is the final approval authority for the proposed conveyance plat.

**OPPOSITION TO OR SUPPORT OF REQUEST:** Staff has received no comments in support of or opposition to this request.
