- Proposed changes to the TIRZ 1 Project Plan include:
 - Create a 'Critical Maintenance' project type under 'Vacant/Underutilized Sites/Buildings' category
 - Create a 'Fire Suppression' project type under 'Vacant/Underutilized Sites/Buildings' category
- Proposed changes to the TIRZ 1 policy include for "Vacant/Underutilized Sites/Buildings"

projects:

- Begin carrying over unused funding from Fiscal Year to Fiscal Year
- Per Council request, staff will also discuss options for front-loading or reviewing special exceptions for 'Critical Maintenance' projects that request funds that exceed the project cap.

BACKGROUND INFORMATION:

- The Project Plan of the TIRZ focuses on support for catalytic projects for the continued revitalization of the Town Center; key regional transportation infrastructure for effect access and linkages throughout the Town Center including connections between the Historic Square to the west of Highway 5 and the future Transit-Oriented Development (TOPD) to the east of Highway 5, as well as safe auto, pedestrian and bicycle movements along Highway 5 and within the supporting street network of the Town Center infrastructure and development of the TOD; and for other potential locations and projects that provide opportunity for redevelopment.

 for aggregation to facilitate long-term financing for critical transportation infrastructure and
 other substantial catalyst projects to support and encourage sustained revitalization of the
 Town Center.
- The authority of the Board of Directors is established by City Ordinance No. 2010-09-034
 creating the TIRZ, Board authority includes the making of recommendations to the City
 Council concerning the administration of the TIRZ; and adopting (and amending as needed in
 the future) a project plan and financing plan consistent with the preliminary project plan and
 finance plan subject to final approval by City Council.
- TIRZ has the authority under Chapter 311 of the State Tax Code and Chapter 380 of the Texas Local Government Code to make loans or grants of TIRZ funds for the purposes of promoting local economic development and stimulating businesses and commercial activity within the TIRZ.
- The current TIRZ policy governing the allocation and/or awarding of TIRZ No. 1 funds for Vacant/Underutilized Sites/Buildings was adopted by TIRZ No. 1 Board resolution on September 2, 2014.
