**RECOMMENDED CITY COUNCIL ACTION:**
- Receive presentation and discuss items related to ongoing infrastructure improvements along Louisiana Street ("Light Up Louisiana Project", CIP Project CO4238)

**ITEM SUMMARY:**
- This presentation will highlight construction activities completed for Phase 1 as well as provide an update on planned construction activities for Phase 2 starting in January 2021.

**BACKGROUND INFORMATION:**
- Construction began in May 2020 for the "Light Up Louisiana" Project (CO4238) which is generally located along Louisiana Street between Church Street and Kentucky Street (Phase 1) and between Tennessee Street and McDonald Street (Phase 2).

- The overall project consists of reconstruction of approximately 1,300 linear feet of the

Louisiana Street corridor (building face to building face) including replacement of approximately 4,100 linear feet of various underground utilities (storm, water, and wastewater). The project also includes upgrades to lighting, including overhead smart festoon lights, wider sidewalks, hardscape and landscape improvements, and a designated valet section.
