### RECOMMENDED CITY COUNCIL ACTION:

- Approve of proposed ordinance amendment.

### ITEM SUMMARY:

- McKinney Fire Department operates a proactive community healthcare program.
- Currently, the community healthcare program is provided as a service for McKinney citizens. This program functions in a non-emergent capacity.
- A fee for service ordinance exists for emergency medical response but not for non-emergency.
- This ordinance amendment provides a fee schedule for payment by health care providers or insurers to the City of McKinney for CHP services.

### BACKGROUND INFORMATION:

- McKinney Fire Department established a novel community healthcare program in 2013 to reduce the need for those with chronic medical conditions from overreliance on the emergency

medical service system.

- Since inception, the MFD CHP program is successful in impacting the health and welfare of those with certain chronic medical conditions.
- Health care providers or insurers are interested in engaging the MFD CHP for certain patient subscribers.
- Molina Healthcare contacted the MFD CHP program with a proposal to engage our services in a consistent manner to services already provided.
- Molina Healthcare proposed payment to the City of McKinney for services consistent with the CHP program.
- A pilot program to include a cohort of 25 Molina subscribers was proposed by Molina Healthcare.
- This ordinance amendment provides for a fee schedule for payment by health care providers or insurers to the City of McKinney for CHP services.

#### **FINANCIAL SUMMARY:**

- The fee schedule for MFD CHP services will be according to the following schedule:

Per Visit \$100
