- The contract documents require that contractors bidding on this type of work in the City of McKinney demonstrate a minimum of three (3) years' experience as part of the evaluation of whether the perceived low bidder is the responsible low bidder for the purposes of the project.
- The apparent low bidder, Altus Construction, LLC was established in 2013 and provided qualifications less than the minimum three (3) years' experience as required by the Project contract documents.

- Tiseo Paving Company provided the next lowest bid in the amount of \$3,386,490.50 which was substantially higher than both the allotted project budget and the estimated project construction cost provided by Brown & Gay Engineers, Inc.
