RECOMMENDED CITY COUNCIL ACTION: Approve Resolution

ITEM SUMMARY:

- City Council established the Community Support Grant program to establish a process for evaluating requests from non-profit agencies that provide activities, programs, and services to residents of McKinney. Organizations, which can be reasonably categorized under the heading of providing a public service that promotes the health, safety and welfare of McKinney residents, are eligible for funding. On November 9 and 10, 2016, the Community Grants Advisory Commission conducted public hearings to consider requests for Community Support Grant funding from non-profit agencies. Agencies were able to submit a maximum of two application requests.

BACKGROUND INFORMATION:

- In May 2006, City Council approved Resolution No. 2006-05-086 establishing a policy for prioritizing Community Support Grants for qualified entities serving the City of McKinney and its residents. In April 2010, City Council approved Resolution No. 2010-04-041 further defining the grant application prioritization.
- With Resolution No. 2010-04-041, City Council also approved a minimum grant request to an organization to be \$3,000. This amount is the minimum amount that can be recommended from the Community Grants Advisory Commission. There shall be no maximum grant award amount, however the funding pool is limited. Grant priorities include: *Basic Needs*: food and clothing, housing and shelter, and non-financial assistance; *Health and Medical Treatment*, including Mental Health; *Housing Financial Assistance* and *Transportation*, the sole service being provided.

FINANCIAL SUMMARY:

- Application funding requests represented a total of \$ 495,908.67. The total pool of funding includes reallocation under the Community Support Grant of \$ 125,942, approved under the FY 17 City budget. Grant allocations will be paid from account number 001-9999-403-8559.
