RECOMMENDED ACTION:

- Staff recommends approval of the proposed resolution.

ITEM SUMMARY:

- The proposed agreement with DFA 205, LP and the City of McKinney is intended for the primary purpose of assisting with fire safety improvements.
- The redevelopment project, located at 205 W. Louisiana Street, is a TIRZ-eligible project in the approved Project Plan of TIRZ No. 1. The project falls under the category of Vacant/Underutilized Sites/Buildings as defined in the TIRZ Project Plan.
- Under the policy governing allocation and/or awarding of TIRZ No. 1 funds for Vacant/Underutilized Site/Buildings as defined by the approved Project Plan, reimbursement and or grant requests are limited to a maximum of \$25,000 per qualifying project, with a maximum of \$100,000 awarded for qualifying vacant/underutilized site/buildings during each fiscal year.
- The applicant is requesting an economic development grant from Reinvestment Zone Number One to assist with the expense associated with making the following improvements:
 - Fire safety improvements consisting of a fire suppression system and fire alarm system.
- The applicant has received approval of a Certificate of Appropriateness from the Historic Preservation Officer for the proposed façade improvements.
- The applicant shall submit a grant submittal package to staff including all cost and payment documentation. Staff shall verify that the expenditures were made in such amounts prior to any Grant disbursement.

BACKGROUND:

- TIRZ has the authority under Section 311 and Chapter 380 of the Texas Local Government Code to make loans or grants of TIRZ funds for the purposes of promoting local economic development and stimulating businesses and commercial activity within the TIRZ.
- This project has been established as an eligible project in the TIRZ Project Plan under the category of Vacant/Underutilized Sites/Buildings, which is defined as “Relatively smaller projects (under \$5.0 million) for the incremental redevelopment of vacant/underutilized Town Center sites or buildings.” Such sites are limited to the area shown as Vacant/Underutilized Building Improvement Area shown on Figure 3 of the TIRZ Project Plan.
- For qualifying Vacant/Underutilized Site/Buildings, reimbursement or grant requests are limited to a maximum of \$25,000 per project, with an overall maximum of \$100,000 being awarded each fiscal year for Vacant/Underutilized Site/Buildings project types. Reimbursement and/or grant requests are funded on a first-come, first-serve basis until the maximum fiscal year allotment has been reached. To date for FY2017-2018, there have been no reimbursement or grant requests for Vacant/Underutilized Site/Buildings.
- Projects that have received funding from TIRZ No.1 are listed below:

Vacant/Underutilized Sites/Buildings

- 100 E. Louisiana Street - \$25,000 (FY2016-2017)
- 101 Louisiana Street - \$25,000 (FY2015-2016)
- 101 Louisiana Street - \$25,000 (FY2015-2016)
