Direction of Strategic Growth

MEETING DATE: September 13, 2018

DEPARTMENT: Parks and Recreation

CONTACT: Michael Kowski, Director of Parks and Recreation

RECOMMENDED PROS BOARD ACTION:

- Recommend to the City Council a Name(s) for a new park within Craig Ranch.

ITEM SUMMARY:

- Naming of a Park is typically coordinated with the project's construction, which is soon to begin.
- The City's naming policy requires that the Parks Board provides a name or names to the City Council for consideration, in accordance with the guidelines set forth by City Council.
- Generally, a name (s) should be selected based on the following: Outstanding and/or predominant geographical or physical features of the land; Outstanding and/or predominant historical features of significance; Contributions of land for a park site; or in honor of a community/state leader or hero.
- This particular park is located adjacent to the existing Millie Cooper Park, and is basically an extension of that park. The only separation between the two is a narrow one-way roadway.
- The two parks were designed to complement each other and feel as though they are one.
- As such, Staff recommends that this park also be named Millie Cooper Park.

BACKGROUND INFORMATION:

- This is a park that is required per the Craig Ranch VCIM agreement and is in satisfaction of the city's parkland dedication ordinance.

- Per that agreement, the developer is required to construct a number of pre-determined parks. The park is owed by the City but constructed and maintained by the Craig Ranch HOA.
- This is an urban park that includes seating, open space, walkways, and landscaping.

FINANCIAL SUMMARY:
