APPLICATION SUBMITTAL DATE: June 22, 2021 (Original Application)

August 13, 2021 (Revised Application)

ITEM SUMMARY: The applicant is proposing a specific use permit to allow for a car wash located on the south side of Virginia Parkway and approximately 490 feet west of Hardin Boulevard.

The zoning for the subject property ("C2" - Local Commercial District) requires that a specific use permit be granted in order for a car wash to be operated on the subject property.

EXISTING ZONING AND LAND USES:

Location	Zoning District (Permitted Land Uses)	Existing Land Use
Subject Property	"C2" - Local Commercial District (Commercial Uses)	Undeveloped Land
North	"PD" - Planned Development District Ord. No. 2010-06-018 (Residential Uses)	Park Ridge Addition

South	"C2" - Local Commercial District (Commercial Uses)	Undeveloped Land
East	"C2" - Local Commercial District (Commercial Uses)	Undeveloped Land
West	"C2" - Local Commercial District (Commercial Uses)	Undeveloped Land

SPECIFIC USE PERMITS: When acting on a request for a specific use permit, the following factors should be considered:

- Compatibility with adjacent and neighboring land uses in the immediate area
- Adaptability of building structures to the proposed use
- Infrastructure requirements: roads, sidewalks, access to public streets, parking, and drainage
- Elements such as screening, open space, building heights, and compatibility of existing buildings to the proposed use

Staff has evaluated the request based on the abovementioned parameters and feels that the site is appropriate for the proposed use and it is compatible with existing land uses of the adjacent properties. The site is surrounded on the south, east, and west by commercially zoned properties, including an approved specific use permit and site plan for an auto repair shop to the east. The proposed use should continue the commercial development along Virginia Parkway and add to the neighborhood services available in the area.

SITE LAYOUT: The attached exhibit provides a general layout of the proposed building as well as the associated parking and internal site circulation. The site circulation, parking, and sanitation requirements are in general conformance with the Zoning Ordinance.

ACCESS/CIRCULATION:

Adjacent Streets: Virginia Parkway, 130' Right-of-Way, Major Arterial

OPPOSITION TO OR SUPPORT OF REQUEST: Staff has received no letters of support or opposition to this request.

BOARD OR COMMISSION RECOMMENDATION: On September 14, 2021, the Planning and Zoning Commission voted 7-0-0 to recommend approval of the proposed specific use permit request.
