

# McKinney Residential Historic District Checklist of Design Elements

The Historic Preservation Advisory Board will use the following checklist of design elements, as applicable, in the review and consideration of each application for Certificate of Appropriateness submitted to the Board. If the property is unlisted, the Historic Preservation Officer will determine which checklist is appropriate. The page numbers refer to pages in the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings.

**Property Address:**

**Property Priority:      Low**

**Definition of Low Priority:** Typifies a common local building form, architectural style or type, with no identified historical associations; is a moderate to severely altered resource with reversible modifications that exemplifies a distinctive building type or architectural style, or that has only minor historical significance.
