Ms. Best gave a presentation related to the Community Development Block Grant (CDBG) funding. She stated anticipated funding in the amount of \$912,415.00 will begin October 1; and due to the performance, need assessments and participation within the City, Housing and Community Development is now eligible to be a Housing and Urban Development (HUD) participating jurisdiction which will provide additional funding known as Home Grant Funds. She specified the funding, stated for the record, will be exactly three hundred forty-six thousand three hundred forty-two dollars and eighteen cents (\$346,342.18) and by regulation a match of funds is required; a match in the amount of one hundred fifty-four thousand five hundred ninety-one dollars (\$154,591) was received from the Texas Department of Housing and Community Affairs (TDHCA). She stated the Community Grants Advisory Commission (CGAC) began the Consolidated Grant Application process in February which allows for the commission to review funding recommendations to be presented to the Council, which also includes city administered funds. She stated although funding is not approved until the fiscal year budget has been approved, this process is required by regulation through HUD which includes this public hearing. She indicated the CGAC has hosted one information session, three public hearings and two public meetings for public input; and are currently under a thirty (30) day public comment period that will conclude August 14. She indicated an inquiry for financial support has been received, and to state for the record, all CDBG grants are monitored, are fiscally sound and that all agencies are reviewed not only for audits but their submissions to tax records and other resources. She stated occasionally an agency may have funding recommendations they are not required to receive or accept those grants; and with recommendation of the CGAC the Agency Family Gateway is officially withdrawing their proposed recommendation in the amount of twenty-two thousand three hundred twelve dollars and fifty cents (\$22,312.50). She stated, for a matter of record,

the application submission will be declined by their request and the CGAC does not lose the funding, but it will go through another thirty (30) day application process in which the commissioners will determine whether to approve an extension, move forward with another application process or have a city administered program.
