Project Grant Application

December 26, 2018

I. Applying Organization: Collin County History Museum

Mission

The mission of the Collin County History Museum (CCHM) is to preserve and honor the past, connect with the present and embrace the future. We are committed to the collection and preservation of the rich heritage and history of the people and events that helped shape the place we proudly call home, McKinney and Collin County.

Strategic Goals and Objectives

We fulfill the mission of the organization through the following goals: 1) To preserve and protect our cultural history for future generations 2) To disseminate historical information through our museum collections, archives, research library, and publications 3) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation 4) To improve intellectual and physical access to our information and museum collections 5) To leverage new technology resources to engage visitors in a meaningful way

Scope of Services

CCHM is an archival museum with historical artifacts, photographs, documents, diaries, manuscripts, historical maps, archival newspapers, and land records that provide valuable research information for genealogists, historians, authors, teachers and students. The museum has a library collection of books dedicated to Collin County and Texas History. Docents and museum staff also provide interactive educational programming for students across Collin County.

Day to Day Operations

The museum is open to the public on Thursday, Friday, and Saturday from 10am-4pm. Special tours and interactive school tours can be scheduled Monday through Friday from 8am-3pm. Special events are held throughout the year.

Paid Staff and Volunteers

Currently the museum has two staff members that each work 20 hours a week. The positions are 1) Museum Manager in charge of daily operations, and 2) Coordinator of Business and Veteran Services.

The third staff position, 3) AmeriCorps VISTA Student Programming Coordinator in charge of children's programming for after school workshops and summer camps for children in poverty. Our AmeriCorps VISTA works 40 hours a week.

The first two positions are funded through a program called Workforce Solutions provided by the State of Texas. The AmeriCorps VISTA is funded by the museum budget and through the Federal Government.

Through contracted services, the museum pays a curator to help archive and catalog historical artifacts, documents and photographs. The Museum Director, Events and Educational Program Coordinator, Membership and Volunteer Coordinator, and Facilities Manager are currently volunteer staff.

II. Project Grant

Project Overview

The CCHM is seeking project grant funding from MCDC for photo boards for (4) window displays in the front foyer of the museum and (2) photo board window displays in the main gallery exhibit. The wall boards will be printed on 1/4 inch thick MDF boards with full color or black and white images on the front of the display boards. The images printed on the photo boards will be from our collection of historic photos from the museum archival collection, as well as color images of McKinney. The boards will also contain Augmented Reality triggers and QR codes that can be used in correlation with our museum iPads to help tell our history in an interactive and engaging way for our museum visitors.

The photo boards will be mounted inside the window casing. The purpose of the photo boards is to cover the window panels with a material that is aesthetically pleasing and promotes a professional look for our museum exhibits.

Scope of Project

Analysis of Current Window Panels: The Collin County History Museum is located in the 1911 historic Post Office in downtown McKinney. When the Post Office was first built, a postal saving bank was on the east side at the end of the post office foyer with windows for people to conduct their banking transactions. On each side of the doors leading into the museum gallery there were mailboxes where residents would come to collect their mail. Over the years as changes were made to the building, those openings were replaced with frosted glass panels. The glass was then covered up by bookcases, paneling, and shelving as the rooms were used as archival offices and for gallery exhibits. Instead of covering these window openings with paneling and shelving we would like to incorporate these window spaces into display areas by mounting custom designed photo boards inside the window casings.

Specifications and Design of New Photo Boards:

Photo Boards 1 and 2: The two display areas for the photo boards at the east end of the front foyer will incorporate historic photos of the Post Office and tell the story of the changes made over the years to preserve this Texas Historic Landmark building.

Photo Board 3: The display board on the west end of the foyer will incorporate images and information to tell the story of Collin McKinney and his contributions to McKinney, Collin County, and Texas.

Photo Board 4: To the right and left of the main gallery entrance there are two window areas that will have photo boards to introduce our new 2019 exhibit, *McKinney Then and Now*.

Photo Boards 5 and 6: Inside the main gallery, the window areas on the north gallery wall will contain photo boards with images of historic downtown McKinney that will integrate into the set designs for the *McKinney Then and Now* exhibit.

Board Specifications: These photo boards are printed by a company in McKinney called Print Art. Through a special process the images are directly printed on the surface of the board by using a Fuji Film Acuity High Speed X-2, 5' x 10' flatbed digital printing press, and a Xerox J-75 digital imaging press. Each board will be custom cut with routed edges to provide a custom fit inside each window display area.

With each project and exhibit, the museum strives to provide a professional look and feel that is aesthetically pleasing and inviting to museum visitors.

Project Goals

- Promote tourism in McKinney by providing meaningful and professional quality exhibits
- Create displays that utilize historical assets from the museum collection
- Utilize technology tools to create and promote engaging and interactive exhibits that tell the history of McKinney

Project Objectives

Describe how the proposed project fulfills the strategic goals for your organization.

- Promote heritage tourism in McKinney
 - **Strategic Goal 1)** To preserve and protect our cultural history for future generations
- Utilize and preserve the CCHM archival collection through the creation of museum displays
 - **Strategic Goal 3)** To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation
 - **Strategic Goal 4)** To improve intellectual and physical access to our information and museum collections
- Utilize technology tools to create and promote engaging and interactive exhibits that tell the history of McKinney
 - **Strategic Goal 5)** To leverage new technology resources to engage visitors in a meaningful way
 - **Strategic Goal 2)** To disseminate historical information through our museum collections, archives, research library and publications

Target Audience: The exhibit is open to the general public and to all age groups and organizations.

Attendance: During the 2019 *McKinney Then and Now* exhibit, the museum would like to set a goal to attract 8,000 visitors.

Every week hundreds of visitors walk through the doors of the Collin County History Museum. They come from all across Collin County, Texas, the United States and even from other countries. The museum offers visitors a unique place to learn and explore. Many people visit the museum after they have eaten breakfast on the square. Some see the museum sign and walk in off the streets to explore. Other groups come to the museum as their primary destination for a scheduled tour. After the tour, they spend the afternoon eating and shopping in the downtown. It is important that a town, the size of McKinney, offers tourists a variety of opportunities for enjoyment and entertainment. The funding from the MCDC promotional grant will provide promotional materials and advertising to help attract people to McKinney.

Project Schedule: Upon approval of the grant, we will begin the digital layout and design of the photo boards. The boards will then be printed and incorporated into our 2019 *McKinney Then and Now* exhibit.

Project Expansion: Through the use of the mounting hardware, we will be able to easily change out the photo boards to reflect any changes in the exhibit design.

McKinney City Council and McKinney Community Development Goals supported by the proposed Project:

- Eligible for MCDC consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDC Grant Guidelines)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike

Overview of Alignment with goals and strategies adopted by McKinney City Council and McKinney Community Development by the proposed Project:

The CCHM is a 501(c) 3 and is eligible for MCDC consideration for grant funding. The *McKinney Then and Now* exhibit meets the goals and strategies adopted by the McKinney City Council and MCDC in the following ways:

- Because the museum is located just one block east of the historic downtown square, hundreds of visitors attending the exhibit contribute to the growth of the McKinney sales tax revenue by shopping and eating in the downtown square.
- The museum is a Texas Historic Landmark and offers a unique destination not only for the enjoyment of the museum exhibit but visitors also enjoy the unique architecture and historical features of the building.

Has a request for funding for this Project Event been submitted to MCDC in the past?

II. Financial

Overview of CCHM Financial Status

The CCHM has been able to continue to increase our financial resources for our monthly budget expenditures. We have also set up a reserve account from our monthly positive cash flow. The board of directors has focused on building collaborative relationships and partnerships with historical organizations, McKinney organizations and businesses and the Collin County Historical Commission. Through these collaborative relationships and partnerships, we have seen an increase in donations, memberships and financial support for the museum. We have organized a committee to seek grant funding through various community and historical organizations to continue to fund projects that keep us connected to and involved in the community.

Our financials are not audited, but are professionally prepared and reviewed by: Nabors CPA Services, Wayne Nabors, Certified Public Accountant.

IV. Marketing and Outreach

The CCHM will continue to utilize the following marketing plans and outreach strategies to promote museum exhibits:

- Submit advertising to newspapers and magazines in both print and digital formats as outlined in the grant essay
- Post promotional events on the Collin County History Museum website
- Utilize Google Analytics Statistics for redesign of museum webpage
- Create a Channel on HP Reveal network.
- Create a YouTube Channel to post *McKinney Then and Now* Videos
- Distribute email communication to schools and colleges in Collin County
- Utilize social media by postings on Twitter and Facebook accounts
- Post event dates on the McKinney Convention and Visitors Bureau and Chamber of Commerce calendars
- Submit articles for publication in newspapers and magazines
- Attend Marketing Events through Celebration Magazine, Collin College, and McKinney Chamber of Commerce

The museum is also a member of the following organizations that provide promotional opportunities.

- Main Street McKinney
 1. Promotion on the Downtown McKinney website
 2. Directional signs
 3. Inclusion on the Historic Downtown Shopping Guide and Map
 4. Exposure on the Historic Downtown McKinney social media platforms
- McKinney Chamber of Commerce
 1. Listing of Events on McKinneyonline.com Community Calendar
 2. Share products and services at LINKS (Learn Inform Network Know Share)

V. Metrics to Evaluate Success

The museum collects attendance data for our exhibits through Google Forms. When visitors come to the museum they scan a QR code that takes them to a custom designed Google Form. They sign in through the form which collects information and statistics about our visitors. We track the number of adults and children that visit, along with their city and state. There is also a place to submit visitor feedback and comments. All statistics will be shared in the final report.

We just started using Google Analytics for our Collin County History Museum website. This tool has a number of features that generate detailed statistics that allows us to review how well users are interacting with our website and content. This tool helps us know how visitors find our website, what pages they click on while on the site and how they click through the site. We can track the demographics of the visitors to the website as well as what device they use to access our museum website.

We feel like our exhibit has been a success when we continue to see the number of visitors increase. We also evaluate our success when we continue to see visitors come from all around the county, state and nation.

We also feel successful as we see an increase in the number of museum partnerships that are established. We have established a relationship with Collin College History Professor Joe Jaynes, a former Collin County Commissioner. For the past two years he has encouraged his students to attend the museum exhibits by incorporating it into a class project. We have had hundreds of students bring their families from all around Collin, Denton and Dallas counties as part of this history project.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that, as indicated in your application, you are a private foundation within the meaning of section 509(a) of the Code. In this letter, we are not determining whether you are an operating foundation as defined in section 4942(j)(3).

If your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA). However, since you are a private foundation, you are subject to excise taxes under Chapter 42 of the Code. You also may be subject to other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation. Form 990-PF must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law

late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Glenn Cagle
District Director
