McKinney Community Development Corporation Update

- **Update on MCDC funding for strategic priorities – FY 22 and FY 23**
 - Attached is a recap of project grants awarded to support identified strategic priorities.

- **Project Grants**
 - Applications for FY 23, Cycle II were accepted June 1-30. Public hearings on the applications received will be held at the July 27th meeting. A summary of the applications received is provided below:

2023 MCDC Project Grants Cycle 3 Applications			
			Requested
23-10	McKinney Parks Foundation	To purchase a Polaris Texas Edition Ranger Utility Terrain Vehicle which will allow MPF to be better mobilized to maintain the current trail at Gray Branch.	\$ 25,000
23-11	Heritage Guild of Collin County - Chestnut Square	Replace chimney on Faires House. Replace porches, stairs and ramps on 6 buildings with weather and insect resistant materials including Dulaney House back porch, Faires House front and side porches, Chapel front and side porches and ramp, Dixie's Store front and back porches, Dulaney Cottage front porch and ramp, and Johnson House front and side porches.	\$ 50,000
23-12	City of McKinney Housing & Community Development	Property Maintenance Program specifically to assist units in three mobile home parks with repairs including but not limited to broken windows, broken/missing entry steps, carports cracked and sagging, deck boards missing and/or damaged, exposed electrical, wood trims missing and/or damaged around the perimeter of the home, dry rot on patio overhangs and rails, damaged wooden wheelchair ramps, water leaks, and large holes and cracks along the siding of the homes.	\$ 200,000

23-13	The Cotton Mill	New signage at The Cotton Mill to include colored lettering to the smokestack of the building to bring notoriety to not only The Cotton Mill, but to the City of McKinney as well. With the future developments we have planned we hope this sign will be a beacon to the patrons that travel to The Cotton Mill and The Cities Gateway.	\$ 135,580
23-14	McKinney Main Street	Purchase of new non-electric, 14-passenger, climate-controlled Downtown Trolley for the DASH program to allow for increased accessibility and provide safe and reliable visitor transport throughout Downtown and businesses East of Highway 5.	\$ 178,134
23-15	Habitat for Humanity of Collin County	HFHCC is requesting \$400,000 for the Home Repair Program which will pay for various levels of home repair on 13 homes.	\$ 400,000
23-16	Boys & Girls Club of Collin County - McKinney Club	Improve and sustain the quality of physical fitness experiences offered to youth at the McKinney Club by adding traditional games and electronic games (Exergame) that encourage physical health and development.	\$ 71,477
TOTAL			\$ 1,060,191

- **Promotional and Community Event Grants**

- Hugs Greenhouse – upgrades to greenhouse including irrigation and bench tops - \$14,159
- City of McKinney Engineering – roadway infrastructure for HEB development - \$400,000

TUPPS Brewery Expansion Project – June 2023 Construction Update

SpawGlass [SG] mobilized on site February 28, 2022

There has continued to be significant slipping in the schedule.

Anticipated Dates AS:	April 5, 2022	January 31, 2023	May 30, 2023
Brewery Sub Com	Nov 2, 2022		
Brewery (TCO)		March 15, 2023	July 7, 2023
Barrel Aging Sub Com	Nov 1, 2022	June 21, 2023	July 24, 2023
Tap Room Sub Com	Nov 2, 2022	June 1, 2023	July 24, 2023
Final Completion:	Dec 7, 2022	July 23, 2023	August 21, 2023

Progress continues on the project, although with delays. Examples of items that have delayed completion include material delays early in construction, unknown conditions on existing structures, many items necessitating design redraws and contractor / subcontractor pricing regarding change in scope, deleting scope or adding scope. Unfortunately some issues that have been of most delay are due to lack of final decisions, final components or additions to the project (items requested by TUPPS that were designed and priced, but rejected once pricing was received); misunderstanding/confusion over what is in scope and out of scope for the contractor, SpawGlass, due to multiple changes in efforts to rework elements of the project to reduce project costs. Efforts continue to secure a Temporary certificate of Occupancy for the Brewery Building, while work on the remainder of the project is completed to allow brewery equipment testing/operations to begin earlier than the date of final completion. MCDC and the City have been kept informed regarding status and expected completion date of the Brewery Building and overall project. It is the opinion of Spinelli Construction Services that the dates reflected above will not be met (or will be further delayed). Below is a high-level recap of work progress and photos.

June 1-June 2

Tap Room: Electrical & Gas rough-in, ductwork, installing trusses; Brewery: Begin reinstall of radian heaters

June 5 – June 9

Spectrum on site for Data and Internet; Tap Room: trusses continue, Rough-in of electrical and plumbing, framing for walls and doors; Brewery: install of security and alarm devices; Site: Cleanup

June 12 – June 16

Brewery: Cleanup, testing domestic water; Tap Room: continue with structural steel, continue pulling electrical wiring, water, sewer & gas testing, cleaning slab; Barrel Aging: electrical panels and conduit for light fixtures, fire suppression install ; Site: Footers for sail shades

June 19 – June 23

Site: Install of fence at rear of Brewery, grading and setting big blocks; Barrel Aging: rough-in lights and plugs, Tap Room: continue steel, form ramp and raise kitchen curbs, install kitchen roof, ductwork; Brewery: fire alarm and security

June 26 – June 30

Move Material off MCDL Corner; Brewery: install dock bumpers, radiant heater install, continue fence at rear of building; Tap Room Set RTUs on roof, exterior studs and zip board, fire sprinkler
