

MCKINNEY SP+STROLL 2021

ORGANIZATION DESCRIPTION

SBG Hospitality is proud to be the go-to event production and marketing company in North Texas!

Not only do we plan community festivals, corporate events and endurance races but we are making an impact in North Texas! It's our passion to make the communities we serve a happier, healthier and better place to live.

Each event we host partners to give back to a local non profit partner to help serve that mission.

The majority of events take place in Collin County and McKinney is where we live and office! Our favorite events take place right here in McKinney, Texas!

OUTLINE OF EVENT PROJECT

McKinney residents and visitors are invited to experience good times and cold beverages in McKinney!

The walks will bring visitors to McKinney and inside local shops where they'll be able to engage with the local merchants, shop and enjoy delicious beverages while taking in the sites of beautiful McKinney!

Not only will the walks increase sales and foot traffic for merchants but it will also help in promoting McKinney tourism on a consistent basis- keeping it at top of mind with visitors!

The walks provide social distancing logistics and the opportunity for guests to have fun while not gathering in a crowd!

The series will include 5 walks (potentially 7!) The majority will take place in Downtown McKinney and if we aren't able to host them all in downtown we will look at other places to draw tourism and foot traffic! (Like Hub 121 or Adriatica!)

We will start early with our hotel partnerships assuring that we have a set website to promote the walks and for guests to stay in McKinney! We will also promote the hotels on each individual facebook and ticket site.

The series will begin in February and end in October.

We are asking for \$8,000 as this is not one event but FIVE events that promote tourism in McKinney! (potentially 7!) And getting the word out for these walks effectively will only be possible with the grant support!

Below you will see an outlined of our potential walks and dates.

MARKETING OUTREACH/ EVALUATING SUCCESS/BUDGET

We would use the \$8,000 to attract tourists in TWO ways:

An impactful Social Media Campaign targeting visitors

A custom website for the sip and stroll series where all of the walks, hotels and special packages are included.

We will gauge the level of success based on:

How many tickets were sold. We anticipate capping each walk at 2,000 throughout the day.

Budget:

Each walk costs us around \$20,000 to host. Total: \$100k-\$140k depending on if we host 5 or 7.

THANK YOU FOR YOUR CONSIDERATION!!
