

McKinney Main Street will host its annual Halloween event Scare on the Square on Friday, October 30 from 4-7pm. The event is sponsored by McKinney Medical Center and features a costume contest with cash prizes provided by Main Street Magic & Fun Company. That evening, MPAC will also screen 'Rocky Horror Picture Show' - it's the 40th Anniversary of the Cult Classic film. This event typically sells out.

McKinney Main Street is also involved in a fundraising campaign to help underwrite the costs of bringing a real Christmas tree to Historic Downtown McKinney for the Holidays. The founding corporate partner for the tree is First United Bank, and the first 100 donors that contribute will be recognized on a sign placed by the tree. This tree will be featured at the City's annual Tree Lighting on Friday, November 27 during Home for the Holidays.
