Questions, Comments, and Discussion

Eldorado and Stonebridge Development – Take 5 SUP

Presented by Peak Development Partners
Garrett Johnson and Ben Paige
With Kimley-Horn Design Team

Appendix B: El Dorado and Stonebridge Development P and Z

Appendix B: El Dorado and Stonebridge Development P and Z

Staff Recommendation

- Main reason was 3 Automotive locations within .5 miles.
- 2 of the 3 aren't Oil Change focused (Driver's Edge and Brakes Plus) with the 3rd an independent oil change.
 - Brakes Plus 0.45 miles from Take 5 location
 - Driver's Edge 0.55 miles from Take 5 location
 - Independent Oil Change 0.43 miles from Take 5 location.

Appendix B: El Dorado and Stonebridge Development P and Z

Staff Recommendation Cont.

- Staff did mention this would be a good location for an automotive use as it is away from residential areas and along a highly commercial corridor.
- Peak has had contact with the Stonebridge Ranch HOA and showed the board the development intentions which was met with zero issues or concerns. Mayor Fuller is a member on the board; as well as the land-owner to the west of this parcel.
- We have reached out to Councilman Cloutier to work with him on making sure we have his support for this development.

Appendix B: El Dorado and Stonebridge Development P and Z

Take 5 Elevations

Proto Elevations

All stucco and EIFs without pitched roof

Example of Potential Enhanced Elevations for McKinney – Brick with pitched roof

Appendix B: El Dorado and Stonebridge Development P and Z
