

Final Report Submission by Marching Music Made in McKinney

MCDC Grant in the amount of \$5,600

Event Dates were July 24 & 25, 2023

Event locations were The Stix Icehouse & McKinney ISD Stadium

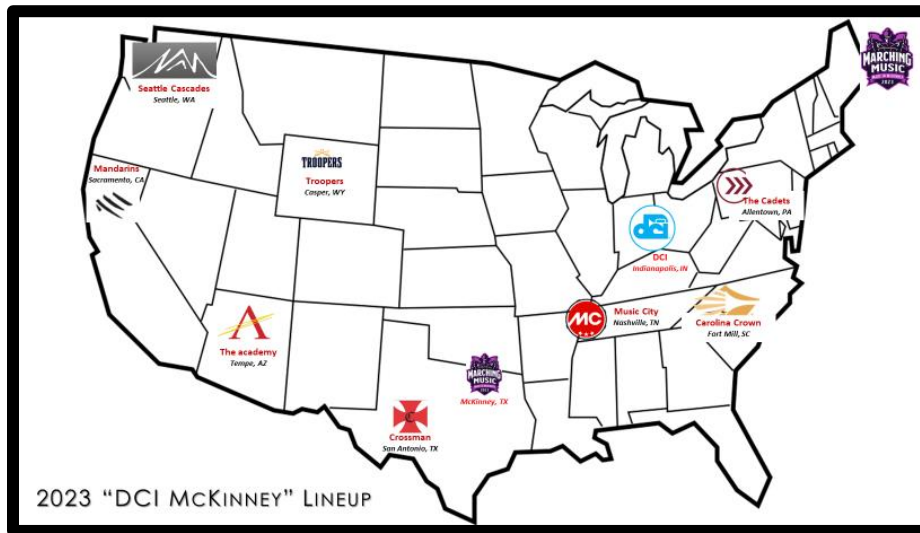

On behalf of our volunteer organization, Marching Music Made in McKinney thanks McKinney Community Development Corporation for your partnership and support; while this is our first grant award, you have supported our initiative since its inception as we led McKinney onto the national stage for drum corps. Your partnership was critical to the vision of making McKinney, TX a destination for drum corps fans.

As a reminder, we hosted two events:

- Drumline Expo at Stix Icehouse on Monday, July 24 from 4 drum corps drum batteries
- DCI Competition at the MISD Stadium on Tuesday, July 25 hosted 8 drum corps

2023 was our second year and with no historic track record and frankly a better-than-expected inaugural year, we were still learning as we entered year 2. As we concluded the DCI competition and knew our ticket sales, DCI shared that the second year in a venue normally sees a dip in ticket sales that come back in year 3 and beyond. They even acknowledged that our performance in year 1 was amazing and broke many DCI records. And while the following report digs into the performance metrics, we can claim victory at a couple levels and learn as we begin preparations for 2024.

In all, attendance for the DCI Competition were ~70% of 2022 volume, adjustments in pricing of our parking fees, drumline expo ticket prices and higher than expected concessions resulted in 63% higher profits in 2023, which will go directly to the MISD Band Programs, which is the goal of our non-profit organization.

Also, the prior night's show in Mesquite had the #1 and #2 corps, while McKinney has #4 and #5; that could also have influenced ticket sales for McKinney, but the lineup was set the prior September. Add to all of this the record heat in Texas (the temperature on the field at 2pm on the day of the DCI performance was 181 degrees!), we worked additional angles to market our event to drive ticket sales over the weekend leading up to the event, including a great story DFW NBC5 that ran at 4pm, 6pm & 10pm on July 24th.

If you attended the DCI Competition at MISD stadium event, you saw a drum corps competition where marching band met Broadway show in an 11-minute performance that stimulated your visual and auditory senses. One could FEEL the music! It was amazing!

And, as you will see on the following pages, we drew fans from far away for both events.

We received great feedback from both DCI leadership and drum corps staff:

- “In 15 years with a drum corps, I’ve never had someone from the local organizing committee visit me and give our corps a welcome bag! McKinney is an amazing host!”
- “Your fans are amazing!”
- “We hope McKinney is on our tour in 2024”

MMMM has always been about hosting an amazing event in McKinney for our residents to enjoy and for visitors to experience our great city and we did that again in 2023. When we began our partnership, DCI was not merely seeking a good stadium, but rather a partnership. MMMM and McKinney envisioned a community event where drum corps could take a break from their busy travel schedule and fans could enjoy our community and hear great performance music. Ultimately, our goal is for McKinney to host a substantial multi-day event where people can come stay and experience McKinney in its fullest.

We were very excited for the new Tupps location in 2023, we had to pivot and were so thrilled to partner with Mike Luther and The Stix Icehouse, which was a perfect location for the Drumline Expo as fans could choose between air conditioning and the Texas heat. With either choice, fans and staff alike thought it was a GREAT night!

We are proud of McKinney and how we show up and are excited for the future of the partnership between Marching Music Made in McKinney & MCDC as we strive to support the MCDC objective to:

“support events that attract resident and visitor participation and contribute to quality of life, business development and increased McKinney sales tax revenue.”

We believe Marching Music Made in McKinney achieved that objective with our recent event and we are requesting reimbursement at the full level of our \$5,600 Grant.

As an organizing committee, we are proud of our second year’s performance and the learning we took away and underway for 2024!

GOALS AND OBJECTIVES ACHIEVED

Our objectives for this year were to:

- ✓ Attendance for the Drumline Expo above 325 attendees → ACHIEVED at 337
- ✓ Attendance for the DCI Competition above 4,300 fans → MISSED at 3,027
- ✓ Attendance at DCI Competition from more than 5 states → ACHIEVED, 8 states
- ✓ Spur economic benefit in the City of McKinney business community through sales tax dollars – increase in hotel rooms and track non-McKinney attendance through DCI Competition ticket sales → ACHIEVED, \$2,394 hotel rooms

In addition to these metrics, we want to call out a few interesting statistics we gleaned from our ticketing platform, namely:

- ~6.96% of attendees at our events were from outside Texas
- 28.72% of attendees who were from Texas were from 15 miles or more outside McKinney

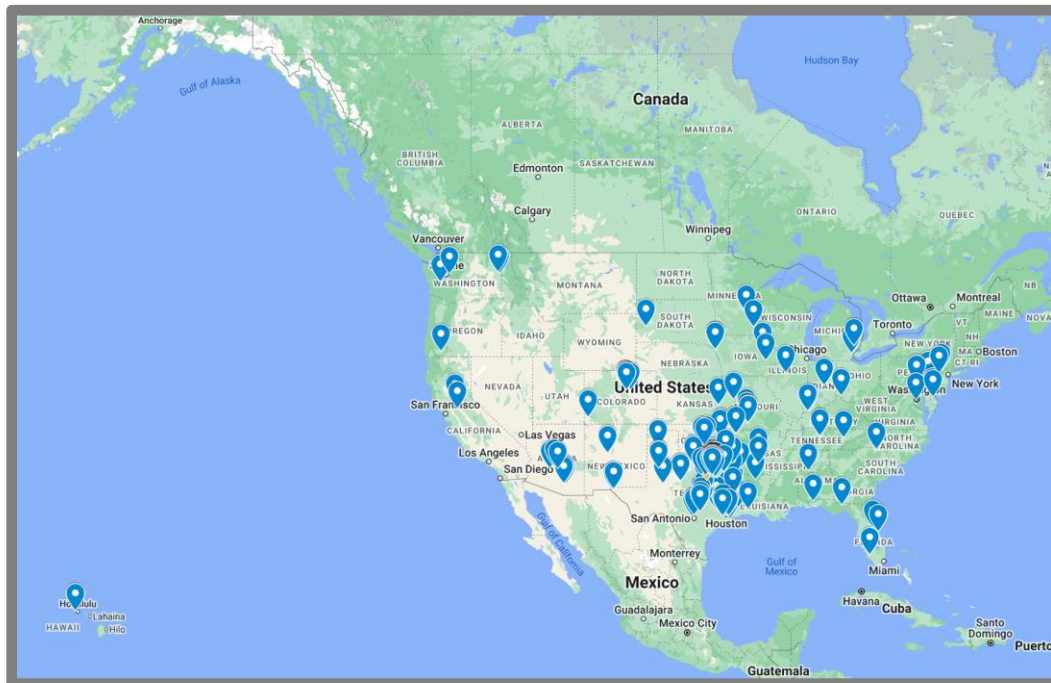

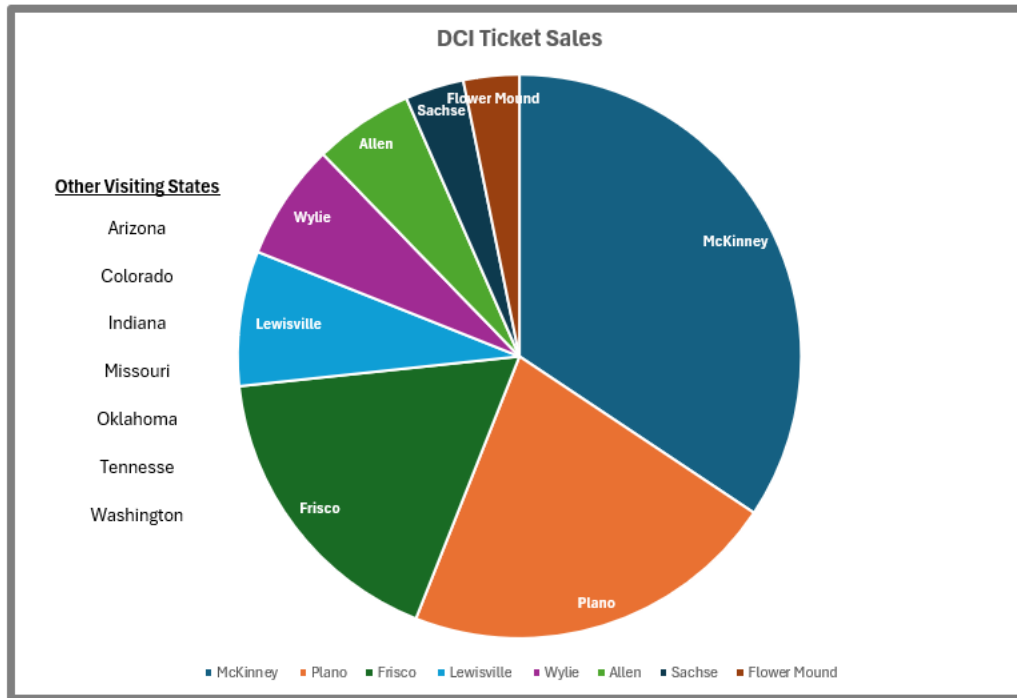

The following chart shows geographic distribution of Drumline Expo ticket sales.

Over 1,200 performers took the field Tuesday night for McKinney's second ever Drum Corps International competition.

Eight corps from all over the nation vied for the top spot before moving onto their next event.

"This is a great night where we see Broadway, music and marching bands come together and perform," Mayor George Fuller said. "We built this stadium for events like this. We now host the NCAA Division 2 championships and now the DCI competition. There is no better place for this competition than right here."

Here are the top four bands from the 2023 McKinney DCI competition:

- Fourth Place - Wyoming Troopers
- Third Place - Sacramento Mandarins
- Second Place - The Cadets
- First Place - Carolina Crowns
