Comments	I am NOT in favor of the electrical substation to be created behind Bloomdale and Pecan Ridge Estates. There are plenty of alternative locations away from EXISTING homes and schools.

Comments	I oppose the Oncore Bloomdale substation near our residential premises. We will loose the only available green belt in our area. We want that to be built in any industrial area (away from residential area) as this will be a health hazard (the location is closer to the place where kids play) and devalue our property.
