APPEAL -

**SPECIAL EXCEPTION -**

**VARIANCE -** We are requesting a variance to increase the amount of square footage of signage allowed for this space. Since the sign ordinance calculates allowance based on the width of the suite space, this would only allow a sign that is 31.5 sq ft which would be too small for the space and not large enough to advertise our business well. Because we are in an odd corner space, our store frontage does not fully reflect the size of our space and limits us if we are going purely off the sign ordinance. For these reasons, we'd like to request a variance.

### **Approval Procedure**

This procedure is established to comply with TLGC, §§211.008 and 211.009.

- XXVI. The Board of Adjustment shall review and approve or disapprove the Variance in accordance with the approval criteria in subsection d. of this section.
- XXVII. A concurring vote of seventy-five percent (75%) or more members of the Board of Adjustment shall be required to approve a Variance request. Any request for a Variance that is not approved by affirmative vote of seventy-five percent (75%) or more members of the Board of Adjustment shall be considered denied.
- XXVIII. The Board of Adjustment shall decide the request no later than the 60<sup>th</sup> day after the public hearing at which the Board heard the request.
- XXIX. The Building Official shall provide a written notification of the Board of Adjustment's decision to the applicant.

### **Approval Criteria**

The Board of Adjustment may approve a Variance from the requirements of the Zoning regulations of this Code where such request:

- XXIII. Is not contrary to the public interest;
- XXIV. Is the minimum Variance necessary to gain the relief requested;
- XXV. Is not solely for the purpose of mitigating a financial hardship;
- XXVI. Is not the direct result from actions by the property owner; and
- XXVII. Due to special conditions, a literal enforcement of the Code would result in unnecessary hardship, and so that the spirit of the Code is observed and substantial justice is done.
- XXVIII. When the Variance requested involves an existing structure the Board of Adjustment may also consider the following criteria as grounds to determine where compliance with the Zoning Regulations of this Code would result in unnecessary hardship:
  - a. The financial cost of compliance is greater than fifty percent of the appraised value of the structure as shown on the most recent tax roll accepted by the City;
  - b. Compliance would result in a loss to the lot on which the structure is located of at least twenty-five percent of the area on which development may physically occur;
  - c. Compliance would result in the structure not being in compliance with a requirement of the McKinney Code;
  - d. Compliance would result in the unreasonable encroachment on an adjacent property or easement; or
  - e. The City will consider the structure to be nonconforming.

### **Approval Non-Transferable**

An approved Variance shall only apply to the property or structure associated with the Variance and shall not be transferable to any other property or structure.

### **Appeals**

The decision of the Board of Adjustment shall be final. Any further appeals shall be made to the courts of Collin County, Texas in accordance with state law.

- c. The Board of Adjustment shall decide the request no later than the 60<sup>th</sup> day after the public hearing at which the Board heard the request.
- d. The Building Official shall provide a written notification of the Board of Adjustment's decision to the applicant.

## **Approval Criteria**

The Board of Adjustment may approve a Special Exception if they find the request:

- XIV. Is not contrary to the public interest or otherwise injurious to adjacent property owners;
- XV. Is the minimum modification necessary to gain the relief requested; and
- XVI. Is not solely for the purpose of mitigating a financial hardship.

## **Appeals**

The decision of the Board of Adjustment shall be final. Any further appeals shall be made to the state courts of Collin County, Texas in accordance with state law.

## **Expiration**

If the property owner has not shown progress toward completion associated with the required permits to carry out the approved Special Exception within two years of approval, the Special Exception shall automatically expire.

## **Variance**

A Variance may be approved by the Board of Adjustment to provide relief from the strict application of the zoning provisions of this Code where literal enforcement of the requirements of this Code will result in unnecessary hardship and where the Variance is necessary to develop a parcel of land that cannot otherwise be developed due to unique conditions on the property.

## **Applicability**

The Variance procedure may be used to:

- XVII. Permit a Variance to requirements of any district where there are unusual and practical difficulties or unnecessary hardships due to an irregular shape of the lot or topographical or other conditions; and
- XVIII. Authorize Variances from the strict application of this Code that are in harmony with its general purpose and intent, provided such Variance will not merely serve as a convenience to the applicant, but will alleviate some demonstrable and unusual hardship or difficulty, while at the same time, the surrounding properties will be properly protected.

## **Submittal Requirements**

Applications shall be submitted, accepted, and revised, and may be withdrawn in accordance with §203A, *Standard Procedures*, and shall include the following:

- III. Permit the reconstruction of a legal nonconforming building that has been damaged by explosion, fire, the elements, the public enemy, or any other cause, to the extent of more than 50 percent of its fair market value, where the Board finds some compelling necessity requiring a continuance of the nonconforming use and the primary purpose of continuing the nonconforming use is not to continue a monopoly;

If the appeal is taken from an Administrative Official's decision, the Administrative Official may certify in writing to the Board facts supporting the Administrative Official's opinion that a stay would cause imminent peril to life or property. In that case, the proceedings may be stayed only by a restraining order granted by the Board or a court of record on application, after notice to the Administrative Official, if due cause is shown by the appellant.
- IV. A party may appear at the appeal hearing in person or by agent or attorney. The Administrative Official and the appellant may each provide a legal brief to the Board in support of their respective argument(s). - VI. The concurring vote of seventy-five percent (75%) or more of the members of the Board of Adjustment is necessary to reverse an order, requirement, decision, or determination of an Administrative Official. The Board may not change the zoning district designation of any land either to a more restrictive or less restrictive zoning district and may not approve or authorize a specific use permit or any use in a zoning district where such use is not otherwise allowed.

**VIII. Amortization of Nonconforming Land Uses**

The Board shall have the authority to establish a compliance date for nonconforming uses at the request of the City Council in accordance with §201C.8, *Amortization of Legal Nonconforming Uses*.
