

CONTRACT BETWEEN THE CITY OF MCKINNEY, TEXAS AND ALLI K DESIGN, LLC
FOR THE E. LOUISIANA STREET ROUNDABOUT “EVER BLOOMING” SCULPTURE

This Contract (“Contract”) is made and entered into effective the ____ day of _____, 2024 (“Effective Date”), by and between the City of McKinney, Texas (“City”), a Texas municipal home-rule corporation and Alli K Design, LLC, a Texas limited liability company (“Artist”).

Whereas, the Artist submitted a concept design (“the Concept Design”) to the City for the commission of an original Metal Sculpture entitled “Ever Blooming” (“Artwork”) related to the City’s request for such artwork as a part of the continued investment into the Public Art Program, which builds our community’s identity by initiating artwork and exhibitions that enhance the vitality of our community.

Whereas, the City by and through its Arts Commission selected the Artist and has agreed and authorized that this Contract be awarded to the Artist, commissioning him/her to undertake and complete the Artwork using reasonable skill, care, and diligence, subject to and in accordance with the terms and conditions herein stated.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the City and the Artist agree as follows:

1. The Concept Design. The Concept Design, submitted by the Artist and selected by the City’s Arts Commission as the approved image for the Artwork to be portrayed by the Artist, is the property of the City and may be chosen by the City for implementation and use in future projects. A copy of the Concept Design is attached hereto as Exhibit A. The City reserves the right to modify the Concept Design, with the Artist’s approval.

2. Location of the Artwork. The Artwork will be initially installed at the roundabout constructed at the intersection of E. Louisiana Street and Greenville Street in McKinney, Texas (“Site”), as generally depicted on Exhibit B, attached hereto.

3. Acceptance and Completion of the Artwork. The Artist agrees to complete the Artwork on or before June 31, 2025, unless the City, in its sole discretion, establishes a later date based on intervening circumstances. The Artist shall use their best aesthetic judgment to create the Artwork and to determine when the Artwork is completed. The Artist will notify the City once the Artwork is completed, and the City shall have the right to inspect the work and request reasonable changes to be made. The City agrees that it will accept the completed Artwork unless in the City’s reasonable opinion the Artwork was not executed substantially in accordance with the image depicted in the Concept Design. The City will notify the Artist in writing on the date it formally accepts the completed Artwork (“Completion Date”).

4. Responsibilities of the City.

- a) Maintenance and Repair/Restoration of the Artwork. The City shall be responsible, at its cost, for adequately maintaining and if necessary, repairing the Artwork, subject to the Artist’s one-year warranty set forth in Paragraph 6, below. If the Artwork needs repair or restoration within ten (10) years after the Completion Date, the City may, in its reasonable opinion and to the extent practicable, give the Artist the option to conduct or supervise such work subject to suitable payment terms being agreed to with the Artist. All repairs or restoration should be made in accordance with recognized conservation standards. Notwithstanding the foregoing, this Contract in no way limits or binds the McKinney City Council to expend funds for any maintenance or repair of the Artwork in any budget year.

- b) **Installation.** The Artist, through its vendors, shall be responsible for the creation of the base, foundation, and complete installation of the Artwork at the Site in accordance with the Engineering specifications presented under Exhibit C.
 - a. Artist shall ensure the complete installation of the sculpture to the specs and engineering requirements of the City.
 - b. Artist shall also be responsible for the installation of landscaping and lighting around the sculpture.

5. Warranties.

- a) Original Artwork; Reasonable Skill, Care, and Diligence. The Artist represents and warrants to the City that the Concept Design and the Artwork are and will be original and will not infringe the copyright or other rights belonging to any third party. The Artist shall exercise all reasonable skill, care, and diligence in undertaking and carrying out the work and satisfactorily completing the Artwork.
- b) One-Year Warranty Against Defects in Workmanship or Quality. The Artist represents and warrants that the Artwork will be properly prepared with materials of sufficient quality such that, should the City (with the Artist's input) reasonably determine within one year from the Completion Date that the Artwork has noticeably deteriorated due to the use of materials that are of insufficient quality or that have been inadequately applied, the Artist will promptly remedy that deterioration, at their cost and at no cost to the City, consistent with the City's standard of acceptance as set forth in Paragraph 3, above. It is understood by the Artist and the City, however, that the Artwork is an outdoor exhibition, and that noticeable deterioration does not include fair wear and tear, ordinary exposure to light or the elements, vandalism or willful misuse, graffiti, or other events that are not within the control of the Artist.

6. Commission; Payment Schedule. The Artist shall be paid the amount of One Hundred Twenty-Three Thousand and Zero/100 Dollars (\$123,000.00) for the satisfactory completion of the Artwork ("Commission"), which Artwork the parties agree is a work for hire. This amount will include all design fees, administrative costs, travel, design, material, equipment, engineering, transportation, and such insurance as Artist decides is necessary to protect Artist's interests under this Agreement. The City will pay the Commission to the Artist based on the following payment schedule: (a) 50% (\$61,500) paid upon Artist's commencement of the project; and, (b) the remaining 50% (\$61,500) paid upon completion and installation of the Artwork to be paid within 30 days of the Completion Date.

7. Additional Expenses. If the Artist incurs any reasonable additional costs or expenses that are caused as a result of amendments to the agreed Concept Design or other additional requirements or conditions requested by the City, the City will reimburse the same upon production by the Artist of receipts or other evidence of the costs or expenses incurred. Any additional expenses shall be limited to a cumulative amount not to exceed ten percent (10%) of the Commission unless the additional expenses are authorized and approved in writing in advance by the City.

8. Ownership. The Artist will retain legal title and ownership of the Artwork, excluding any materials paid for by the City that are owned by and are the property of the City until delivery to the Site, until the Artist's receipt of the final payment of the Commission, at which time legal title and ownership of the Artwork shall pass to the City.

9. Copyright and Reproduction Rights. Copyright in the Artwork (including the Concept Design) shall remain with the Artist, subject to the following considerations: The Artist hereby grants the City a perpetual license to use her intellectual property rights in the Artwork in accordance with this Contract. The

City shall be entitled without payment to the Artist to make (or to authorize others acting on behalf of the City to make) any image, photograph, film or video of the Artwork or the Concept Design and to use such image, photograph, film or video in any advertising, brochures or other publicity material, including the City's official web site, or film, video or television broadcast, or any not-for-profit activity. The Artist may reproduce the image of the Artwork, but only with the advance, written permission of the City, which permission shall not be unreasonably withheld.

10. VARA Waiver. The Artist waives any and all moral rights, including any rights under the Visual Artists Rights Act ("VARA"), as they may pertain to the Artwork. The City undertakes to not intentionally alter, damage or destroy the Artwork, or to knowingly consent to others doing so, and will endeavor to notify the Artist of any proposed alteration of the Site or relocation of the Artwork. In the event the building or structure on which the Artwork is to be placed or displayed is subject to demolition, the City will provide notice to the Artist at least 45 days before such demolition is to occur or as soon as reasonably possible if the City learns demolition is to occur in fewer than 45 days.

11. Termination of Contract.

- a) In the event the Artist is in material default of any obligation under this Contract, the City shall give written notice to the Artist, who shall first be allowed a reasonable period, not to exceed two weeks unless extended by the City, to remedy the default. If the default is not remedied within such period, the City may terminate the Contract by written notice of termination and the Artist shall not be entitled to receive any further fees and shall refund to City all fees previously paid to Artist.
- b) In the event the work is cancelled, or other circumstances arise beyond the control of the City which prevent the continuation of the Commission, the City may terminate the Contract by written notice to the Artist, who will be entitled to receive and retain proportionate payment for all work up to and until receipt of such notice from the City.
- c) The Artist may terminate this Contract by notice in writing if the City is more than 15 days late in making any payment due under the Contract and has failed to remedy the breach within five (5) days following City's receipt of notice specifying said breach, or if the City is in material default of any other obligation under this Contract; provided, however, that the Artist shall give written notice of said default to the City, who shall first be allowed a reasonable period, not to exceed two weeks unless extended by the Artist, to remedy the default. If the default is not remedied within such period the Artist may terminate the Contract by written notice of termination.

12. Artist as Contractor. For purposes of this Contract the Artist is a contractor and not an employee of the City of McKinney.

13. Indemnification. The Artist hereby waives any and all claims, known or unknown, that Artist now possesses or may hereafter acquire against the City, and assumes all liability and responsibility for and agrees to fully release, indemnify, hold harmless and defend the City and its officials, agents, servants, and employees, and the building owner, from and against any and all claims, suits, judgments, demands, damages, losses and expenses, including but not limited to attorney's fees, for injury to or death of a person or damage to property, arising out of or in connection with, directly or indirectly, the actions of the Artist and caused by the negligence or intentional act or omission of the Artist, its officers, agents, employees or other third parties from whom the Artist may be legally liable. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

14. Notices. All notices or requests required or authorized hereunder shall be in writing and shall be deemed effective upon receipt (or refusal thereof) when (i) delivered in person, (ii) sent by U.S. Postal Service, postage prepaid, as overnight mail or certified mail, return receipt requested, (iii) delivered by a nationally recognized delivery service for same-day or overnight delivery, or (iv) if applicable, transmitted by facsimile (with proof of confirmed transmission) to the respective parties hereto as follows:
