Re: Site Plan Submittal
Service Street Auto
Letter of Intent

Dear Ms. Wright,

Please let this letter serve as the Letter of Intent for the Site Plan submittal associated with the proposed Service Street Auto development located at the Southeast corner of South Lake Forest Drive and McKinney Ranch Parkway. The proposed development is part of an overall 21.8-acre lot and associated with a proposed 4,400 sf auto service center on an approximate 0.97-acre tract. The property is currently zoned PD – Planned Development.

A design exception is also included with this request. Given the existing gas easement overlapping the landscape buffer, it is requested that the tree ratio requirement along the property frontage be reduced to 1 per 136 LF. 1 tree has been proposed adjacent to the landscape buffer as well as 4 other trees placed around the property to mitigate lack of screening.

Should you have any questions, please feel free to contact me.

Sincerely,

Claymoore Engineering, Inc.
