# Attainable Housing Initiatives

## Update and Initiatives

October 2, 2023 - Council Work Session

Janay Tieken - Housing & Community Development Director

## FY23 Accomplishments

- Added 506 new affordable housing units for 2023
- Implemented recommendations of the Neighborhood Preservation Plan: Accessory Dwelling Unit (ADU) cross departmental team; “Clear Title” legal assistance for homeowners to get property tax exemptions
- Updated Root Policy data
- Participate in MCDC Affordable Housing Workgroup

## FY24 Proposed Initiatives

- Low Income Housing Tax Credit Developments for 2024
- MHFC as Community Land Trust Partner
- Tax Exemption for Housing Policy
- Locally Funded and Managed Voucher Program

# Low Income Housing Tax Credit (LIHTC) 9% and 4%

- What is a LIHTC?
  - Tax credits are awarded to eligible participants to offset a portion of their federal tax liability in exchange for the production or preservation of affordable rental housing. The value associated with the tax credits allows residences in HTC developments to be leased to qualified households at below market rate rents.
  - Two types: 9% and 4%
    - 9% tax credits are competitive and will be received in January and will require a Resolution of Support from City Council by March 1, 2024 to move forward in the process
    - 4% tax credits are “non-competitive” and may be applied for at any time during the year but must apply for and receive an allocation from the state tax-exempt multifamily housing bond program.
    - 4% tax credits = MHFC Co-development – receives 4% tax credits AND receives tax exemption from partnership. MHFC Corporation receives developer fee and cash flow from project which can be used to “further affordable housing”
  - 9% require a Resolution of Support from City Council
  - 4% require a Resolution of No Objection from City Council

## RFQ 22-35 – Next Steps

Atlantic Pacific Companies (APC) was the successful respondent for the McKinney Housing Finance Corporation (MHFC) co-development partnership in 2022.

Staff recently contacted APC and they have not moved forward with securing a bond allocation or purchasing land.

Staff will give APC until December 31, 2023 to show progress on meeting the terms of the RFQ before seeking Council approval to issue another MHFC co-development partnership RFQ in summer 2024.

## Desired Policy Direction

- No new MHFC 4% Co-development deals for FY24 unless Atlantic Pacific Housing moves forward with development by January 1, 2024
- New MHFC 4% Co-development RFQ issued in Summer 2024 for FY25 bond allocation

# Property Tax Exemption for Affordability

What Factors are Important to City Council?

## MHFC, Property Tax Exemption and Affordability

Property Value	\$100,000,000	Tax Payment
Tax Rates per \$100		
• City of McKinney	0.457485	\$ 457,485
• McKinney ISD	1.312900	\$1,312,900
• Collin County	0.152443	\$ 152,443
• Collin College	0.081220	\$ 81,220

Developer partnership with MHFC brings automatic tax exemption outside of Public Facility Corporation or Tax Credit oversight under Chapter 394 of Texas Local Government Code

## Tax Exemption for Attainable Housing:

### Factors to consider....

-  Location
-  Existing or New Construction Existing construction would require per unit minimum of rehabilitation
-  Minimum # of units in development
-  % of units at 30% or 50% AMI
-  Term of tax exemption? 10 – 12 years is common.
-  Affordability + Resale provisions = 80% or greater return of exemption

## Tax Exemption for Attainable Housing:

### Policy to ensure projects are meeting goals and reviewed in a consistent manner

- Used to house persons or families whose annual income is greater than 30% but no more than 60% of AMI.
- Must contain more than 50 residential units of which at least 20% will be used to provide affordable housing
- Units must be rented for an amount that does not exceed the amounts specified by the most recent multifamily rental program income and rental limit chart posted on TDHCA website
- On existing properties, 15% of the purchase price must be used to rehabilitate the property
- Tax exemption for a minimum period of 12 years
- PILOT payment and affordable unit mix structure to be negotiated

## Community Land Trust

### Purposes of a Community Land Trust

## Community Land Trust

### Background and Status

City Council approved the application process for the formation of a Community Land Trust on June 21, 2022

City Council allocated \$1,000,000 in "seed" money for the Community Land Trust

No Community Land Trust partners have applied

## Community Land Trust

### Utilize MHFC as the CLT partner to being acquiring properties and homes

Sec. 373B.002. CREATION OR DESIGNATION. The governing body of a municipality or county by ordinance or order may create or designate one or more community land trusts, including a housing finance corporation established under Chapter 394 or a land trust operated by a community housing development organization certified by the municipality or county, to operate in the municipality or county.

Community Land Trust may be a subsidiary corporatiob of the McKinney Housing Finance Corporation (MHFC) or the MHFC By-laws may be modified to say: "When feasible, the Corporation will use long-term land use restrictions and long-term ground leases as a tool to provide and preserve affordable rental and ownership housing to create homeownership opportunities for low and moderate-income families who might otherwise not be able to own a home."

Ratified by City Council Resolution

## Community Land Trust - Considerations

*Legal liability for the MHFC?*

*Structure of the CLT?*

- *A subsidiary corporation of MHFC*
- *Update MHFC Bylaws to allow*

*The MHFC Community Land Trust can initially be implemented with existing staff. Housing Administrator has bandwidth to implement with no new MHFC co-development partnerships for FY24. As MHFC initiatives grow, a staff person devoted to activities of MHFC, funded by MHFC, may be needed.*

*Goal for FY24 is to establish MHFC Community Land Trust.*

- *Three (3) homes added to CLT through infill development or market buydown purchase.*

## Community Land Trust

### Next Steps

*Meet with Legal to determine best legal structure of MHFC Community Land Trust*

*Develop guidelines for annual home value appreciation formula and other requirements of home ownership*

*Meet with Collin County Appraisal District to agree on valuation formula based on value appreciation formula*

### Local Gap Voucher Program:

Provide rental assistance to eligible individuals. The primary target populations for this program include households that are low-income and highly cost-burdened.

Seniors and persons with disabilities who participate in the 24-month Tenant Based Rental Assistance program are not always able to secure housing vouchers. Their income is static and without continued assistance, they are at high risk of homelessness

- *Household 30-50% AMI*
- *Seniors 62+ and persons with disabilities*
- *Households already living in tax credit apartments that are no longer affordable*
- *Participates will pay up to 30% of their income toward rent*
- *Average \$10,000 per year per household*

Current Clients:

Elderly

Grandparents raising grandchildren

Anticipated Cost – approximately \$10,000 per year per household.

Pilot program with 20 individuals who were previously enrolled in Tenant Based Rental Assistance program.

Participants pay no more than 30% of their income toward rent. The remainder is made up by the program.

- Rent for one bedroom at Newsome Homes is approx. \$1,100 per month
- The individual would pay up to 30% of their income toward rent
- Rental subsidy program would follow the same guidelines as the TDHCA Tenant Based Rental Assistance (TBRA) program

## Next Steps

- If City Council agrees that no more 60% AMI rental units are needed in the next three years, staff will direct developers seeking **MFHC 4% partnerships** that there will be an RFQ in summer FY24 for FY25 bond allocation
- If so directed, staff will draft a policy with criteria to evaluate **tax exemption for housing affordability**
- If directed to move forward with establishing the **MHFC as a Community Land Trust**, staff will consult with legal counsel on structure and will develop guidelines for the Community Land Trust
- If directed to move forward with the **Rental Voucher program**, staff will bring draft guidelines application to City Council for adoption
