RE: Application for SUP2024-0005 Craig Ranch SE (Stars Ave.) Wireless
Communications Facility

Dear Mr. Bennett:

Anthemnet, Inc. (“Anthemnet”) is applying for a 110’ stealth communications pole on the City owned property located at 6993 Stars Ave, McKinney TC, Collin County (APN: 2766201). We have a collocation opportunity available upon approval, as there are no existing structures (of sufficient height or location) available to accommodate the proposed antenna or engineering requirements, to help provide needed coverage improvements including E911 services to this rapidly growing area. We have multiple carriers who have indicated interest in collocating on this proposed structure, which includes Verizon Wireless, T-Mobile and AT&T. We are committed to partnering with the city and carriers to help facilitate the coverage needs of the surrounding community. Thank you.

Respectfully,

Brian Richmond
President
