Annual Report

- Total Circulation increased 6.8% over FY 21.
- Counting only checkouts, and not renewals, the library saw an increase in 6% from our previous peak year of FY 19.
- Growth was driven largely by increased JJG collection use and a continued increase in eBook usage.

- The library continues to add new members at a rapid rate, with nearly 1/3rd being Digital Access Only Members.
- 83% of borrowers in FY 22 were the only member of their household to borrow and itemmeaning they likely represent more people than just the person checking out.
