The Consolidated Grants Application process includes the funding of public service resources to benefit McKinney residents under two grants: Community Support Grant (CSG) and the Community Development Block Grant (CDBG). stated that the Community Grants are funded by the city’s General Fund and initial requests must be at least \$3,000; the proposed budget is \$259,000 contingent upon the City Council approval in September, which includes city administered public service programs. Public Service CDBG grants are reimbursable grants, federally funded by the U.S. Department of Housing and Urban Development (HUD) and application requests must be at least \$5,000 for consideration of these funds. Agencies who applied for audit waivers are only eligible for Community Support Grant consideration. The FY25 public service budget under CDBG is estimated at \$136,862 under the City of McKinney. Prior to discussing CASA, Vice-Chair Schmitz recused himself from the meeting and returned after discussion was concluded. Staff anticipates the possibility the city budget under the Community Support Grant may be subject to increase and have possible changes. As a precaution, the Commissioners may be called to re-convene and to reaffirm consensus for this round of deliberations. Recommendations are anticipated to move to City Council for approval after the approval of the FY25 city budget.
